Territory And Terror Conflicting Nationalisms In The Basque Country

André Lecours

Territory And Terror Conflicting Nationalisms In The Basque Country:

Territory and Terror Jan Mansvelt Beck, 2004-11-10 All Basque interpretations of national power have resulted in an uneasy mix of often fragmented and conflicting territorial identifications Basques can identify themselves with France Spain or an imagined Basque nation state Territory and Terror confronts the imagined and actual territorial dimensions of nationalism shedding new light on the Basque conflict The study provides a rich description of territoriality analysed from a comparative perspective and explores the relation between territoriality and regional differences in conflict intensity It supplies an account of the oft overlooked internal struggles between Basques arguing that overestimation of Basque nationalism as the ideological force behind the conflict often leads to a disregard of the identification of many with France or Spain In addition the author investigates the conflicts between Basque nationalists themselves over key issues such as terrorist activity Territory and Terror will appeal to students and researchers of nationalism and territoriality in particular to those with an interest in the Basque country

Territory and Terror J. Mansvelt-Beck, 2005 All Basque interpretations of national power have resulted in an uneasy mix of often fragmented and conflicting territorial identifications Basques can identify themselves with France Spain or an imagined Basque nation state Territory and Terror confronts the imagined and actual territorial dimensions of nationalism shedding new light on the Basque conflict The study provides a rich description of territoriality analysed from a comparative perspective and explores the relation between territoriality and regional differences in conflict intensity It supplies an account of the oft overlooked internal struggles between Basques arguing that overestimation of Basque nationalism as the ideological force behind the conflict often leads to a disregard of the identification of many with France or Spain In addition the author investigates the conflicts between Basque nationalists themselves over key issues such as terrorist activity Territory and Terror will appeal to students and researchers of nationalism and territoriality in particular to those with an interest in the Basque country

Basque Nationalism and the Spanish State André Lecours, 2007-07-13 An examination of Basque nationalism from a historical perspective Basque nationalism has been extensively examined from the perspectives of Basque culture and internal conditions in the Basque Country but Andr Lecours is among the first to demonstrate how Basque nationalism was shaped by the many forms and historical phases of the Spanish state His discussion employs one of the most debated approaches in the social sciences historical institutionalism and it includes an up to date examination of the circumstances for and consequences of recent events such as ETA s announcement in 2006 of a permanent cease fire Lecours also analyzes other aspects of Basque nationalism including the international relations of the Basque Autonomous Government as well as the responses of the contemporary Spanish state and how it deploys its own brand of nationalism Finally the book offers a comparative discussion of Basque Catalan Scottish Flemish and Quebecois nationalist movements suggesting that nationalism in the Basque Country despite the historical presence of violence is in many ways similar to nationalism in other industrialized democracies Basque

Nationalism and the Spanish State is an original and provocative discussion that is essential reading for anyone interested in the Basques or in the development of modern nationalist movements

The Impact of European Integration on Political Parties Dimitri Almeida, 2012-04-27 This book traces the positions of national partisan actors towards the development of the European polity in an in depth comparative analysis covering all member states of the European Union over a period of 60 years The author examines the approach of the social democratic radical left liberal Christian democratic and radical right party families eliciting a comprehensive analysis of partisan positions on European integration Demonstrating that attitudes and programmatic changes towards European integration must be understood both as the product of long term ideological traditions and domestic opposition or incumbency seeking strategies this book examines how far common ideological traditions lead to the emergence of convergent European policies Based on an interdisciplinary approach that encompasses political science history and area studies this book provides background and analysis and develops theory in an open and accessible style that expands the understanding of party behaviour Using party programmes and quantitative data the book reveals considerable cross family variations regarding the extent to which parties genetic origins shape partisan responses to Europe The Impact of European Integration on Political Parties will be of interest to students and scholars of European politics European integration comparative politics and political parties

Women and British Party Politics Sarah Childs, 2008-04-08 Women and British Party Politics examines the characteristics of women s participation at the mass and elite level in contemporary British politics as voters party members and elected representatives respectively It explores what this means for ideas about and the practice of descriptive substantive and symbolic representation The main focus is on the feminization of British party politics the integration of women into formal political institutions and the integration of women s concerns and perspectives into political debate and policy in the post 1997 period Not only specifically designed to bring together cutting edge conceptual developments in the sub discipline of gender and politics with robust British empirical research this book also presents reflections on how best to study gender and politics The empirical findings which are presented through the extensive use of case studies derive from a range of research projects which were undertaken over a period of ten years and which make use of a variety of research methods and techniques This book will appeal to all those with an interest in British Politics Feminism and European Studies and will provide the reader with an overview of the complex relationship between sex gender and politics in a conceptually sophisticated fashion

Governing Europe Jens Henrik Haahr, William Walters, 2004-08-02 This book uses post structuralist theories of power and discourse to study European integration and the associated forms of governance

Evaluating Euro-Mediterranean Relations Stephen Calleya, 2013-07-04 First Published in 2004 This book focuses on international relations in the Mediterranean area with a particular examination of patterns of relations in the Euro

Mediterranean area **Evaluating Euro-Mediterranean Relations** Stephen C. Calleya, 2005 What are the prospects for

the future of the Euro Mediterranean area and what relevant role can the EMP play in this future This book focuses on international relations in the Mediterranean area with a particular examination of patterns of politics security and socio economic relations *Law And Justice Review 23* Türkiye Adalet Akademisi, Beyond Transnationalism Sonja Levens,Kiran Klaus Patel,2023-05-22 This book is a collection of case studies that provides fresh insights into the history of political activism in Europe s long 1970s It covers the full spectrum of such groups from the far left to the neofascist right and from the various parts of Europe including East and West The chapters in this book push the boundaries of our knowledge with regard to transnational spaces For many political activists at the time identifying with a transnational or global protest movement provided both legitimacy for their claims and stood for the promise of sweeping change Existing research has often reproduced such perceptions This book goes beyond such an approach by distinguishing between different forms of transnational spaces More specifically it recognizes important differences between imagined spaces of solidarity and belonging spaces of knowledge circulation and spaces of social experience and political action Each chapter uses this new framework and analyses the interrelationship and significance of each of these three spaces Beyond Transnationalism will be of particular interest to historians political scientists and educators The chapters in this book were originally published as a special issue of European Review of History Regionalism After Regionalisation Frans Schrijver,2006 Concentrating on three countries Spain France and the United Kingdom and three regional case studies of Galicia Brittany and Wales this book offers an analysis of the development of political regionalism after regionalisation

Football and National Identities in Spain A. Quiroga,2013-10-25 This book investigates the use of football to create shape and promote Spanish Catalan and Basque national identities and explores the utilization of soccer to foster patriotic feelings exposing the often dark vested interests behind the propagation of national narratives through soccer Nationalist Violence in Postwar Europe Luis De la Calle,2015-07-23 This book argues that nationalist violence in developed countries is the product of unresponsive political elites and nationalists blocked from attracting supporters through legal channels Political elites are prone to ignoring a regional polity when their clout in that region is negligible and they do not rely on the region s support to maintain their positions of power Conversely when nationalists cannot make inroads through legal channels incentives for violence are ripe Thus when nationalists in postwar Europe found elites unresponsive it was state repression that helped radicals build a new group of support around militant action The larger this new constituency legitimizing violence grew the longer the conflict lasted The book elucidates this complex dynamic through a deft combination of theoretical modeling statistical methods and comparative case studies from the Basque Country Catalonia Corsica Northern Ireland Sardinia and Wales *Murder in the Multinational State* Stewart King,2019-05-23 As Spaniards set out to transform the political social and cultural landscape of the nation following the death of dictator Francisco Franco in 1975 its crime fiction traces challenges and celebrates these radical changes Crime Fiction from Spain Murder in the

Multinational State provides a comprehensive exploration of the relationship between detective fiction and national and cultural identities in post Franco democratic Spain What sort of stories are told about the nation within the state in the crime genre How do the conventions of the crime story shape not only the production of national and cultural identities but also their disruption Combining criminological theories of crime and community with an analysis of the genre s conventions this study challenges the simple classification of Spanish crime fiction as texts written by Spaniards set in Spain and with Spanish characters Instead it develops a dramatic new reading practice which allows for a greater understanding of the role of crime fiction in the construction and articulation of different and at times competing national and cultural identities including in the Basque Country Catalonia and Galicia The book provides a stimulating introduction to the key debates on the study of crime fiction and national and cultural identities in the context of a multinational state

The Routledge Handbook of Terrorism Research Alex Peter Schmid,2011 This volume is a monumental collection of definitions conceptual frameworks paradigmatic formulations and bibliographic sources which is now being revised and updated as a resource for the expanding community of researchers on the subject of terrorism

The Routledge Handbook of Terrorism Research Alex Schmid,2011-02-25 This major new Handbook synthesises more than two decades of scholarly research and provides a comprehensive overview of the field of terrorism studies The content of the Handbook is based on the responses to a questionnaire by nearly 100 experts from more than 20 countries as well as the specific expertise and experience of the volume editor and the various contributors Together they guide the reader through the voluminous literature on terrorism and propose a new consensus definition of terrorism based on an extensive review of existing conceptualisations The work also features a large collection of typologies and surveys a wide range of theories of terrorism Additional chapters survey terrorist databases and provide a guide to available resources on terrorism in libraries and on the Internet It also includes the most comprehensive World Directory of Extremist Terrorist and other Organizations associated with Guerrilla Warfare Political Violence Protest and Organized and Cyber Crime The Routledge Handbook of Terrorism Research will be an essential work of reference for students and researchers of terrorism and political violence security studies criminology political science and international relations and of great interest to policymakers and professionals in the field of counter terrorism

Political Geography Joe Painter,Alex Jeffrey,2009-02-06 A very good overview Covers the key topics well and in an accessible and engaging style Dr Daniel Hammett Department of Geography Sheffield University This is a revised and updated edition of a core undergraduate resource for political geography Focusing on the social and cultural while systematically overviewing the entire discipline Joe Painter and Alex Jeffrey explain Politics geography and political geography power resources institutions and the history of the field State formation classical views alongside recent work on governance and governmentality Welfare to workfare state the restructuring of present state strategies Democracy citizenship and law different models of democracy in European and global contexts Identity and social movements the

relation between identity and political action Nationalism and regionalism ethnicity national identity and otherness Imperialism and post colonialism from world systems theory to post structuralist accounts Geopolitics the political economic and strategic significance of geography Comprehensive accessible and illustrated with real world examples Political Geography provides undergraduates with a thorough understanding of the relationship between geography and politics

The New Member States and the European Union Michael J. Baun, Dan Marek, 2013 This book examines the impact of EU membership on the foreign policies of the 12 new member states that joined the EU in 2004 and 2007 Among scholars of European politics there is a general consensus that membership in the European Union changes the countries that join Yet considerable debate remains over what exactly changes to what extent how or why these changes happen and why some countries policies and institutions change more than others Expert contributors examine the impact of EU integration and membership with chapters on the 12 new EU entrants since 2004 Poland Czech Republic Hungary Slovakia Slovenia Estonia Latvia Lithuania Cyprus Malta Bulgaria and Romania Utilizing a common analytical framework each of the country case studies examines the impact of EU membership on the foreign policies of the new member states in three key areas foreign policy making institutions and procedures interests and preferences and strategies and actions *The New Member States and the European Union* will be of interest to students and scholars of European Studies and European Union Politics

The EU's Role in World Politics Richard Youngs, 2010-09-13 This book argues that in a range of policy areas trade multilateral diplomacy security development cooperation democracy and human rights energy security the EU appears to be in retreat from liberal internationalism

Reframing Europe's Future Jody Jensen, Ferenc Mészlivetz, 2014-09-19 The global financial crisis which erupted in 2008 had an astounding yet varied impact on the European Union EU with some countries benefiting from the crisis while others suffered Today many more and varied voices articulate increasing frustration dissatisfaction distrust and cynicism with the current state of affairs in Europe This book addresses the challenges and failures of the European construction today from an interdisciplinary perspective It seeks to identify the deeper structural causes of the failure of the European project by investigating a variety of aspects placing Europe in a historical perspective and interpreting its trajectory in a global context In doing so it argues that the EU the unfinished European polity the single European market and the set of supranational institutions are not sustainable in their present forms This text will be of key interest to students and practitioners of international relations economics European studies democracy and contemporary European and global challenges

Territory And Terror Conflicting Nationalisms In The Basque Country Introduction

In the digital age, access to information has become easier than ever before. The ability to download Territory And Terror Conflicting Nationalisms In The Basque Country has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Territory And Terror Conflicting Nationalisms In The Basque Country has opened up a world of possibilities. Downloading Territory And Terror Conflicting Nationalisms In The Basque Country provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Territory And Terror Conflicting Nationalisms In The Basque Country has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Territory And Terror Conflicting Nationalisms In The Basque Country. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Territory And Terror Conflicting Nationalisms In The Basque Country. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not

only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Territory And Terror Conflicting Nationalisms In The Basque Country, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Territory And Terror Conflicting Nationalisms In The Basque Country has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Territory And Terror Conflicting Nationalisms In The Basque Country Books

What is a Territory And Terror Conflicting Nationalisms In The Basque Country PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Territory And Terror Conflicting Nationalisms In The Basque Country PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Territory And Terror Conflicting Nationalisms In The Basque Country PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Territory And Terror Conflicting Nationalisms In The Basque Country PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Territory And Terror Conflicting Nationalisms In The Basque Country PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe

Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
