Terrorism Yonah Alexander, Seymour Maxwell Finger, 1977 *Terrorism* Burr Eichelman, David A. Soskis, 1983

Terrorism in Perspective Sue Mahan, Pamala L. Griset, 2012-11-21 The Third Edition of *Terrorism in Perspective* like its two successful predecessors takes a broad based approach that emphasizes the historical cultural political religious social and economic factors that underlie an understanding of both global and domestic terrorism This unique text reader combines original essays with the best of the existing literature on terrorism Each chapter of this text begins with an overview essay written by the authors followed by two relevant and engaging articles culled from a wide variety of popular academic and governmental sources This is the only major terrorism text to incorporate readings from top terrorism experts into a traditional textbook format allowing readers to deepen their understanding of each aspect of terrorism The Routledge Handbook of Terrorism Research Alex Schmid, 2011-02-25 This major new Handbook synthesises more than two decades of scholarly research and provides a comprehensive overview of the field of terrorism studies The content of the Handbook is based on the responses to a questionnaire by nearly 100 experts from more than 20 countries as well as the specific expertise and experience of the volume editor and the various contributors Together they guide the reader through the voluminous literature on terrorism and propose a new consensus definition of terrorism based on an extensive review of existing conceptualisations The work also features a large collection of typologies and surveys a wide range of theories of terrorism Additional chapters survey terrorist databases and provide a guide to available resources on terrorism in libraries and on the Internet It also includes the most comprehensive World Directory of Extremist Terrorist and other Organizations associated with Guerrilla Warfare Political Violence Protest and Organized and Cyber Crime The Routledge Handbook of Terrorism Research will be an essential work of reference for students and researchers of terrorism and political violence security studies criminology political science and international relations and of great interest to policymakers and professionals in the field of counter terrorism *Amendola V. Schlieve* ,1983 *An International History of Terrorism* Jussi M. Hanhimäki, Bernhard Blumenau, 2013-01-17 The aim of this book is to provide readers with the tools to understand the historical evolution of terrorism and counterterrorism over the past 150 years In order to appreciate the contemporary challenges posed by terrorism it is necessary to look at its evolution at the different phases it has gone through and the transformations it has experienced The same applies to the solutions that states have come up with to combat terrorism the nature of terrorism changes but still it is possible to learn from past experiences even though they are not directly applicable to the present This book provides a fresh look at the history of terrorism by providing in depth analysis of several important terrorist crises and the reactions to them in the West and beyond The general framework is laid out in four parts terrorism prior to the Cold War the Western experience with terrorism non Western experiences with terrorism and contemporary terrorism and anti terrorism The issues covered offer a broad range of historical and current themes many of which have

been neglected in existing scholarship it also features a chapter on the waves phenomenon of terrorism against its international background This book will be of much interest to students of terrorism studies political violence international history security studies and IR
