**Arizona Agriculturist** ,1926 **Storm over Texas** Joel H. Silbey,2005-08-01 In the spring of 1844 a fiery political conflict erupted over the admission of Texas into the Union This hard fought and bitter controversy profoundly changed the course of American history Indeed as Joel Silbey argues in Storm Over Texas it marked the crucial moment when partisan differences were transformed into a North vs South antagonism and the momentum towards Civil War leaped into high gear Silbey one of America s most renowned political historians offers a swiftly paced and compelling narrative of the Texas imbroglio which included an exceptional cast of characters from John C Calhoun and John Quincy Adams to James K Polk and Martin Van Buren We see how a series of unexpected moves some planned some inadvertent sparked a crisis that intensified and crystallized the North South divide Sectionalism Silbey shows had often been intense but rarely widespread and generally well contained by other forces After Texas statehood it became a driving force in national affairs ultimately leading to Southern secession and Civil War With subtlety great care and much imagination Joel Silbey shows that this brief political struggle became in the words of an Alabama congressman the greatest

Davis,2019-12-13 East Texas Nan s Favorite 1 000 Quotes on Inspiration Wisdom Humor Texas More By Susan G Davis In 1995 Susan G Davis Nan is what Susan s 5 year old grandson called her 5 year old grandson Clint gave her a journal for Christmas He suggested why don t you put all of those quotes you re collecting in that old notebook in this journal So for 20 years Davis filled her journal When Clint came home on leave from the Air Force and asked her about the journal he was surprised that she had accumulated enough information to fill the entire journal It was he who suggested she put together her collection and create this book for everyone to enjoy Within the pages of East Texas Nan s Favorite 1 000 Quotes on Inspiration Wisdom Humor Texas More Davis hopes that anyone can walk away with something that will enrich their daily lives Whether it be a ray of optimism an answered question inspiration when they need to be uplifted or when they need their funny bone tickled or and animal anecdote to tug at their heart strings or some Texas tidbit This little book has something for everyone and can be read over and over      **Echoes of Texas Football** Triumph Books,2006-09 With the popularity of Texas football across the country at its height this account details the roots of the Longhorns glory their modern day triumphs and everything in between for the legions of Texas fans everywhere The book goes back in time to the early years of Texas football and traces its footsteps to becoming a powerhouse on the college football scene recounting the greatest moments in the team s lore and covering the intense rivalries with Oklahoma and Texas A M      *Turning Texas Blue* Mary Beth Rogers,2016-01-19 In the 2014 midterm election Democrats in Texas did not receive even 40 percent of the statewide vote Republicans swept the tables both in Texas and nationally But even after two decades of democratic losses there is a path to turn Texas blue argues Mary Beth Rogers if Democrats are smart enough to see and follow it Rogers is the last person to successfully campaign manage a Democrat Governor Ann Richards to the statehouse in Austin In a lively narrative Rogers tells the story of how Texas moved so far to the right in such a short time and how Democrats might be able to move it back to the center And argues Rogers that will mean a lot more of an effort than simply waiting for the state s demographics to shift even further towards Hispanics a risky proposition at best Rogers identifies a ten point path for Texas Democrats to win at the statewide level and to build a base vote that would allow Texas to become a swing vote player in national politics once again One part of that shift starts with local Democratic candidates in local Republican communities making the connection between controversial local issues or problems and the statewide Republican policies that ignore or create them For example in a 2014 election in Denton a Republican suburb voters approved Texas s first ban on hydraulic fracking The next day though a Republican Texas agency official announced that Texas would not honor the town s vote to ban No democratic candidate picked up the issue Change won t come easily argues Rogers But if Texas shifts to even a pale shade of purple it changes everything in American politics today      **Texas Rich** Fern Michaels,2013-03-01 First in the Texas series from the 1
