Territory And Administration In Europe

Gábor Lux, Gyula Horváth

Territory And Administration In Europe:

Territory and Administration in Europe Robert John Bennett, 1989 This book provides a comparative perspective on the function and nature of local and regional governments in eastern and western Europe It offers an overview of the structure development responsibilities and pressures for reform that affect European local administrations **Local Power,**

Territory and Institutions in European Metropolitan Regions Bernard Jouve, Christian Lefevre, 2013-10-11 A comparative analysis of eight different urban areas Bologna Bordeaux Geneve Lausanne Lyons Manchester Rotterdam Stuttgart and Torino examining key urban issues that are high on the policy agenda of every national government

European Regions, 1870 - 2020 Jordi Martí-Henneberg, 2021-08-20 This volume explains the national and regional border modifications that took place in Europe from 1870 to 2020 It provides insights that allow us to understand boundary changes for several different levels of territorial organization The text describes the state formation process related to the regional administrative structures in each European country and offers insight into the degree of centralization historically by describing the extent of legislative autonomy at different administrative levels and the competences reserved for each of them The book sheds light on the complex regional organization of Europe and the difficulties its reform has faced The main audience will be academics and PhD Masters students working in a variety of geography fields and the maps included in each chapter will also be of interest to a broader audience including undergraduate and secondary school students wishing to better understand the political history of Europe **The Party Politics of Territorial Reforms in Europe** Emanuele

Masseti, Simon Toubeau, 2020-07-24 The book analyses how political parties compete and strategise on the issue of territorial reform using case studies that include countries from both Western Belgium Germany Italy and Spain and Central Eastern Europe Poland Slovakia and Romania Each case study considers different drivers of decentralization such as territorial identities and the demands of regionalist parties for territorial autonomy or independence efficiency concerns related to issues of uneven economic development and economic competitiveness the pressure from supra national organizations especially the EU as well as different combinations of these drivers They also consider how the ideology and organisation of state wide parties and the institutional context in which they compete shape their responses to these drivers and their strategy towards the question of territorial reform This collection investigates the logic of the actions that guide political parties strategy to highlight trends that are apparent across the case studies This book was originally published as a special issue of West European Politics [Territorial Governance across Europe](#) Peter Schmitt, Lisa Van Well, 2015-12-22

This book provides a comprehensive framework for analysing comparing and promoting territorial governance in policy relevant research It reveals in depth considerations of the emergence state of the art and evolution of the concept of territorial governance A unique series of ten case studies across Europe from neighbourhood planning in North Shields in the North East of England to climate change adaptation in the Baltic Sea Region provides far reaching insights into a number of

key elements of territorial governance The book draws generalised empirically based conclusions and discusses modes of transferability of good practices A number of suggestions are presented as to how the main findings from this book can inform theories of territorial governance and spatial policy and planning Territorial Governance across Europe will be of considerable interest to scholars around the world who are concerned with European studies regional policy urban and regional planning and human and political geography It provides a solid debate on discourses theories concepts and methods around the notion of territorial governance as well as a number of empirical findings from various contexts across Europe It specifically targets scholars involved in policy relevant research

The Max Planck Handbooks in European Public Law: Volume I: The Administrative State Sabino Cassese, Armin von Bogdandy, Peter Huber, 2017-07-24 The Max Planck Handbooks in European Public Law series describes and analyses the public law of the European legal space an area that encompasses not only the law of the European Union but also the European Convention on Human Rights and importantly the domestic public laws of European states Recognizing that the ongoing vertical and horizontal processes of European integration make legal comparison the task of our time for both scholars and practitioners it aims to foster the development of a specifically European legal pluralism and to contribute to the legitimacy and efficiency of European public law The first volume of the series begins this enterprise with an appraisal of the evolution of the state and its administration with cross cutting contributions and also specific country reports While the former include among others treatises on historical antecedents of the concept of European public law the development of the administrative state as such the relationship between constitutional and administrative law and legal conceptions of statehood the latter focus on states and legal orders as diverse as e g Spain and Hungary or Great Britain and Greece With this the book provides access to the systematic foundations pivotal historic moments and legal thought of states bound together not only by a common history but also by deep and entrenched normative ties for the quality of the *ius publicum europaeum* can be no better than the common understanding European scholars and practitioners have of the law of other states An understanding thus improved will enable them to operate with the shared skills knowledge and values that can bring to fruition the different processes of European integration

EU Administrative Governance Herwig C.H. Hofmann, Alexander H. Türk, 2006-01-01 This book is a unique contribution to the understanding of the reality of government and governance in the European Union

The European Territory Jacques Robert, 2014-05-09 Originally published in French as *Le territoire européen des racines aux enjeux globaux* this book reflects the enormous changes that Europe has seen in the past half century In a period of immense upheaval the continent has experienced increased integration largely through the development of the European Union heightened urbanization and a changing rural landscape while economic and commercial activities have impressed their stamp on the whole scene In this book Jacques Robert deploys the experience amassed throughout his 35 years experience as adviser to European institutions in the field of territorial and regional development The chapter on cities explains the

emergence of the European urban hierarchy and the driving forces and inertia behind its evolution while a following chapter looks at the changing role of rural areas This material provides a historic overview of relevant policies and a discussion of future challenges The third chapter discusses evolving paradigms of regional economic development and their impact on European regions Next there is a chapter on the historical roots and current processes within territorial integration The book concludes with an examination of Europe's place in the world at large focussing particularly on globalization effects climate change and new energy paradigms which will present real challenges for decades to come The book is unique in its combination of in depth analysis of the evolution of European territorial policies and paradigms but also in its geographically comprehensive approach integrating the experience of both Western and Eastern Europe It will be of interest to academics and professionals within territorial development and spatial planning

The Palgrave Handbook of Decentralisation in Europe José Manuel Ruano, Marius Profireoiu, 2016-11-29 This handbook provides an authoritative study of European decentralisation taking into account from a territorial perspective the different political and administrative traditions in Europe Continental Anglo Saxon and Ex communist States and the cleavages North South and East West While in recent decades most European countries have implemented devolution policies trying to tackle different political social or bureaucratic problems some others have instead regionalised their territory applied federal or pseudo federal reforms and strengthened the role of subnational governments This volume analyses decentralisation in these countries using different variables including history territorial organisation civil service and financing and reveals how this phenomenon leads to complex intergovernmental linkages The evolution of territorial decentralisation the political tensions between centre and periphery the autonomy of the subnational governments and their functions and competences the tools of co ordination and co operation and the features and role of civil service are the main issues studied here with an interdisciplinary approach

Impacts of European Territorial Policies in the Baltic States Garri Raagmaa, Dominic Stead, 2017-10-02 Urban and regional development in the Baltic States and other Central and Eastern European countries has experienced rapid changes since their re independence at the beginning of the 1990s Meanwhile urban and regional planning institutions and organizational cultures in the Baltic States have only changed rather incrementally despite various national and European pressures for reform As a consequence the effects of European cohesion and structural policy measures have been quite modest and the ability of the planning systems in the Baltic states to manage contemporary trends in urban and regional development has become increasingly limited This book focuses on these issues and tensions of spatial planning and development in the Baltic States and their distinctiveness compared to other European countries It provides an overview of the historical and cultural context of spatial development a discussion of the processes of Europeanization of spatial planning in the specific context of the Baltic States and an analysis of whether these processes may be leading to policy convergence in the region This book was published as a special issue of European Planning Studies

The European Administrative

Elite John Alexander Armstrong, 2015-03-08 Although there have been other studies of elite administrators in France Great Britain Germany and Russia John Armstrong has made the first systematic comparison of their roles especially their inclination to participate in economic development Drawing on role theory and theories of socialization and recruitment he analyzes the influences that family secondary school specialized university instruction and in service experiences have had on administrators Currents of ideas class concepts of appropriate role behavior and organizational peculiarities are also examined as possible influences By exploring this subject over a long period in some cases reaching as far back as the seventeenth century this book shows how changing definitions of administrators roles reflect their position in society and permit the exploration of changing socialization processes The long time span also shows how factors such as administrative intervention can change from being marginally important to crucial in affecting economic growth From the diverse European experience the author distills five factors which he hypothesizes have exerted a constant positive influence on administrative intervention in economic development and suggests how these factors might be applied in analysis of other societies He also provides a wealth of statistical data and an extensive bibliography Originally published in 1973 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Developing Geographic Information Infrastructures Bastiaan Loenen, 2006 Within information societies information availability is a key issue affecting society's well being A geographic information infrastructure GII is the underlying foundation of such a society with regards to geographic information Access to government information policies are important for the availability and successful use of the information and the success of the GII itself Yet there have been only a few investigations into access policy oriented towards GII developments This book adds this perspective Through the creation of a GII maturity matrix describing the development in GIIs it presents new insights in the role access policies may play in the development of GIIs The book provides policy makers with strategy guidelines for GII development as well as information about which access policy would best promote the use of geographic information This should result in a GII that is able to perform its appropriate infrastructure function in an information society

Management of European Capital Cities Congress of Local and Regional Authorities of Europe, Council of Europe, 2003-01-01 This publication contains the proceedings of a conference organised by the Congress of Local and Regional Authorities of Europe CLRAE in Ukraine in October 2002 the second in a series aimed at analysing the relationship of capital cities with other levels of authority particularly respective national governments

Reforming Local Government in Europe Norbert Kersting, Angelika Vetter, 2013-06-29 Nearly all Western and Central European local government systems have been reformed since the 1990s

Taking into account variations in historical and national context the book looks for different ways of local government reform their emphases and their divergent trajectories *Structural Change in the Farming Sectors in Central and Eastern Europe* Csaba Csáki,Zvi Lerman,2000-01-01 Farm structures in Central and Eastern Europe CEE today cover a whole spectrum of forms which include small subsistence oriented household plots medium sized commercial family farms and large corporations The agricultural sector in CEE definitely has not embraced the family farm as the dominant farming structure thus confounding the original expectations of Western experts On the other hand agriculture did not collapse because of fragmentation and privatization as predicted by conservative doomsayers To address the concerns of the farming sector in CEE with relation to EU accession a workshop was held in Warsaw Poland in June 1999 This volume represents a selection of papers presented at this workshop It examines the reforms and policy changes necessary in the food and agriculture sectors of the ten countries that have started the accession process for eventual membership in the European Union Bulgaria Czech Republic Estonia Hungary Latvia Lithuania Poland Romania Slovakia and Slovenia The papers are organized around the following three topics Evolving farm structures and competitiveness in agriculture Land laws and legal institutions for development of land markets and farm restructuring and Development of farm services for improved competitiveness This volume will be of interest to agricultural policy makers and government officials in the candidate countries EU officials World Bank and FAO staff development scholars and all others interested in the process of agricultural reform in CEE **Region, State and Identity in Central and Eastern Europe** Judy Batt,Kataryna Wolczuk,2013-01-11 The papers that comprise this collection examine the role of competing European national ethnic and regional identities over the introduction of new regional levels of government in the former Soviet and now Central and Eastern European states **Regional Policy and Planning in Europe** Paul Balchin,Ludek Sykora,Gregory Bull,2002-06-01 Regional Policy and Planning in Europe explores the ways regional policy and planning systems across Europe have been influenced by economic and monetary union the impending enlargement of the European Union the devolution of administrative power from central government to regional authorities the increased importance of environmental and urban issues Presenting a comprehensive overview of the economic basis of integration this book examines the evolution of various systems of government planning and forms of devolution *The SAGE Handbook of Public Administration* B Guy Peters,Jon Pierre,2012-08-16 The original Handbook of Public Administration was a landmark publication the first to provide a comprehensive and authoritative survey of the discipline The eagerly awaited new edition of this seminal international handbook continues to provide a complete review and guide to past and present knowledge in this essential field of inquiry Assembling an outstanding team of scholars from around the world the second edition explores the current state of the art in academic thinking and the current structures and processes for the administration of public policy The second edition has been fully revised and updated with new chapters that reflect emerging issues and changes within the public sector Identifying the Antecedents in Public Performance

Bureaucratic Politics Strategy Structure and Policy Dynamics Comparative Administrative Reform Administrative Ethics Accountability through Market and Social Instruments Federalism and intergovernmental coordination A dominant theme throughout the handbook is a critical reflection on the utility of scholarly theory and the extent to which government practices inform the development of this theory To this end it serves as an essential guide for both the practice of public administration today and its on going development as an academic discipline The SAGE Handbook of Public Administration remains indispensable to the teaching study and practice of public administration for students academics and professionals everywhere

The Routledge Handbook to Regional Development in Central and Eastern Europe Gábor Lux, Gyula Horváth, 2017-07-06 Twenty five years into transformation Central and Eastern European regions have undergone substantial socio economic restructuring integrating into European and global networks and producing new patterns of regional differentiation and development Yet post socialist modernisation has not been without its contradictions manifesting in increasing social and territorial inequalities Recent studies also suggest there are apparent limits to post socialist growth models accompanying a new set of challenges within an increasingly uncertain world Aiming to deliver a new synthesis of regional development issues at the crossroads between post socialism and post transition this book identifies the main driving forces of spatial restructuring in Central and Eastern Europe and charts the different regional development paths which take shape against the backdrop of post crisis Europe A comparative approach is used to highlight common development challenges and the underlying patterns of socio economic differentiation alike The issues investigated within the Handbook extend to a discussion of the varied economic consequences of transition the social structures and institutional systems which underpin development processes and the broadly understood sustainability of Central and Eastern Europe s current development model This book will be of interest to academics and policymakers working in the fields of regional studies economic geography development studies and policy

Europeanization and Regionalization in the EU's Enlargement to Central and Eastern Europe J. Hughes, G. Sasse, 2004-10-12 This book is a study of EU conditionality and compliance during the enlargement to the Central and Eastern European candidate countries EU conditionality for membership is widely understood as having been a driving force for Europeanization providing incentives and sanctions for compliance or non compliance with EU norms such as the Copenhagen Criteria and the adoption of the *acquis communautaire* By taking regional policy and regionalization as a case study this book provides a comparative analysis of the effects of conditionality on the Central and East European countries and explores the many paradoxes and weaknesses in the use of EU conditionality over time

Territory And Administration In Europe Introduction

In today's digital age, the availability of Territory And Administration In Europe books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Territory And Administration In Europe books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Territory And Administration In Europe books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Territory And Administration In Europe versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Territory And Administration In Europe books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Territory And Administration In Europe books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Territory And Administration In Europe books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare,

which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Territory And Administration In Europe books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Territory And Administration In Europe books and manuals for download and embark on your journey of knowledge?

FAQs About Territory And Administration In Europe Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Territory And Administration In Europe is one of the best book in our library for free trial. We provide copy of Territory And Administration In Europe in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Territory And Administration In Europe. Where to download Territory And Administration In Europe online for free? Are you looking for Territory And Administration In Europe PDF? This is definitely going to save you time and cash in something you should think about.
