THE STORMCHASER Rita Clay Estrada,2011-07-15 REBELS ROGUES Cane Mitchell born in the eye of a raging Texas storm he s been raising Cain ever since His job his passion is to go where the danger is fires floods tornadoes tidal waves He s there And then little bitty vulnerable Bernadette Conrad comes into his life and he wants to run like hell After the earthquake her home in ruins Bernadette turns to the man who s come to help put her life right side up But once again and too late she discovers that there are some things over which you have no control And that his given name is Hurricane

The Lost War for Texas James Aalan Bernsen,2024-07-08 One of the most important themes in US history is the series of struggles that transformed the Southwest from a Spanish to an American possession the Texas Revolution of 1836 and the Mexican American War of 1845 But what if historians have been overlooking a key event that led to these wars another war almost entirely unknown that took place on what is now US soil and dramatically shaped the development of the American Southwest to this day The true story of this war presented in *The Lost War for Texas* Mexican Rebels American Burrites and the Texas Revolution of 1811 is only now being revealed by never before published research which will challenge paradigms and reshape much of what we know about United States Texas and even Mexican history In the early 1800s the impact of the Napoleonic Wars rippled across the Atlantic Within weeks of the United States s declaration of war on England in 1812 hundreds of western militia forces rallied to a flag and marched boldly to war but not for the United States They instead invaded the province of Texas to make common cause with Mexican rebels who had launched their struggle against the Spanish monarchy the year before The resulting war changed the Southwest forever Author James Aalan Bernsen places a spotlight on division and separatism at this pivotal moment of the second revolution of the United States *The Lost War for Texas* by revealing the forgotten war of 1811 1812 will profoundly change how we understand the birth of the American Southwest

Rogue Soldiers Ken Lizzio,2022-03-01 Among the greatest of tragedies of the American frontier the Donner Party the Alamo Wounded Knee a little known but no less tragic event was the Texas Mier Expedition Originally part of a 1 200 man invasion to retaliate against Mexican incursions on Texas soil in 1842 the Expedition unfolded when several hundred fighters stubbornly defied President Sam Houston s orders to disband and return home at once Fiercely independent and recently reorganized under new leadership this motley mix of Texas volunteers and militia turned south and proceeded to invade Mexico determined to avenge past humiliations at the hands of Mexican dictator Antonio L pez de Santa Anna Once in Mexico they engaged the enemy in a dramatic day long battle when they were suddenly tricked into surrendering and marched 1 300 miles to Perote prison It was a march of attrition during which many Texans were executed or died from exposure disease or starvation Once in Perote they were forced to sleep on stone floors in chains and put to

hard labor Of the original three hundred and eight members of the rogue expedition who survived only half left the prison alive After two years in captivity the prisoners were finally released only to be ignored and forgotten by their own countrymen upon their return home Drawing from over a dozen first hand accounts author Ken Lizzie extracts this exciting narrative recounting the pathos of these fighting men from the blood soaked Battlefields of Mier and the subsequent surrender to their harrowing 1 300 mile forced march to Perote Prison **To Tempt A Texan** Georgina Gentry,2005-02-01

Temperance When Lacey Van Schuyler Durango and Blackie O Neal stake their claim for the same piece of Oklahoma land the battle lines are drawn On Lacey s side teetotaling abstinence and do gooding On Blackie s side betting boozing and bedding Versus The prim and proper Lacey is a newspaper woman on her own crusade to tame the West She plans to turn this nameless prairie town into a civilized piece of heaven Dark and handsome Blackie is a Texas gambler peddling his own brand of sin And he s just found the perfect spot for his new saloon and bordello if he can run Lacey out of town Temptation Neither the straitlaced crusader nor the charming cardsharp are above dirty tricks and double crosses to get what they want even if what they want turns out to be each other **To Tame a Rebel** Georgina Gentry,2004 Gentry presents two intertwined tales of Native American warriors on opposite sides of the Civil War who find their loyalties tested and their lives forever altered by rapturous love for two courageous women Original *Billboard* ,1995-10-14 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Lovers and Strangers** Candace Schuler,1995 Lovers And Strangers by Candace Schuler released on Jun 24 1995 is available now for purchase **Hell's Fury Unleashed** Francisco Nieto,2019-06-04 This is a fictional story of the end of civilization as we know it Hell s Fury Unleashed chronicles the story of five boys caught up in the struggle for survival as they elude catastrophic events Follow their struggle for survival in a world they once knew and felt safe and secure into an unknown world of devastation chaos havoc and confusion

Rogue Revolutionaries Vanessa Mongey,2020-09-25 In 1822 the Mary departed Philadelphia and sailed in the direction of the Spanish colony of Puerto Rico Like most vessels that navigated the Caribbean the Mary brought together men who had served under a dozen different flags over the years Unlike most crews those aboard the Mary were in a different line of commerce they exported revolution In addition to rifles and pistols the Mary transported a box filled with proclamations announcing the creation of the Republic of Boricua This imagined republic rested on one principle equal rights for all regardless of birthplace race or religion The leaders of the expedition had never set foot in Puerto Rico And they never would When we think of the Age of Revolutions George Washington Robespierre Toussaint Louverture or Sim n Bol var might come to mind But Rogue Revolutionaries recovers the interconnected stories of now forgotten foreigners of desperate fortune who dreamt of overthrowing colonial monarchy and creating their own countries They were not members of the political and

economic elite rather they were ship captains military veterans and enslaved soldiers As a history of ideas and geopolitics grounded in the narratives of extraordinary lives *Rogue Revolutionaries* shows how these men of different nationalities and ethnicities claimed revolution as a universal right and reimagined notions of sovereignty liberty and decolonization In the midst of wars and upheavals the question of who had the legitimacy to launch a revolution and to start a new country was open to debate Behind the growing power of nation states Mongey uncovers a lost world of radical cosmopolitanism grounded in the pursuit of material interests and personal prestige In demonstrating that these would be revolutionaries and their fleeting republics were critical to the creation of a new international order Mongey reminds us of the importance of attending to failures dead ends and the unpredictable nature of history

Belle Starr Michael Wallis, 2025-06-24 In this definitive biography of the most infamous female outlaw of the nineteenth century best selling historian Michael Wallis challenges a notorious legacy In the annals of legendary Wild West desperadoes Belle Starr is remembered to this day as the Bandit Queen Shortly after her murder in 1889 a highly romanticized sensational book titled *Bella Starr The Bandit Queen or the Female Jesse James* was published the first in a series of high profile portraits to brand Starr as a villain Now celebrated author Michael Wallis parses over a century of mythmaking to reveal the woman behind the renegade legend Wielding compelling research including correspondence official records and contemporary newspaper accounts Wallis traces Starr's beginnings to Carthage Missouri where she was born Myra Maibelle Shirley in 1848 and was classically educated to be a Southern belle Myra's early years were characterized by the chaotic violence of the Civil War she was traumatized by the death of her brother who was killed riding with bushwhackers one of the many insurgent guerilla groups supporting the Confederate Army From then on she swore revenge against all Yankees and became a willing friend to any brave and gallant outlaw The crimes committed by Starr's innermost circle stagecoach stickups bank robbery horse theft would take her from war torn Carthage to rollicking Scyene Texas until she finally settled in Indian Territory present Oklahoma And although Starr indeed ran in the same circles as notorious outlaws Jesse James and the Younger brothers the crimes ascribed to her were greatly embellished including the fact that the allegedly bloodthirsty Starr more than likely never killed a single person Turning a redemptive eye to Belle Starr's tarnished legacy Wallis crafts an illuminating portrait of a woman demonized for refusing to accept the genteel Victorian ideals expected of her a woman who chose instead to live her life outside the law riding sidesaddle with a pearl handled Colt 45 strapped to her hip
