Testimony of Light Helen Greaves, 1969 **Testimony of Light** Frances Banks, Helen Greaves, 1969 The Gospel of John and the Sociology of Light Norman R. Petersen, 2008-12-09 This provocative study of the language of the Fourth Gospel pursues the complicated but intriguing thesis that the Gospel s language is a blend of everyday ordinary language and a special language suitable to the Johannine community This special language transforms the ordinary language in a way that makes it into an anti language The oppositional character of the language then functioned socially to distinguish the Johannine believers from their opponents By addressing the perplexing issue of the language of the Fourth Gospel in a way that has not yet been done Professor Petersen has made his work essential for specialists in New Testament and especially in Johannine studies The work deals with the literary historical and sociological features of the Fourth Gospel Its use of diverse methodologies is one of the book s extraordinary values reflecting the current need for interdisciplinary efforts in Johannine studies
