Sleep That Changed Everything:

Death Changes Everything Sean Cunningham, 2022-07-16 Ian Hughes returns from a business trip only to discover his wife Debbie has been brutally murdered When a bloody note reveals Ian was the intended victim Detective Danny Diaz is assigned to act as Ian's bodyguard The two men were best friends in high school and now that they've been thrown together again the feeling they each secretly harbor for the other are rekindled As Danny tries to keep Ian from being the killer's next victim things between them ignite into a sexual tension that's hot enough to destroy Danny's career Secret business deals sexual and long held grudges are all exposed as Danny tries to find the murderer Amidst all the lies and cover ups one thing is certain although everyone seems to love Ian someone wants him dead The closer they get to solving the crime the closer the attempts on Ian's life come to actually succeeding Is it fate that brought Ian and Danny together Will their relationship survive the scrutiny of the investigation or the stress of being a target Will they catch the killer before the killer gets Ian Or will Ian survive to live happily ever after with Danny

The Turning Point That Changed Everything Wallace R. Pratt, 2009-12-08 In every person's life there comes a moment in time when circumstances or events require decisions and responses that greatly determine the future This book has no design to be another volume on leadership techniques Rather it is a candid exploration of those unexpected turns birthed out of the experience of being confronted with a reversal of circumstances in the life of an individual Frankly it is a study about the drama of life The intention of the author is to give a sincere and straightforward examination of why turnabouts often get high jacked and fail to live up to people's expectations Even more individuals will find a plea for courage and faith when things do not occur as they once envisioned they would Consequently it is a clarion call for courage to go further than some would desire but also a caution to impatient leaders to be watchful of their own intentions to push a change further than would be wise In the end some leaders must be willing to consider a more contemplative life built on valuing people above their own ideological mindset Dr Wallace R Pratt is an administrator minister teacher and writer He lives in Salem Oregon and has been married thirty eight years to his wonderful wife Judy They are blessed with two daughters two great son in laws and five grandchildren Dr Pratt serves as a regional supervisor in the Northwest for his church organization while also serving as an adjunct professor for Gordon Conwell Theological Seminary His leadership experience has included thirty three years of pastoral ministry and approximately eighteen years of teaching in sixteen nations He has been serving on the Doctrine and Polity Committee of his church organization for fourteen years and presently holds the position of chairman for this international body

You Don't Have to Change to Change Everything Beth Kurland, 2024-03-26 A unique approach to healing that emphasizes changing our perspectives instead of changing ourselves Instead of struggling to change our inner experiences we transform the container in which they are held From here wholeness and healing are possible this is where actual change lives 2024 Finalist International Book Awards Health Psychology Mental Health Category and Self Help General Category 2025 Nautilus Silver Award Psychology Mental in doing so we reinforce messages of not good enough or something is wrong with me that I am feeling this way In *You Don t Have to Change to Change Everything* readers learn that instead of forcing themselves to feel happy and pushing away what is unpleasant or instead of getting hooked by intense emotions another path can lead to more profound well being Rather than trying to change one s inner experiences this book offers six ways to shift one s vantage point when difficult emotions arise Being aware from each of these six vantage points allows readers to cultivate inner stability willingness to turn toward rather than away from themselves greater perspective internal strengths and inner resources self compassion connection with the Whole Self versus identification with hole self and interconnection with the world around them

The 7-Day Fat Burn Reset: A Revolutionary Guide to Rapid, Sustainable Weight Loss Julianna Cubbage, What if I told you that everything you thought you knew about weight loss was only half the story and that the other half could change your life in just seven days Welcome to *The 7 Day Fat*

Burn Reset A Revolutionary Guide to Rapid Sustainable Weight Loss where science backed strategies collide with quirky unconventional wisdom you won't find in the usual health aisle. This isn't another bland diet book filled with empty promises and recycled advice. It's a bold practical no fluff guide designed to torch stubborn fat, reboot your metabolism and wake up your mind and body in one powerful surprisingly doable week. Inside these pages you'll uncover little known fat burning tactics trusted by leading health experts, psychologists, nutritionists, fitness trainers and everyday people who've completely transformed their lives and bodies. Julianna Cabbage takes their hard earned wisdom and wraps it in her signature relatable real talk voice so you'll feel like you're chatting with a smart slightly mischievous friend who genuinely wants you to win. You'll learn why that innocent looking smoothie might secretly be sabotaging your fat loss, how your sleep cycles could be either your best weapon or your biggest enemy and why sprinting for 30 seconds might be more valuable than 30 minutes on a treadmill. From breath hold retention hacks to understanding the fat burning magic of NEAT you'll gather a toolbox of unusual but proven strategies to slim down smarter not harder. Forget bland salads and endless hours of cardio. This book is about turning your body into a fat burning furnace while keeping your mind sharp, your moods steady and your energy sky high. It's about breaking the invisible rules you didn't know were holding you back and rewriting your own health story on your terms. Ready for a week that could reroute your health confidence and perspective for good? This isn't just a reset. It's a revolution.

Dopamine Detox Nick Trenton, 2021-12-15. Learn how to reset your focus, productivity and overall capacity for happiness. Yes, it's that important. In our modern age we are constantly flooded with dopamine. That might sound like a good thing, but it means that we constantly require more and more stimulation to feel simple happiness. It's a very, very bad thing. It's the root of why we can't accomplish what we want and why we can't even feel what we want. Learn how to detox your dopamine, biohack your nutrition and master the art of energizing sleep. *Dopamine Detox* is a book that teaches you exactly what dopamine is and isn't. It's the pleasure hormone, but that doesn't mean more is better. You'll get various techniques, all scientifically proven and validated to regulate your dopamine to healthy levels. You'll see how 1, 3 and 7 day detoxes can work and you'll also learn about the other ways you can prepare your body for peak performance, such as with your gut biome, your sleep and how small nudges can make you the healthiest person you know. Easy yet effective strategies to be present, mindful and in the moment. Nick Trenton grew up in rural Illinois and is quite literally a farm boy. His best friend growing up was his trusty companion, Leonard the dachshund. RIP Leonard. Eventually he made it off the farm and obtained a BS in Economics followed by an MA in Behavioral Psychology. Discover the keys to peak performance in all aspects of life in 10 minutes a day. How your environment can be your greatest enemy or ally. What self-compassion has to do with dopamine. The most effective 7 day detox plan that you must follow. The foods, supplements and diets that fuel us the best. The powerful effects of light and temperature on health and wellbeing. Circadian rhythms and how to make them work for you. What you absolutely need in your bedroom and what one thing you must keep out.
