Soulful Thoughts Jennifer C. Williams,2003 Poetry is the blossom and the fragrance of all human knowledge it s a measured language of emotion Soulful Thoughts shares these fragrances and language of emotions with you Expressing deep emotions this is what I m sharing with you Soulful Thoughts has 8 chapters that give you the deepest emotions and most beautiful fragrances True impressions of life situations moments of the heart with love moments when there are changes heartfelt moments of pain and happiness and so much more all from the soul

Soulful Inspirations Brenda Herzog,2005 Soulful Inspirations is a collection of my thoughts and poetry that span many years of my life I write from deep within my soul by way of words or lines of poetry that enter my thoughts I find that at times I am awakened from a deep sleep with a line of poetry running through my mind I feel compelled to get out of bed and write when these moments happen and once I start the entire poem or thoughts to ponder seem to flow freely onto paper I am profoundly affected by all that is around me Be it beautiful scenes conversations with good friends to a simple at or from a stranger I consider my poetry to be a gift from a higher power and is meant to be shared with all who read my words If just one poem or thought touches one of my readers and inspires them to go on to better things in their lives then I have done what I believe is the reason for my receiving the gift of writing

An Imbalance Of Power Y. M. Roger,2012-08 Francesca Pyretti leads a secluded and extremely guarded life with her mathematics and her waitressing it seems the female genius has a very volatile temper and an innate ability to burn things doors walls people Burn them badly But this afternoon she will meet Realm Lord Belshazzar Chaldean and the chemistry between the two of them is enough to change not only their lives but the fabric of Creation Forever For although she does not know it yet Francesca has a place of belonging in the Immortal Realms of Creation of which Lord Chaldean rules the Earth and Sky specifically at His side as His Lady But why would an all powerful immortal Lord be so taken by the scared yet dangerous Francesca And why would she feel safe for the first time in her life in the arms of such an obviously predatorial and possessive Lord Whatever the reasons Lord Chaldean has Marked

Francesca as His and the Power of The Netherworlds will be the spoils in a battle between two Realm Lords that would possess she whom Belshazzar has claimed But it is a battle that will test the will not only of the Lords of each Realm but the strengths of their Firsts as well as the bonds that create the fabric of each Realm And it is a battle that no matter the victor can only result in An Imbalance of Power between all of the Realms and the remaining Lords that comprise Creation itself
