

# Terrible Swift Sword

THE LEGACY OF  
JOHN BROWN

Edited by Peggy A. Russo  
and Paul Finkelman

# Terrible Swift Sword Legacy Of John Brow

**R Barnett**

## **Terrible Swift Sword Legacy Of John Brown:**

**Terrible Swift Sword** Peggy A. Russo, Paul Finkelman, 2005 More than two centuries after his birth and almost a century and a half after his death the legendary life and legacy of John Brown go marching on Various deemed martyr madman monster terrorist and saint he remains one of the most controversial figures in America's history Brown's actions in Kansas and Harpers Ferry West Virginia provided major catalysts for the American Civil War actions that continue today to evoke commendation or provoke condemnation Through the prisms of history literature psychology criminal justice oral history African American studies political science film studies and anthropology **Terrible Swift Sword** offers insights not only into John Brown's controversial character and motives but also into the nature of a troubled society before during and after the Civil War The discussions include reasons why Brown's contemporaries supported him attempts to define Brown using different criteria analyses of Brown's behavior his depiction in literature and examinations of the iconography surrounding him The interdisciplinary focus marshalled by editor Peggy A Russo makes **Terrible Swift Sword** unique and this together with the popular mythology surrounding the legend of John Brown will appeal to a broad audience of readers interested in this turbulent moment in American history Paul Finkelman is Chapman Distinguished Professor of Law at the University of Tulsa College of Law He is the author of many articles and books including *His Soul Goes Marching On Responses to John Brown and the Harpers Ferry Raid* and the Library of Congress Civil War Desk Reference Peggy Russo is an assistant professor of English at the Mont Alto Campus of Pennsylvania State University She has published in *Shakespeare Bulletin* *The Southern Literary Journal* *Journal of American Culture* *Shakespeare and the Classroom* and *Civil War Book Review*

**Weird John Brown** Ted A. Smith, 2023-05-25 Combining theology politics and historical analysis theorizes what might be at stake ethically for America's current political life Andrew Taylor *Journal of American History* Conventional wisdom holds that attempts to combine religion and politics will produce unlimited violence Concepts such as jihad crusade and sacrifice need to be rooted out the story goes for the sake of more bounded and secular understandings of violence Ted Smith upends this dominant view drawing on Walter Benjamin Giorgio Agamben and others to trace the ways that seemingly secular politics produce their own forms of violence without limit He brings this argument to life and digs deep into the American political imagination through a string of surprising reflections on John Brown the nineteenth century abolitionist who took up arms against the state in the name of a higher law Smith argues that the key to limiting violence is not its separation from religion but its connection to richer and more critical modes of religious reflection **Weird John Brown** develops a negative political theology that challenges both the ways we remember American history and the ways we think about the nature meaning and exercise of violence Powerfully combines theology and political theory Recommended R J Meagher *Choice* Smith illustrates how an ethical and philosophical reading of history can help us to better understand the world we live in Franklin Rausch *New Books in Christian Studies* A brilliantly original and compelling book John Stauffer Harvard University

A very sophisticated philosophical and theological reflection on John Brown and the question of divine violence Willie James Jennings Duke University *John Brown's Trial* Brian McGinty,2009-10-15 Here Brian McGinty provides a comprehensive account of the trial of abolitionist John Brown After the jury returned its guilty verdict an appeal was quickly disposed of and the governor of Virginia refused to grant clemency **John Brown's Spy** Steven Lubet,2020-08-11 A compulsively readable account of the fugitive who betrayed John Brown after the bloody abolitionist raid on Harper s Ferry Booklist starred review John Brown s Spy tells the nearly unknown story of John E Cook the person John Brown trusted most with the details of his plans to capture the Harper s Ferry armory in 1859 Cook was a poet a marksman a boaster a dandy a fighter and a womanizer as well as a spy In a life of only thirty years he studied law in Connecticut fought border ruffians in Kansas served as an abolitionist mole in Virginia took white hostages during the Harper s Ferry raid and almost escaped to freedom For ten days after the infamous raid he was the most hunted man in America with a staggering one thousand dollar bounty on his head Tracking down the unexplored circumstances of John Cook s life and disastrous end Steven Lubet is the first to uncover the full extent of Cook s contributions to Brown s scheme Without Cook s participation the author contends Brown might never have been able to launch the insurrection that foreshadowed the Civil War Had Cook remained true to the cause history would have remembered him as a hero Instead when Cook was captured and brought to trial he betrayed John Brown and named fellow abolitionists in a full confession that earned him a place in history s tragic pantheon of disgraced turncoats Lubet is especially effective at capturing the courtroom drama A crisply told tale fleshing out one of American history s more intriguing footnotes Kirkus Reviews Take s readers on a ride through the frantic days surrounding Brown s raid that will make them feel the moment as much as understand it Library Journal starred review **John Brown, Emancipator** Louis DeCaro Jr.,2017-09-18 Collection of essays by Louis A DeCaro Jr a student of the life and letters of the abolitionist John Brown These essays first appeared on the author s online publication John Brown the Abolitionist A Biographer s Blog and have been edited and presented here with new extended critical introduction *John Brown* Anne Schraff,2008-01-01 Examines the life of John Brown including his childhood on the frontier his fight against slavery and the Harpers Ferry raid his execution and legacy in American history Provided by publisher [This Mighty Scourge](#) James M. McPherson,2009-10-12 In this collection of provocative and illuminating essays James M McPherson offers fresh insight into many of the enduring questions about one of the defining moments in our nation s history McPherson sheds light on topics large and small from the average soldier s avid love of newspapers to the postwar creation of the mystique of a Lost Cause in the South Combining the finest scholarship with luminous prose and packed with new information and fresh ideas this book brings together the most recent thinking by the nation s leading authority on the Civil War **To Set this World Right** Sandra Harbert Petrulionis,2006 In the decade before the Civil War Concord Massachusetts was a center of abolitionist sentiment and activism To Set this World Right is the first book to recover and examine the voices events and influence of the

antebellum antislavery movement in Concord In addressing fundamental questions about the origin and nature of radical abolitionism in this most American of towns Sandra Harbert Petrulionis frames the antislavery ideology of Henry Thoreau and Ralph Waldo Emerson two of Concord s most famous residents as a product of family and community activism and presents the civic context in which their outspoken abolitionism evolved In this historic locale radical abolitionism crossed racial class and gender lines as a confederation of neighbors fomented a radical consciousness and Petrulionis documents how the Thoreaus Emersons and Alcotts worked in tandem with others in their community including a slaveowner s daughter and a former slave Additionally she examines the basis on which Henry Thoreau who cherished nothing more than solitary tramps through his beloved woods and bogs has achieved lasting fame as a militant abolitionist This book marshals rich archival evidence of the diverse tactics exploited by a small coterie of committed activists largely women who provoked their famous neighbors to action In Concord the fugitive slave Shadrach Minkins was clothed and fed as he made his way to freedom In Concord the adolescent daughters of John Brown attended school and recovered from their emotional distress after their father s notorious public hanging Although most residents of the town maintained a practiced detachment from the plight of the enslaved women and men whose sole objective was the moral urgency of abolishing slavery at last prevailed on the philosophers of self culture to accept the responsibility of their reputations

*America's Unending Civil War* William Nester,2024-03-31 Explores the Civil War s related and enduring conflicts of ideas and principles through four centuries of a nation s history The Civil War fascinates Americans like no other war in their history Many Americans are still fighting some of the war s issues in an Odyssey that stretches back to the first settlement and will persist until the end of time The war itself was an Iliad of brilliant generals like Grant Sherman and Sheridan for the Union or Lee Jackson and Forrest for the Confederacy epic battles like Gettysburg and Chickamauga epic sieges like Vicksburg and Petersburg and epic naval combats such as Monitor versus Merrimack or Kearsarge versus Alabama It was America s most horrific war with more dead than all others combined Around 625 000 soldiers and 125 000 civilians died from various causes bringing the total to 750 000 people Of 31 million Americans 2 1 million northerners and 880 000 southerners donned uniforms Why did eleven states eventually ban together to rebel against the United States President Jefferson Davis began an answer when he said If the Confederacy falls there should be written on its tombstone Died of a Theory That theory justified the enslavement of blacks by whites as a natural right and duty of a superior race over an inferior race a theory it was believed that morally and economically elevated both races Although slavery was the Civil War s core cause there were related chronic conflicts over the nature of government citizenship liberty property equality wealth race identity justice crime voting power and history some of which issues have never entirely gone away America s Unending Civil War is unique among thousands of books on the subject None before has explored the Civil War s related and enduring conflicts of ideas and principles through four centuries of a nation s history

*Christianity* Diarmaid MacCulloch,2010-03-18 The New York Times bestseller and definitive history of Christianity

for our time from the award winning author of *The Reformation and Silence* A product of electrifying scholarship conveyed with commanding skill Diarmaid MacCulloch's *Christianity* goes back to the origins of the Hebrew Bible and encompasses the globe It captures the major turning points in Catholic Protestant and Orthodox history and fills in often neglected accounts of conversion and confrontation in Africa Latin America and Asia MacCulloch introduces us to monks and crusaders heretics and reformers popes and abolitionists and discover Christianity's essential role in shaping human history and the intimate lives of men and women And he uncovers the roots of the faith that galvanized America charting the surprising beliefs of the founding fathers the rise of the Evangelical movement and of Pentecostalism and the recent crises within the Catholic Church Bursting with original insights and a great pleasure to read this monumental religious history will not soon be surpassed

**Cradle of America** Peter Wallenstein, 2014-08-15 As the site of the first permanent English settlement in North America the birthplace of a presidential dynasty and the gateway to western growth in the nation's early years Virginia can rightfully be called the cradle of America Peter Wallenstein traces major themes across four centuries in a brisk narrative that recalls the people and events that have shaped the Old Dominion The second edition is updated with new material throughout including a new chapter on Virginia and world affairs from the Korean War through 9 11 and beyond and an expanded bibliography Historical accounts of Virginia have often emphasized harmony and tradition but Wallenstein focuses on the impact of conflict and change From the beginning Virginians have debated and challenged each other's visions of Virginia and Wallenstein shows how these differences have influenced its sometimes turbulent development Casting an eye on blacks as well as whites and on people from both east and west of the Blue Ridge Mountains he traces such key themes as political power racial identity and education Bringing to bear his long experience teaching Virginia history Wallenstein takes readers back even before Jamestown to the Elizabethan settlers at Roanoke Island and the inhabitants they encountered as well as to Virginia's leaders of the American Revolution He chronicles the state's dramatic journey through the Civil War era a time that revealed how the nation's evolution sometimes took shape in opposition to the vision of many leading Virginians He also examines the impact of the civil rights movement and considers controversies that accompany Virginia into its fifth century The text is copiously illustrated to depict not only such iconic figures as Pocahontas George Washington and Robert E Lee but also such other prominent native Virginians as Carter G Woodson Patsy Cline and L Douglas Wilder Sidebars throughout the book offer further insight while maps and appendixes of reference data make the volume a complete resource on Virginia's history

*A Revolutionary Conscience* Paul E. Teed, 2012-08-16 Theodore Parker was one of the most controversial theologians and social activists in pre Civil War America This book argues that Parker's radical vision and contemporary appeal stemmed from his abiding faith in the human conscience and in the principles of the American revolutionary tradition

*The Political Thought of the Civil War* Alan Levine, Thomas W. Merrill, James R. Stoner, Jr., 2019-08-08 Why does the Civil War still speak to us so powerfully If we listen to the most thoughtful forceful and

passionate voices of that day we find that many of the questions at the heart of that conflict are also central to the very idea of America and that many of them remain unresolved in our own time The Political Thought of the Civil War offers us the opportunity to pursue these questions from a new critical perspective as leading scholars of American political science history and literature engage in some of the crucial debates of the Civil War era and in the process illuminate more clearly the foundation and fault lines of the American regime The essays in this volume use practical dilemmas of the Civil War to reveal and probe fundamental questions about the status of slavery and race in the American founding the tension between moralism and constitutionalism and the problem of creating and sustaining a multiracial society on the basis of the original principles of the American regime Adopting a deliberative approach the authors revisit the words and deeds of the most important political actors of era from William Lloyd Garrison John C Calhoun and Abraham Lincoln to Alexander Stephens and Frederick Douglass with reference to the American Founders and the architects of Reconstruction The essays in this volume consider the difficult choices each of these figures made the specific problems they were responding to and the consequences of those choices As this book exposes and explores the theoretical principles at play within their historical context it also offers vivid reminders of how the great controversies surrounding the Civil War continue to shape American political life to this day

Historic Sites and Landmarks That Shaped America Mitchell Newton-Matza, 2016-09-06 Exploring the significance of places that built our cultural past this guide is a lens into historical sites spanning the entire history of the United States from Acoma Pueblo to Ground Zero Historic Sites and Landmarks That Shaped America From Acoma Pueblo to Ground Zero encompasses more than 200 sites from the earliest settlements to the present covering a wide variety of locations It includes concise yet detailed entries on each landmark that explain its importance to the nation With entries arranged alphabetically according to the name of the site and the state in which it resides this work covers both obscure and famous landmarks to demonstrate how a nation can grow and change with the creation or discovery of important places The volume explores the ways different cultures viewed revered or even vilified these sites It also examines why people remember such places more than others Accessible to both novice and expert readers this well researched guide will appeal to anyone from high school students to general adult readers

**Fortune, Fame, and Desire** Sharon Hartman Strom, 2016-09-19 In the middle decades of the nineteenth century a widening set of opportunities in the public sphere opened up for ambitious men and women in the loosely structured stratum of the middle class Much of the attention to the marketplace between 1820 and 1910 has described entrepreneurship and the beginnings of a more sophisticated economy but not much has been paid to the commodification of the self This book sets out to explore the promotion of the self in the rapidly growing economy and political flux of the nineteenth century Its geography extends through New England New York the new states of the Midwest and the great cities of the Mid Atlantic with an occasional trip to New Orleans San Francisco and Los Angeles The approach is biographical using representative middle class figures to illuminate cultural and social

history Aided by more cheaply produced print and the clamor of the American public for entertainment both high and low brow the figures described in this book strove for fame sometimes achieved good fortune and acted out desires for sexual pleasure political success and achieving the ideal in society In doing so they questioned and rearranged the ideas of the early Republic Poised between the dying class structure of the late eighteenth century and the rise of a more hierarchical one in the early twentieth they took advantage of a society in flux to make their mark on American culture **Freedom's Delay**

Allen Carden, 2014-10-30 The Declaration of Independence proclaimed freedom for Americans from the domination of Great Britain yet for millions of African Americans caught up in a brutal system of racially based slavery freedom would be denied for ninety additional years until the ratification of the Thirteenth Amendment to the U S Constitution Freedom's Delay America's Struggle for Emancipation 1776 1865 probes the slow painful yet ultimately successful crusade to end slavery throughout the nation North and South This work fills an important gap in the literature of slavery's demise Unlike other authors who focus largely on specific time periods or regional areas Allen Carden presents a thematically structured national synthesis of emancipation Freedom's Delay offers a comprehensive and unique overview of the process of manumission commencing in 1776 when slavery was a national institution not just the southern experience known historically by most Americans In this volume the entire country is examined and major emancipatory efforts political literary legal moral and social made by black and white free and enslaved individuals are documented over the years from independence through the ratification of the Thirteenth Amendment Freedom's Delay dispels many of the myths about slavery and abolition including that racial servitude was of little consequence in the North and where it did exist it ended quickly and easily that abolition was a white man's cause and blacks were passive recipients of liberty that the South seceded primarily to protect states rights not slavery and that the North fought the Civil War primarily to end the subjugation of African Americans By putting these misunderstandings aside this book reveals what actually transpired in the fight for human rights during this critical era Carden's inclusion of a cogent preface and epilogue assures that Freedom's Delay will find a significant place in the literature of American slavery and freedom With a compelling preface and epilogue notes illustrations and tables and a detailed bibliography this volume will be of great value not only in courses on American history and African American history but also to the general reading public Allen Carden is professor of history at Fresno Pacific University in Fresno California He is the author of Puritan Christianity in America Religion and Life in Seventeenth Century Massachusetts **The Early Republic and Antebellum America: An Encyclopedia of Social, Political, Cultural, and Economic History**

Christopher G. Bates, 2015-04-08 First Published in 2015 This text holds four volumes of essays and entries on the early Republic and Antebellum era in America spanning the end of the American Revolution in 1781 to the outbreak of Civil War in 1861 The Americans forged a new government in theory and then in practice with the beginnings of industrialisation and the effects of urbanisation widespread poverty labour strife debates around slavery and sectional discord By the end of the

nineteenth century American had a powerhouse economy new technologies and the emergence of major social reform movements creation of uniquely American art and literature and the conquest of the West This encyclopaedia offers a historic reference

**Blake; or, The Huts of America** Martin R. Delany, 2017-02-13 Martin R Delany's *Blake* 1859 1861 1862 is one of the most important African American and indeed American works of fiction of the nineteenth century It tells the story of Henry Blake's escape from a southern plantation and his subsequent travels across the United States into Canada and to Africa and Cuba His mission is to unite the black populations of the American Atlantic regions both free and slave in the struggle for freedom whether through insurrection or through emigration and the creation of an independent black state *Blake* is a rhetorical masterpiece all the more strange and mysterious for remaining incomplete breaking off before its final scene This edition of *Blake* prepared by textual scholar Jerome McGann offers the first correct printing of the work in book form It establishes an accurate text supplies contextual notes and commentaries and presents an authoritative account of the work's composition and publication history In a lively introduction McGann argues that Delany employs the resources of fiction to develop a critical account of the interconnected structure of racist power as it operated throughout the American Atlantic He likens *Blake* to Upton Sinclair's *The Jungle* in its willful determination to transform a living and terrible present *Blake* or *The Huts of America* A Corrected Edition will be used in undergraduate and graduate classes on the history of African American fiction on the history of the American novel and on black cultural studies General readers will welcome as well the first reliable edition of Delany's fiction

Disunion! Elizabeth R. Varon, 2008-11-15 In the decades of the early republic Americans debating the fate of slavery often invoked the specter of disunion to frighten their opponents As Elizabeth Varon shows disunion connoted the dissolution of the republic the failure of the founders' effort to establish a stable and lasting representative government For many Americans in both the North and the South disunion was a nightmare a cataclysm that would plunge the nation into the kind of fear and misery that seemed to pervade the rest of the world For many others however disunion was seen as the main instrument by which they could achieve their partisan and sectional goals Varon blends political history with intellectual cultural and gender history to examine the ongoing debates over disunion that long preceded the secession crisis of 1860-61

*The South That Wasn't There* Michael Kreyling, 2010-11 Once history and the South dwelt in close proximity Representations of the South in writing and on film assumed everybody knew what had happened in place and time to create the South Today our vision of the South varies and there is less there than ever before In *The South That Wasn't There* Michael Kreyling explores a series of literary situations in which memory and history seem to work in odd and problematic ways Lively and frequently confrontational *The South That Wasn't There* offers a thought provoking reexamination of our literary conceptions about the South

## Unveiling the Energy of Verbal Artistry: An Mental Sojourn through **Terrible Swift Sword Legacy Of John Brow**

In some sort of inundated with monitors and the cacophony of instantaneous transmission, the profound energy and emotional resonance of verbal art frequently fade into obscurity, eclipsed by the continuous assault of sound and distractions. Yet, set within the musical pages of **Terrible Swift Sword Legacy Of John Brow**, a charming function of fictional elegance that pulses with fresh emotions, lies an unforgettable trip waiting to be embarked upon. Composed with a virtuoso wordsmith, this enchanting opus courses visitors on a mental odyssey, delicately revealing the latent possible and profound impact embedded within the complicated internet of language. Within the heart-wrenching expanse with this evocative analysis, we shall embark upon an introspective exploration of the book is central themes, dissect their fascinating publishing style, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.
