Souls Long Journey How The Bible Reveals Reincarnation:

The Soul's Long Journey Edward Reaugh Smith,2003-11 Here are amazing insights showing reincarnation to be deeply and powerfully revealed in the Bible s most fundamental aspects How and why have these insights escaped attention for so long At last they are uncovered here by a confluence of conventional Bible study and the epochal spiritual discoveries of Rudolf Steiner With particular emphasis on the organic provisions of the Old Testament Smith shows both what the assumptions of the Master s hearers were and how the New Testament confirms the ancient heritage Arising from the fullness of the canon is an exciting story of the long journey of humanity and every human soul each a beloved sheep whom the Creator is unwilling to lose Combining a lifetime of biblical study and teaching fifteen years investigating and contemplating Rudolf Steiner s vast works and almost three decades of applying the analytical skill required in an intense law practice Smith has produced a potential classic the serious Bible student can ill afford to ignore *Revelation* Edward Reaugh Smith,2015-12-15 With this major work Edward Reaugh Smith concludes his singular series on the Bible and Anthroposophy Understanding the Book of Revelation presents the ultimate challenge to those who wish to penetrate its deepest meaning a spiritual mountain whose summit has remained beyond reach to most people Paradoxically in spite of its name Revelation is the most veiled and mysterious book in the Bible A century ago Rudolf Steiner opened a route to that summit This book is the first extensive application of that priceless resource to the full text of Revelation The substance of what Steiner tells us about John s Revelation derives from the individuality who had that Apocalyptic Vision he was a seer and visionary and his account is esoteric and open only to such a seer Smith presents Steiner as a seer who for the first time since John wrote his Revelation has penetrated the obscuring veil of this text The scope of John s vision and Steiner s exposition covers the vast stretch of our human journey Our ongoing involvement in that journey is not optional We are each in it from beginning to end This book is for those who would awake to it Into the Heart's Land Henry Barnes,2005-08 Henry Barnes the author of A Life for the Spirit brings us a comprehensive view of the roots and development of anthroposophy throughout North America From its seminal beginnings with a few hearty souls in New York City it moved across the prairies to the west coast and beyond to Canada Mexico and Hawaii and took root in the hearts and minds of the new world Here is the story of those adventurous spirits who took responsibility for bringing the work of Rudolf Steiner to North America in the form of study groups agricultural initiatives Waldorf and special education the arts and so much more

The Temple Sleep of the Rich Young Ruler Edward Reaugh Smith,2011-11 Who wrote the Gospel of John The author identifies himself only as the disciple whom Jesus loved and Christian tradition tells us that this disciple was the apostle John However during the past century scholars have increasingly come to doubt that attribution In 1902 Rudolf Steiner wrote that the author of the Gospel of John was in fact Lazarus Steiner s position stemmed from his insight that Lazarus s encounter with death involved far more than people realized an initiation into higher spiritual realities that uniquely qualified him to

write this gospel Edward Smith takes up this argument and shows that subsequent research has tended to favor Lazarus for reasons grounded in John's Gospel itself More important Smith shows that subsequent discoveries at Nag Hammadi and Mar Saba corroborate Steiner's reasoning about the nature of the raising of Lazarus pointing to Lazarus as the rich young ruler of Mark's Gospel *Necessary Evil* Hans-Werner Schroeder, 2005 The author shows that the roots of evil lie with angelic beings and discusses the prehistory of evil in heaven showing how the polarity of two kinds of evil with good as a balance between them manifests in earthly history education work human relationships sexuality religion and technology
