**A Handbook to Old Testament Exegesis** William P. Brown, 2017-03-17 Designed for both Hebrew and non Hebrew students A Handbook to Old Testament Exegesis offers a fresh hands on introduction to exegesis of the Old Testament William P Brown begins not with the biblical text itself but with the reader helping students to identify their own interpretive lenses before engaging the biblical text Brown guides the student through a wide variety of interpretive approaches including modern methodologies feminist womanist Latino a queer postcolonial disability and ecological approaches alongside more traditional methods This allows students to critically reflect on themselves as bona fide interpreters While covering a wide range of biblical passages Brown also highlights two common biblical texts throughout the work to help show how each interpretive approach highlights different dimensions of the same texts Students will appreciate the value of an empathetic inquiry of Scripture that is both inclusive of others and textually in depth

*The Text of the Hebrew Bible and Its Editions* Andrés Piquer Otero, Pablo A. Torijano Morales, 2016-11-01 In The Text of the Hebrew Bible and its Editions some of the top world scholars and editors of the Hebrew Bible and its versions present essays on the aims method and problems of editing the biblical text s taking as a reference the Complutensian Polyglot first modern edition of the Hebrew text and its versions and whose Fifth Centennial was celebrated in 2014 The main parts of the volume discuss

models of editions from the Renaissance and its forerunners to the Digital Age the challenges offered by the different textual traditions particular editorial problems of the individual books of the Bible and the role played by quotations It thus sets a landmark in the future of biblical editions

**Elements of Biblical Exegesis** Michael J. Gorman, 2020-11-03 World renowned scholar Michael Gorman presents a straightforward approach to the complex task of biblical exegesis This third edition of Gorman's widely used and trusted textbook over 60 000 copies sold has been thoroughly updated and revised to reflect developments in the academy and the classroom over the past decade The new edition explains recent developments in theological interpretation and explores missional and non Western readings of the biblical text Adaptable for students in various settings it includes clear explanations practical hints suggested exercises and sample papers

**Old Testament Exegesis, Fifth Edition** Douglas Stuart, 2022-03-15 For years Douglas Stuart's Old Testament Exegesis has been one of the most popular ways to learn how to perform exegesis the science and art of interpreting biblical texts properly for understanding as well as proclamation This new edition includes a major revision and expansion of online and other resources for doing biblical research and updates past editions by including a helpful configuration of the format for the exegesis process Stuart provides guidance for full exegesis as well as for a quicker approach specifically tailored to the task of preaching A glossary of terms explains the sometimes bewildering language of biblical scholarship and a list of frequent errors guides the student in avoiding common mistakes No exegetical guide for the Old Testament has been more widely used in training ministers and students to be faithful careful interpreters of Scripture

**Dictionary of the Old Testament: Wisdom, Poetry and Writings** TREMPER LONGMAN III, PETER ENNS, 2020-05-21 The Old Testament books of wisdom and poetry carry themselves differently from those of the Pentateuch the histories or the prophets The divine voice does not peal from Sinai there are no narratives carried along by prophetic interpretation nor are oracles declaimed by a prophet Here Scripture often speaks in the words of human response to God and God's world The hymns laments and thanksgivings of Israel the dirge of Lamentations the questionings of Qohelet the love poetry of the Song of Songs the bold drama of Job and the proverbial wisdom of Israel all offer their textures to this great body of biblical literature Then too there are the finely crafted stories of Ruth and Esther that narrate the silent providence of God in the course of Israelite and Jewish lives This third Old Testament volume in IVP's celebrated Black Dictionary series offers nearly 150 articles covering all the important aspects of Job Proverbs Ecclesiastes Psalms Song of Songs Lamentations Ruth and Esther Over 90 contributors many of them experts in this literature have contributed to the Dictionary of the Old Testament Wisdom Poetry and Writings This volume maintains the quality of scholarship that students scholars and pastors have come to expect from this series Coverage of each biblical book includes an introduction to the book itself as well as separate articles on their ancient Near Eastern background and their history of interpretation Additional articles amply explore the literary dimensions of Hebrew poetry and prose including acrostic ellipsis inclusio intertextuality parallelism and rhyme And there are well rounded

treatments of Israelite wisdom and wisdom literature including wisdom poems sources and theology In addition a wide range of interpretive approaches is canvassed in articles on hermeneutics feminist interpretation form criticism historical criticism rhetorical criticism and social scientific approaches The Dictionary of the Old Testament Wisdom Poetry and Writings is sure to command shelf space within arm s reach of any student teacher or preacher working in this portion of biblical literature

The Dead Sea Scrolls and the Origins of the Bible Eugene Ulrich,2023-07-03 The Dead Sea Scrolls from Qumran provide the oldest best and most direct witness we have to the origins of the Hebrew Bible Prior to the discovery of the Scrolls scholars had textual evidence for only a single late period in the history of the biblical text leading them to believe that the text was uniform The Scrolls however provide documentary evidence a thousand years older than all previously known Hebrew manuscripts and reveal a period of pluriformity in the biblical text prior to the stage of the uniformity In this important collection of studies copublished by Eerdmans and Brill one of the world s foremost experts on the Dead Sea Scrolls outlines a comprehensive theory that reconstructs the complex development of the ancient texts that eventually came to form the Old Testament Eugene Ulrich who has examined all the texts closely is the pioneer of the multiple literary editions theory that is replacing older views of the origins of the Bible His work in this volume represents the leading edge of research in the exciting field of Scrolls studies *A Student's Guide to Textual Criticism of the Bible* Paul D.
