*Hart Crane and Yvor Winters* Thomas Parkinson,2023-11-15 Hart Crane and Yvor Winters Their Literary Correspondence delves into the profound yet contrasting relationship between two towering figures in 20th century American poetry Hart Crane known for his bold emotionally charged poetry and turbulent life and Yvor Winters a disciplined poet and critic might seem like antithetical figures the bohemian versus the scholar the restless creative versus the stable family man Yet their correspondence reveals a deeper connection through shared passion for poetry mutual respect for each other's work and a significant exchange of ideas This book explores their relationship spanning Crane's effusive gratitude for Winters's critiques of *The Bridge* to the tensions that ultimately fractured their bond Crane's letters

preserved by Winters offer an invaluable glimpse into his evolving poetics and his creative process as well as the ways in which Winters influenced and challenged him The book situates this correspondence within the broader literary context of their time illustrating how their dialogue reflects larger trends and tensions in American poetry Crane's visionary and often chaotic approach contrasts sharply with Winters's insistence on precision and restraint illuminating their divergent poetic philosophies Despite their differences both men were deeply committed to their craft pushing the boundaries of American poetry in their own ways Crane's vivid risk taking style often verged on collapse but offered moments of breathtaking brilliance while Winters's disciplined ethical poetry exuded intellectual rigor and formal mastery By juxtaposing their lives letters and works the book not only enriches our understanding of these two remarkable poets but also sheds light on the complex interplay of personality ideology and artistry that shapes poetic expression This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1978     *The Day I Went Missing* Jennifer Miller,2002-04-17 It's happened to all of us at one time falling victim to someone who says the words we want to hear It usually ends with a wounded heart or lost love But in one woman's case it took a deadly turn Jennifer Miller an Emmy nominated TV writer was a highly functioning member of the Hollywood scene who had everything going for her great contacts great work and the promise of an even greater future But what Jennifer did not have was a happy life or even the ability to understand what happy meant A single woman who did not know what it was like to have a love relationship she was haunted by a deepening despair She toyed with therapy but Jennifer the daughter of a shrink was convinced that she was beyond help Then she met Dr David Cohen and discovered something worse than depression Believing she had finally found someone to trust completely Jennifer allowed herself to get sucked into Dr Cohen's world What followed is a chilling tale of fraudulent therapy that is enthralling and horrifying from its skillful beginning to its shocking conclusion     **Harry's Legacy** Paul Krell,2001-12-03 While cross country skiing in the mountains of Montana Tom Harris and Heather Scott come upon the century old ruins of the Ohio Queen Mine Their curiosity leads them on a quest for the true story of the mine and the partners who owned it They discover that In the 1880's two miners one from Ohio the other from New Zealand worked this productive mining claim in Montana Territory The New Zealander who had secretly married the daughter of one of the town fathers was forced to drop out of sight when his father in law became enraged over his daughter's pregnancy The Ohio partner was accused of murdering his partner the missing New Zealander He was forced to flee from a posse bent on immediate justice The enraged town father discovered a rich cache of gold which had been hidden by the partners before they fled He secretly took the gold and claimed that he had mined it himself This story of the Ohio Queen Mine remained hidden for over a hundred years until Tom and Heather uncover the true story of the

disappearance of the two owners of the Ohio Queen and set about to help make restitution for the injustice done to the original partners In the course of this effort Scott and Heather become deeply committed to each other while a love begins to grow between them The unraveling of this story takes the reader from present day western Montana to the gold rush in Montana Territory in the 1880 s then to the gold seekers of the Klondike in the Yukon and from there to Arrowtown on the South Island of New Zealand      Clarice Harriet Maxwell,2011-05-06 Clarice is a country girl with an open heart looking forward to life in the big city with no idea of the hard knocks that await her but she learns to deal with them all in her way a secret way When she meets Terry the love of her life everything falls into place but the predictions of Odessa a Fortune teller lurk in the back of her mind What did she mean by saying There is someone else in the shadows He moves in and out of the distance in a strange way The words haunt Clarice and in end their meaning becomes unnervingly clear      **Sleeper Agent** Ib Melchior,2014-07-01 Is another Hitler rising to power Tom Jaeger s war with the Nazis began the day World War II ended During those last days in the bunker Hitler and Bormann created a plan that would perpetuate the cause of Nazism long after they were dead A small band of highly trained agents were to be planted all over the world someday to come together and bring final glory to the Fatherland Rudolph Kessler was one of those sleeper agents He was letter perfect in English incredibly smart and highly resourceful All he had to do was get through the enemy lines once the war was over make his way to the United States and then prepare incognito for the precise moment when the worldwide Fascist movement would once again rear its ugly head And only one man stood in his way Tom Jaeger Only Tom understood the lethal far ranging depths of this daring plan And he couldn t get anyone to listen except for one woman      Leadership and Self-Deception The Arbinger Institute,2010-01-11 NEW EDITION REVISED AND UPDATED Since its original publication in 2000 Leadership and Self Deception has become a word of mouth phenomenon Its sales continue to increase year after year and the book s popularity has gone global with editions now available in over twenty languages Through a story everyone can relate to about a man facing challenges on the job and in his family the authors expose the fascinating ways that we can blind ourselves to our true motivations and unwittingly sabotage the effectiveness of our own efforts to achieve success and increase happiness This new edition has been revised throughout to make the story even more compelling And drawing on the extensive correspondence the authors have received over the years they have added a section that outlines the many ways that readers have been using Leadership and Self Deception to improve their lives and workplaces areas such as team building conflict resolution and personal growth and development to name a few Read this extraordinary book and discover what millions already have learned how to consistently tap into an innate ability that dramatically improves both your results and your relationships      *Metropolitan : a Monthly Journal of Literature, Science and the Fine Arts* ,1833      **The Metropolitan Magazine** ,1833      A Stolen California Donald Sinclair,2015-03-25 When Vern Hurley and his wife Bliss traveled to Detroit for a wedding they visit their friend Tom Kemp a sometime newspaper reporter who is writing fiction and who just returned
