Texas Is The Sesquicentennial Remembered:

Texas Is . . . (The Sesquicentennial Remembered) Mark Holbrook,1986-10 **Texas Library Journal** ,1986

The Dallas Myth Harvey J. Graff,2008 This work that proposes a novel interpretation of a city that has proudly declared its freedom from the past looks at elements that have shaped Dallas and served to limit democratic participation and exacerbate inequality Celebrating 100 Years of the Texas Folklore Society, 1909-2009 Kenneth L. Untiedt,2009 The Texas Folklore Society is one of the oldest and most prestigious organizations in the state Its secret for longevity lies in those things that make it unique such as its annual meeting that seems more like a social event or family reunion than a formal academic gathering This book examines the Society s members and their substantial contributions to the field of folklore over the last century Some articles focus on the research that was done in the past while others offer studies that continue today This book does more than present a history of the Texas Folklore Society it explains why the TFS has lasted so long and why it will continue Remembering the Forgotten War Michael Van Wagenen,2012 This book answers the deeper question of how remembrance of the U S Mexican War has shaped the complex relationship between these former enemies now turned friends The distant violence becomes a new lens through which to view today s rivalries and resentments Page 7 *Texas Highways* ,1986 **Catarino Garza's Revolution on the Texas-Mexico Border** Elliott Young,2004-07-26 Uses the Garza rebellion on the Texas Mexico border to analyze economic and social change in this region internationalizing U S history with its examination of a transborder area within the larger histories of Mexico and the United States Remembering Reconstruction Carole Emberton,Bruce E. Baker,2017-04-12 Academic studies of the Civil War and historical memory abound ensuring a deeper understanding of how the war s meaning has shifted over time and the implications of those changes for concepts of race citizenship and nationhood The Reconstruction era by contrast has yet to receive similar attention from scholars Remembering Reconstruction ably fills this void assembling a prestigious lineup of Reconstruction historians to examine the competing social and historical memories of this pivotal and violent period in American history Many consider the period from 1863 beginning with slave emancipation to 1877 when the last federal troops were withdrawn from South Carolina and Louisiana an unfinished revolution for civil rights racial identity formation and social reform Despite the cataclysmic aftermath of the war the memory of Reconstruction in American consciousness and its impact on the country s fraught history of identity race and reparation has been largely neglected The essays in Remembering Reconstruction advance and broaden our perceptions of the complex revisions in the nation s collective memory Notably the authors uncover the impetus behind the creation of black counter memories of Reconstruction and the narrative of the tragic era that dominated white memory of the period Furthermore by questioning how Americans have remembered Reconstruction and how those memories have shaped the nation s social and political history throughout the twentieth century this volume places memory at the heart of historical inquiry **Notes From Texas** W. C. Jameson,2013-05-31 From the Guadalupe

Mountains of the Chihuahuan Desert to the Hill Country to the Red River the vast geographic landscape of Texas has afforded the cultural depth and diversity to inspire its writers The richness of Texas folklore history and traditions has left an unmistakable mark on the art of the region Both native and transplant Texas writers alike have been keenly shaped by the distinctive aroma of fresh corn tortillas tales of Mescalero Apaches and Tejano and ranchera music Jameson has compiled an assorted collection of fourteen essays by some of the most prominent Texas writers through which he hopes to explore the following questions How did they accomplish their goals Why did they choose the writing life What influence did the history lore and culture of Texas play in their creative process While readily citing the decidedly Texas flavor in his own fiction Jameson seeks to uncover the inspirations in other writers from both the expansive and rugged Texas terrain as well as the varied people therein The fourteen writers who comprise Notes from Texas range from the captivating and often humorous essayist Larry L King to the beloved historical novelist Elmer Kelton Other contributors include James Ward Lee known for his expertise in Texas cuisine and culture and poet and songwriter Red Steagall This collection bestows each with a chance to express what they wished to share about their art and their life as a Texas writer

Battlefields of Memory Katy E. Magee, 1994 An East Texas Family's Civil War John T. Whatley, 2019-04-17 During six months in 1862 William Jefferson Whatley and his wife Nancy Falkaday Watkins Whatley exchanged a series of letters that vividly demonstrate the quickly changing roles of women whose husbands left home to fight in the Civil War When William Whatley enlisted with the Confederate Army in 1862 he left his young wife Nancy in charge of their cotton farm in East Texas near the village of Caledonia in Rusk County In letters to her husband Nancy describes in elaborate detail how she dealt with and felt about her new role which thrust her into an array of unfamiliar duties including dealing with increasingly unruly slaves overseeing the harvest of the cotton crop and negotiating business transactions with unscrupulous neighbors At the same time she carried on her traditional family duties and tended to their four young children during frequent epidemics of measles and diphtheria Stationed hundreds of miles away her husband could only offer her advice sympathy and shared frustration In An East Texas Family's Civil War the Whatleys great grandson John T Whatley transcribes and annotates these letters for the first time Notable for their descriptions of the unraveling of the local slave labor system and accounts of rural southern life Nancy's letters offer a rare window on the hardships faced by women on the home front taking on unprecedented responsibilities and filling unfamiliar roles

Heaven's Harsh Tableland Paul H. Carlson, 2023-12-14 The Llano Estacado dubbed by author Paul H Carlson as heaven's harsh tableland covers some 48 000 square miles of western Texas and eastern New Mexico In this new survey of the region the story begins during prehistoric times and with descendants of the Comanche Apache and other Native American tribal groups Other groups have also left their marks on the area Spanish explorers Comancheros and other traders European settlers farmers and ranchers artists and even athletes Carlson a veteran historian aims to review the Llano's historic contours from its earliest foundations to its energetic present and in doing so he skillfully narrates the story

of the region up to the present time of modern agribusiness and urbanization Throughout the ten chronologically arranged chapters concise sidebars support the narrative highlighting important and interesting topics such as the enigmatic origins of the region s name fascinating geological and paleontological facts the arrival of humans the natural history of bison colorful characters in the history of the region and many others The resulting broad synthesis captures the entirety of the Llano Estacado summarizing and interpreting its natural and human history in a single carefully researched and clearly written volume Heaven s Harsh Tableland A New History of the Llano Estacado will provide a helpful enjoyable and authoritative guide to the history and development of this important region **American Heritage Society's Americana** ,1985 A Shroud in the Family Lionel G. Garcia,1987 Lionel Garcia s second novel demythologizes the Texas past while creating an accurate although satirized portrayal of Mexican American life in the modern metropolis Garcia is the master of humor the incongruous tale and dialogue He is the winner of the PEN Southwest Award **Daughters of the American Revolution Magazine** Daughters of the American Revolution,1999 January and February 1925 volumes bound together as one *Belo* Judith Garrett Segura,2010-01-01 Founded in Galveston in 1842 with the launch of the Daily News the Belo Corporation entered the twenty first century as a powerhouse conglomerate owning four daily newspapers including the Dallas Morning News twenty six television and cable stations and over thirty interactive Web sites The first comprehensive work to bring to life this remarkable success story Belo blends biography with a history of corporate strategies Drawing on company archives and private papers of key figures including A H Belo and G B Dealey former company archivist Judith Garrett Segura brings to life important chapters in the cultural life of Texas from Galveston s days as the largest and most vibrant town in the Republic of Texas through the wars that followed statehood periods of economic hardship and the effects of sweeping social change Turning points in the company s history such as the sale of its Galveston paper when company revenues were dramatically affected by candid reporting of Ku Klux Klan activities in the 1920s highlight crucial elements of the press s role in the life of a community Segura also charts technological advances from the telegraph and the typographers union to the dawn of the Information Age Finally she includes the most complete portrait of the Dallas Times Herald Company to date documenting the rise and fall of Belo s chief rival This is a story of frontier survival and futuristic thinking marketing genius and historic reporting nurtured by a family of mavericks *Waco, Texas A Postcard Journey* Agnes Warren Barnes,1999-10-27 From the 1890s through the 1920s the postcard was an extraordinarily popular means of communication and many of the postcards produced during this golden age can today be considered works of art Postcard photographers traveled the length and breadth of the nation snapping photographs of busy street scenes documenting local landmarks and assembling crowds of local townspeople only too happy to pose for a picture These images printed as postcards and sold in general stores across the country survive as telling reminders of an important era in Americas history The Chameleon Effect Dietmar Froehlich,2018-04-09 Architecture and film have many things in common Film narratives are embedded in

scenes that visually support the story Sometimes architecture even performs the role of an actor Conversely film with its multifaceted changing atmospheres reveals new layers of architecture which outside the cinema would remain concealed In conclusion film as a mass medium influences the way architecture is perceived and its image in society Since the beginning of cinema architecture has formed a symbiosis with film With its systematic analysis this book offers a scientifically researched history of mutual influence starting with filmography as a typology of well known film sets through to the description of the chameleon effect between film and architecture **Texas Medicine** ,1986 **Texas Bar Journal** ,1986

Texas Is The Sesquicentennial Remembered Book Review: Unveiling the Power of Words
