El-Shamy, 1995 This is an essential reference tool for all folklore and Arabic literature collections

Choice Hasan El Shamy's work on folklore is absolutely outstanding a monumental piece of scholarship Digest of Middle East Studies reflects superior scholarship Preparing a motif index of folk literature requires a special kind of scholar with depth in a cultural area and breadth in international folklore studies El Shamy I am pleased to report is one of them Ronald Baker This two volume guide will be an important research tool in comparative folklore studies as well as in Arabic studies

The Greenwood Encyclopedia of Folktales and Fairy Tales: A-F Donald Haase, 2008 Provides alphabetically arranged entries on folk and fairy tales from around the world including information on authors subjects themes characters and national traditions

Women in the Ottoman Balkans Amila Buturović, Irvin Cemil Schick, 2007-09-26 This volume not only deepens our understanding of the distinctive contributions that women have made to Balkan history but also re evaluates this through a more inclusive and interdisciplinary analysis in which gender takes its place alongside other categories such as class religion ethnicity and nationhood **Phoebe**, 2002 **Asian Folklore Studies**, 1963 *Religion and Folk Cosmology* el-Sayed el-Aswad, 2002-12-30 This study refutes both the Western dominant paradigm of modernity and the Eurocentric stereotype of traditional Muslim culture and demonstrates that rural Egyptians have their own paradigm of secular modernism that does not negate religious or sacred orientations Islam is associated with ongoing attempts at religious purification and cultural unification and is inimical to cultural homogenization encouraged by Western globalization Provides a holistic interpretation of the interplay between religion and folk cosmology challenging the stereotypes that relegate traditional people to backwardness and a peripheral space or locality Within this Muslim society the global local nexus is one of ongoing creative integration not separation The cosmology can best be understood in the context of its totality encompassing both visible and invisible zones Muslims articulate personal or private order as well as social order within their cosmology This cosmological view endowing people with a unique imaginative sense of engagement with a supraphenomenal reality accentuates the belief that divine cosmic invisible higher power surpasses any other power Such a belief represents an inexhaustible source of spiritual and emotional empowerment that may be politically mobilized in certain critical moments and depicted as a religious holy struggle or jihad

The Greenwood Encyclopedia of Folktales and Fairy Tales Donald Haase, 2008 Folk and fairy tales exist in all cultures and are at the heart of civilization This massive

Encyclopedia gives students and general readers a broad multicultural survey of folk and fairy tales from around the world Included are hundreds of alphabetically arranged entries written by numerous expert contributors Entries cover themes and motifs individuals characters and character types national traditions genres and a range of other topics Each entry cites works for further reading and the Encyclopedia closes with a bibliography of print and electronic resources Literature students will welcome this book as an aid to understanding and analyzing folk and fairy tales as literary forms while social studies students will appreciate it as an exploration of the essence of world cultures Folk and fairy tales exist in all cultures and are at the heart of civilization The most comprehensive work of its kind this massive Encyclopedia gives students and general readers a broad accessible multicultural survey of folk and fairy tales from around the world Edited by one of the foremost authorities on the subject the Encyclopedia draws on the work of numerous expert contributors and covers a broad range of themes and motifs characters and character types genres individuals national traditions and other topics Entry topics were chosen in consultation with a nine member Advisory Board that includes some of the most prominent scholars currently pursuing the study of folk and fairy tales such as Professor Jack Zipes of the University of Minnesota whose work has revolutionized research on fairy tales Entries cite works for further reading and the Encyclopedia closes with a bibliography of print and electronic resources Literature students will value this book as an aid to understanding and analyzing folk and fairy tales as literary forms while social studies students will appreciate the book s examination of the foundations of world cultures And because many of these tales continue to influence films television and popular culture general readers will welcome the Encyclopedia as a means of understanding the modern world
