The Man Who Built the Dallas Cowboys

## **Bob St. John**

"Tex Schramm gave me my first NFL job...and my latest NFL headache. Tex is one of the most competitive and innovative people in sports; he is also one of the most irascible, opinionated and successful individuals I've ever met. The entire Schramm package is here...in 'Tex! The Man Who Built the Dallas Cowboys!'"

**Pete Rozelle**, *Commissioner, National Football League*

"Few people realize the impact Tex has had on the development of the NFL to its present day status, and on the Cowboys in their development as one of the top organizations in all of sports. Tex tells it like it is...and this book gives the reader an opportunity to find out more about this remarkable man. The hall of fame for 'Tex!'"

**Don Shula**, *Head Coach & Vice President  
Miami Dolphins*

"A remarkably informative, probing, anecdotically-piercing work about one of the major architects of professional football. Bob St. John handles the relevant and the esoteric with equal grace."

**Gary Cartwright**, *Senior Editor, Texas Monthly*

"Throughout my years of playing for the Dallas Cowboys, I was always fascinated by the team's world-wide popularity. Tex Schramm has used his creative ability to combine sports and entertainment to build a successful team franchise and *Tex! The Man Who Built the Dallas Cowboys* gives us a colorful insight into his methods."

**Roger Staubach**, *President, The Staubach Company*

**TEX!** Bob St. John, 1988      **The Last Cowboy** Mark Ribowsky, 2013-10-29 An eloquent honest tribute to a sports genius Publishers Weekly Best 100 Books of 2013 As the coach during professional football's most storied era Tom Landry transformed the gridiron from a no holds barred battlefield to the highly technical chess match it is today With his trademark fedora and stoic facade he was a man of faith and few words for twenty nine years guiding America's Team from laughingstock to well oiled machine with an unprecedented twenty consecutive winning seasons and two Super Bowl titles Now more than a decade after Landry's death acclaimed biographer Mark Ribowsky takes a fresh look at this misunderstood legend telling us as much about our country's obsession with football as about Landry himself the likes of whom we'll never see again      **America's Game** Michael MacCambridge, 2008-11-26 It's difficult to imagine today when the Super Bowl has virtually become a national holiday and the National Football League is the country's dominant sports entity but pro football was once a ramshackle afterthought on the margins of the American sports landscape In the span of a single generation in postwar America the game charted an extraordinary rise in popularity becoming a smartly managed keenly marketed sports entertainment colossus whose action is ideally suited to television and whose sensibilities perfectly fit the modern age America's Game traces pro football's grand transformation from the World War II years when the NFL was fighting for its very existence to the turbulent 1980s and 1990s when labor disputes and off field scandals shook the game to its core and up to the sport's present day preeminence A thoroughly entertaining account of the entire universe of professional football from locker room to boardroom from playing field to press box this is an essential book for any fan of America's favorite sport

Ling Stanley H. Brown, 1999 What was most remarkable about Jim Ling among the great players of corporate games is that he invented his own And it worked for a while In fact he convinced some of the smartest people on Wall Street that he had a foolproof way It has been more that 25 years since Ling strode the scene as creator and CEO of Ling Temco Vought once the 14th largest corporation on Fortune s 500 list When the financial magic he used wore off he was ousted from the helm They even changed the name to plain LTV to get his name off the facade that wound up as a bankrupt steelmaker Without any education beyond high school in Oklahoma and electrician s training in the Navy during World War II Ling discovered a way to create free money for a while He called his series of acquisitions and spin offs Project Redeployment which made it sound like something grander than it proved to be But while it worked it was dazzling even compared with Michael Milken s rediscovery of undervalued high yield junk bonds Unlike Milken a convicted felon Ling was a man of integrity whose worst trouble with the law involved a minor regulatory matter He believed in himself and his venture so thoroughly and wrongheadedly that he kept all his own and his children s money in his company s stock and was wiped out The trouble with financial games is that they are easier to play than focusing on sound management and products and they are surely more fun to watch
