The Trials of Eroy Brown Michael Berryhill, 2011-10-15 Berryhill s account of this infamous 30 year old murder case Provides a jarring portrait of a once medieval state prison Publishers Weekly In April 1981 two white Texas prison officials died at the hands of a black inmate at the Ellis prison farm near Huntsville Warden Wallace Pack and farm manager Billy Moore were the highest ranking Texas prison officials ever to die in the line of duty The warden was drowned face down in a ditch The farm manager was shot once in the head with the warden s gun The man who admitted to killing them a burglar and robber named Eroy Brown surrendered meekly claiming self defense In any other era of Texas prison history Brown s fate would have seemed certain execution But in 1980 federal judge William Wayne Justice had issued a sweeping civil rights ruling in which he found that prison officials had systematically and often brutally violated the rights of Texas inmates In the light of that landmark prison

Tall Walls and High Fences Bob

Alexander, Richard K. Alvord, 2020-10-15 Texas has one of the world's largest prison systems in operation for more than 170 years and currently employing more than 28,000 people. Hundreds of thousands of people have been involved in the prison business in Texas: inmates, correctional officers, public officials, private industry representatives, and volunteers have all entered the secure facilities and experienced a different world. Previous books on Texas prisons have focused either on records and data of the prisons, personal memoirs by both inmates and correctional officers, or accounts of prison breaks. *Tall Walls and High Fences* is the first comprehensive history of Texas prisons written by a former law enforcement officer and an officer of the Texas prisons. Bob Alexander and Richard K. Alford chronicle the significant events and transformation of the Texas prison system from its earliest times to the present day, paying special attention to the human side of the story. Incarceration policy evolved from isolation to hard labor to rodeo and educational opportunities with reform measures becoming an ever-evolving quest. The complex job of the correctional officer has evolved as well; they must ensure custody and control over the inmate population at all times in order to provide a proper environment conducive to safety and positive change. Alexander and Alford focus especially on the men and women who work with diligence and dedication at their jobs inside the walls, risking their lives, and in too many instances giving their lives in a peculiar line of duty. Most would find unpalatable. Within these pages are stories of prison breaks, bloodhounds chasing escapees, and gunfights. Inside the walls are deadly confrontations, human trafficking, rape, clandestine consensual trysts, and tricks turned against correctional officers. Famous people and episodes in Texas prison history receive their due from Texas Rangers apprehending and placing outlaws in prison to the famed gunfighter John Wesley Hardin's time in and out of prison. *Tall Walls and High Fences* covers numerous convict escape attempts and successes, including the 1974 prison siege at Huntsville and the 2007 prisoner gunfight and escape at the Wynne Unit. Throughout this long history, Alexander and Alford pay special tribute to the more than 75 correctional officers, lawmen, and civilians who lost their lives in the line of duty. **Reading Southern Poverty**

Between the Wars, 1918-1939 Richard Godden, Martin Crawford, 2006 Franklin D. Roosevelt once described the South as the nation's number one economic problem. These twelve original interdisciplinary essays on southern indigence between the World Wars share a conviction that poverty is not just a dilemma of the marketplace but also a cultural and political construction. Although previous studies have examined the web of coercive social relations in which sharecroppers, wage laborers, and other poor southerners were held in place, this volume opens up a new perspective. These essays show that professed forces of change and modernization in the South—writers, photographers, activists, social scientists, and policymakers—often subtly upheld the structures by which southern labor was being exploited. Planters, politicians, and others who enforced the southern economic and social status quo not only relied on bigotry but also manipulated deeply held American beliefs about sturdy yeoman nobility and the sanctity of farm and family. Conversely, any threats to the system were tarred with the imagery of big cities, northerners, and organized labor. The essays expose vestiges of these beliefs in sources as varied as

photographs from the Farm Security Administration statistics for incarceration and child labor and the writings of Grace Lumpkin Ellen Glasgow and Erskine Caldwell This volume shows that those who work to eradicate poverty and even victims of poverty themselves can hesitate to cross the line of race gender memory or tradition in pursuit of their goal **Red Sky Morning** Joe Pappalardo,2022-06-28 The explosive and bloody true history of Texas Rangers Company F made up of hard men who risked their lives to bring justice to a lawless frontier Between 1886 and 1888 Sergeant James Brooks of Texas Ranger Company F was engaged in three fatal gunfights endured disfiguring bullet wounds engaged in countless manhunts was convicted of second degree murder and rattled Washington D C with a request for a pardon from the US president His story anchors the tale of Joe Pappalardo s Red Sky Morning an epic saga of lawmen and criminals set in Texas during the waning years of the Old West Alongside Brooks were the Rangers of Company F who ranged from a pious teetotaler to a cowboy fleeing retribution for killing a man They were all led by Captain William Scott who cut his teeth as a freelance undercover informant but was facing the end of his Ranger career Company F hunted criminals across Texas and beyond killing them as needed and were confident they could bring anyone to Ranger justice But Brooks men met their match in the Conner family East Texas master hunters and jailbreakers who were wanted for their part in a bloody family feud The full story of Company F s showdown with the Conner family is finally being told with long dead voices heard for the first time This truly hidden history paints the grim picture of neighbors and relatives becoming snitches and bounty hunters and a company of Texas Rangers who waded into the conflict only to find themselves in over their heads and in the fight of their lives **Texas, Being** Jenny Browne,2024-04-02 Texas Being A State of Poems collects more than forty five poems from a beautiful and brutal state Some are about the music of their languages Some speak to the dead some to the sun and others to omissions of history One concerns a hedgehog cactus and another a roller rink From Happy Texas to Palestine TX from seashores to skeletons to Selena all are in one way or another about Texas but good poems are always about more than one thing Selected by Jenny Browne 2017 poet laureate of Texas these poems draw a picture of one of America s vastly sublime yet most audaciously independent corners In these diverse voices the state is a lovely and painful contradiction of space and meaning Texas is a place where blind catfish cruise and wild asters grow It s a frame of mind where Jenny Bouilly writes the history is unending and Mexican American studies professor Christopher Carmona can feel the slowness of time Jorge Luis Borges wrote of it as an endless plain Where a man s cry dies a lonely death Victoria Chang writes that there is so much sky that even birds get lost Andrea Vocab Sanderson describes her hometown as a fiercely loving city tougher on the outside but smooth as pecan shells and Naomi Shihab Nye reminds us to be patient sure there s lots of bad around but more room for good too with all this empty Whether it is Joshua Edwards imagining his photographer father or Primo Feliciano Mar n s declaration Hail Texas fraught with charms unknown these voices past and present give us a glimpse into the poetic soul of the nation s most willful state Poets include Robert A Ayres Curtis Bauer Jan Beatty Layla Benitez James Jorge Luis Borges
