## **Territorial Spirits Insights Into Strategic Level Spiritual Warfare And Intercession:**

SPIRITUAL WARFARE: A Struggle for Truth Russell Sharrock, 2007-03-01 Much in the Church is being touted as biblical spiritual warfare even to changing it from being spiritual to be geographical This book critic's spiritual warfare teaching comparing it to the Bible and offers a biblically reasoned discussion on spiritual warfare *Territorial Spirits* C. Peter Wagner, 2012-02-21 The Battle Is Ours Our struggle is not against flesh and blood but against the rulers against the authorities against the powers of this dark world Eph 6 12 NIV For generations when Christians have engaged in spiritual warfare most of the time they have focused on Satan as the main opponent However C Peter Wagner has gathered together a number of ministers who teach from personal experience that the principalities and powers are more than just Satan there is an entire hierarchy of demons in this world Often missionaries and ministers are finding that they have far more success in an area when they first go to war in the spirit and in prayer against the evil power that rules a certain region C Peter Wagner has compiled this book of many voices speaking from Scripture and personal experience teaching the reality of territorial spirits and the necessity of waging targeted powerful warfare against them in order to reach the souls these evil powers have held captive for too long You will learn There is an entire hierarchy of demons in this world many with specific geographic territories Once a territorial spirit's power is broken ministry in that area can be far more effective How to go to war against evil spirits to break their power over the people of a region Christians must take to heart what the Bible teaches about spiritual warfare Arm yourself with this book **50 Things You Need to Know About Satan and Demons**, 2014-10-28 Answers to the Most Asked Questions About Satan and Demons A lot has been said about Satan and demons in music and movies on the Internet and TV but it can be difficult to figure out what's true and what's folklore Professor Mark Muska uses the Bible to answer the most asked questions about Satan and demons including Who is Satan Does Satan really have horns hoofs and a tail Can Satan read our thoughts What is demon possession Can anything protect us from demonic attacks You'll discover exactly what God's Word says as well as what it doesn't say about these mysterious beings The Spiritual Soul Matthew J. Churchouse, 2024-04-30 What is the human soul What does it do How does it relate to the brain and body What is happening in the soul when a person encounters the Holy Spirit These are some of the questions addressed in *The Spiritual Soul* as it advances towards its overall goal of proposing a re-newed Pentecostal Charismatic understanding of what constitutes a human being In pursuing this overarching intention Churchouse responds to the anthropology of two leading Pentecostal scholars Amos Yong and Veli-Matti Karkkainen specifically their theological models concerning what a human is constituted essentially made up of to offer an enhanced Pentecostal model in preference to their monistic view Drawing upon the sources of biblical studies the philosophy of mind and upon the pneumatology that flows from Pentecostal spirituality Churchouse advances a renewed understanding of the human soul one illumined by the spirit and the Spirit to engender his distinctive Pentecostal model of human constitution *Territorial Spirits* C. Peter Wagner, 1991 Are evil spirits assigned to

geographical areas The theme of territorial assignment in the demonic kingdom is one rarely touched upon by theologians making this book unique in the study of spiritual warfare The book has been edited by C Peter Wagner one of the most highly respected of all teachers in this area and contains contributions from many key church leaders None of the contributors lay claim to being the final authority on the topics covered but offer their theories and insights regarding spiritual warfare for the reader's consideration As well as discussing the theoretical principles involved the book also records the experiences and discoveries made by practitioners of strategic spiritual warfare
