Terror In The Name Of God Why Religious Militants Kill:

Terror in the Name of God Jessica Stern,2003-08-19 For four years Jessica Stern interviewed extremist members of three religions around the world Christians Jews and Muslims Traveling extensively to refugee camps in Lebanon to religious schools in Pakistan to prisons in Amman Asqelon and Pensacola she discovered that the Islamic jihadi in the mountains of Pakistan and the Christian fundamentalist bomber in Oklahoma have much in common Based on her vast research Stern lucidly explains how terrorist organizations are formed by opportunistic leaders who using religion as both motivation and justification recruit the disenfranchised She depicts how moral fervor is transformed into sophisticated organizations that strive for money power and attention Jessica Stern s extensive interaction with the faces behind the terror provide unprecedented insight into acts of inexplicable horror and enable her to suggest how terrorism can most effectively be countered A crucial book on terrorism **Terror in the Name of God** is a brilliant and thought provoking work **Comparative**

Philosophy and Religion in Times of Terror Douglas Allen,2006-01-01 Comparative philosophy and religion can help us to understand the violence and terror that often dominate our world These new creative studies ranging in scope from ancient Biblical Greek Indian and Chinese formulations to recent religious and philosophical positions broaden and deepen our understanding of terror and present new possibilities for greater nonviolence peace and true security **Sacred Terror**

Daniel E. Price,2012-07-19 This book places the current wave of religion based terrorism in a historical perspective explaining why religion is associated with terrorism comparing religion based terrorism to other forms of terrorism and documenting how religion based terrorism is a product of powerful political socioeconomic and psychological forces Religion based terrorism is perceived as one of the most significant threats to U S homeland security in the 21st century **Sacred Terror** How Faith Becomes Lethal makes the central argument that religion based violence and terrorism is primarily a result of political socioeconomic and psychological forces thereby demystifying religion based terrorism and revealing its inherent similarity to other forms of terrorism and war Daniel Price examines religious texts and traditions in Judaism Christianity and Islam looks at the history of religion based terrorism and explores why religion facilitates violence He builds upon this foundation to explain how religion as an ideological force that motivates violence is not as powerful as commonly believed and that religious fervor is not unlike other non religious ideologies such as Marxism nationalism and anarchism The work also presents in depth analysis of the political socioeconomic and psychological forces that are behind religion based violence and discusses case studies from multiple religions that illustrate the author s argument **Essentials of Terrorism** Gus

Moore, 2018 Bringing together both classic and contemporary research The Politics of Terror provides a systematic introduction to the theory politics and practice of terrorism The text is framed around a set of empirical theoretical and methodological puzzles that arise in the study of terrorism challenging students to think critically about key issues in the field *The Future of Interreligious Dialogue* Cohen, Charles L., Knitter, Paul F., Rosenhagen, Ulrich, 2017-09-14 *The Many Forms of Fear, Horror and Terror*, 2020-09-25 This eBook records the proceedings of the 3rd Annual Fear Horror and Terror conference which was held at Mansfield College Oxford in September 2009 A group of academics from disparate subject areas including literature film studies religious studies social psychology and psychoanalysis came together to discuss fear horror and terror **Political Violence in Judaism, Christianity, and Islam** Jonathan Fine, 2015-03-26 Religious political violence is by no means a new phenomenon yet there are critical differences between the various historical instances of such violence and its more current permutations Since the mid 1970s religious fundamentalist movements have been seeking to influence world order by participating in local political systems For example Islamic fundamentalism is at the heart of the Muslim Brotherhood in Egypt the Christian fundamental right wing has seen a resurgence in Europe and Jewish fundamentalism is behind the actions of Meir Kahane's Kach movement and the settler movement The shift in recent years from secular to religious political violence necessitates a reevaluation of contemporary political violence and of the concept of religious violence This text analyzes the evolution of religious political violence in both historical and contemporary perspectives Since religious political violence events are usually associated with the term terrorism the book first analyzes the origins of this controversial term and its religious manifestations It then outlines and highlights the differences between secular and religious political violence on ideological strategic and tactical levels before comparing the concept of Holy War in Judaism Christianity and Islam Lastly it shows how modern radical monotheistic religious groups interpret and manipulate their religious sources and ideas to advocate their political agendas including the practice of violence A unique comparative study of religious political violence across Judaism Islam and Christianity this text features many international case studies from the Crusades to the Arab Spring **Terrorism and Homeland Security** Gus Martin, 2010-07-29 With an emphasis on current theories and today's political and social environment Terrorism and Homeland Security concisely and clearly explains the multifaceted subject of terrorism and its impact on homeland security in the United States today This versatile text grounds the discussion within a historical legal administrative and intellectual framework The book focuses on providing

readers with an understanding of the central challenges perspectives and issues in the field through four Parts a conceptual review of terrorism and its causes terrorist environments such as religious or international terrorism the terrorist trade including the role of the mass media and a fourth section that discusses domestic terrorism in the United States and investigates homeland security from both theoretical and organizational perspectives *Terrorism and Counterterrorism* Brigitte L Nacos,2015-07-22 Focusing on the phenomenon of terrorism in the post 9 11 era *Terrorism and Counterterrorism* investigates this form of political violence in an international and American context and in light of new and historical trends In this comprehensive and highly readable text Brigitte Nacos a renowned expert in the field clearly defines terrorism s diverse causes actors and strategies outlines anti and counter terrorist responses and highlights terrorism s relationship with the media and the public *Terrorism and Counterterrorism* introduces students to the field s main debates and helps them critically assess our understanding of and our strategies for this complex and enduring issue The SAGE Encyclopedia of Terrorism, Second Edition Gus Martin,2011-06-15 Six years after publication of the first edition of the best selling Encyclopedia of Terrorism much has changed on the national security scene Despite the dark promises of Osama bin Laden following the 9 11 attacks the United States has not experienced any major domestic terror incidents Al Qaeda itself is believed to be a severely crippled organization But while U S wars in Afghanistan and Iraq not to mention the arrival of the Obama administration a new balance of power within Congress and an increasingly fragile economic picture have significantly affected the national security picture the threat of economic chaos and massive loss of life due to terror attacks has not abated Indeed in July 2008 analysts pointed out that even a relatively small terrorist organization could present a dire threat with some experts arguing that a biological chemical or even nuclear attack on a major U S city is all but inevitable In this highly charged rapidly shifting environment we are pleased to present the The SAGE Encyclopedia of Terrorism Second Edition a thoroughly updated and expanded edition of the original highly regarded reference work Nearly 100 000 words of new material will be added along with fully updated original entries and expanded coverage New introductory essays will explore the impact of terrorism on economics public health religion and even pop culture Ethical issues such as the role of torture in interrogations competing notions of security versus liberty and the debates over FISA legislation and Guantanamo Bay will also be covered Two dozen entries on significant recent events such as the London bombings Chechen attacks on Russian interests and the rescue of Ingrid Bettancourt and some 60 additional new entries will restore the work as an up to the minute natural first stop for researchers **Encyclopedia of Global Religion** Mark Juergensmeyer,Wade Clark Roof,2012 Presents entries A to L of a two volume encyclopedia discussing religion around the globe including biographies concepts and theories places social issues movements texts and traditions *Terrorism* Randall D. Law,2024-07-09 In this third edition of his widely acclaimed survey historian Randall D Law makes sense of the history of terrorism by examining it within its broad political religious and social contexts from the ancient world to the present day In

Terrorism A History Law reveals how the very definition of the word has changed how the tactics and strategies of terrorism have evolved and how those who have used it have adapted to revolutions in technology communications and political ideologies Terrorism A History extensively covers topics as wide ranging as jihadist violence state terror the Israeli Palestinian conflict Northern Ireland anarcho terrorism and racist violence plus lesser known movements in Uruguay and Algeria as well as pre modern uses of terror in the ancient world medieval Europe and the French Revolution This brand new revision edition features up to the moment analysis of The state of al Qaeda its franchises and global jihad today New incarnations of far right extremism including the Oathkeepers Proud Boys and conspiracy theorists The continuing presence of religiously inspired terrorism in North America and across the world Law s expert analysis also includes updated and expanded chapter bibliographies even more scholarly citations and a new conclusion exploring the future of terrorism Terrorism A History remains the go to book for those wishing to understand the real nature and importance of this ubiquitous phenomenon

Discourses and Practices of Terrorism Bob Brecher, Mark Devenney, Aaron Winter, 2010-02-25 This interdisciplinary book investigates the consequences of the language of terror for our lives in democratic societies The approach of this book is in direct contrast with those that either view terrorism simplistically as a clear reality threatening democratic society and thus requiring certain sorts of response or argue equally simplistically that the invocation of terror is merely the ideological veil for continued capitalist exploitation While closer in spirit to the second of these this work does not simply dismiss the discourse on terror but rather investigates the consequences of this discourse for the organisation of life in democratic societies In interrogating the discourse of terror from a variety of viewpoints this interdisciplinary text builds upon the understanding of the importance of the language of terror from a new perspective the interconnections between discourses of terror the material realities they at once reflect and help produce and the specificities of particular historical circumstances In offering an integrated approach of this sort and founded on a base of applied philosophy broadly conceived the contributors offer a new contribution to both public and academic debate and at the same time initiate a series of further interventions in Critical Terrorism Studies This book will be of interest to students of critical terrorism studies terrorism studies security studies philosophy and discourse theory Bob Brecher is Director of the Centre for Applied Philosophy Politics Ethics at Brighton University He has published widely in moral political and applied philosophy and the politics of higher education Mark Devenney is Academic Programme Leader in Humanities at the University of Brighton He has published in the areas of critical theory post Marxism and post Colonial politics Aaron Winter is Lecturer in Sociology at the University of Abertay Dundee His research focuses on terrorism and the concept of extremism whiteness masculinity and violence and the extreme right organised racism and the religious right in the United States

Perspectives on Violence and Violent Death Robert Stevenson, Gerry Cox, 2017-03-02 This book examines violence It looks at the nature and types of violence the causes of violence and the emotional wake left by violent episodes In the twentieth century the world experienced two world wars

and countless other wars Many millions died violent deaths from murder death squads purges riots revolutions ethnic cleansing rape robbery domestic violence suicide gang violence terrorist acts genocide and in many other ways As we entered the twenty first century we experienced 9 11 the Red Lake School deaths suicide bombers and more mass death brought about by the actions of governments revolutionaries terrorists and still more wars The need to better understand violence both lethal and non lethal to become aware of the many forms of violence and to learn how to survive in the aftermath of violent death are the focus of Perspectives on Violence and Violent Death

Towards the Dignity of Difference? Mojtaba Mahdavi, 2016-02-24 The rise of popular social movements throughout the Middle East North Africa Europe and North America in 2011 challenged two hegemonic discourses of the post Cold War era Francis Fukuyama's The End of History and Samuel Huntington's The Clash of Civilizations The quest for genuine democracy and social justice and the backlash against the neoliberal order is a common theme in the global mass protests in the West and the East This is no less than a discursive paradigm shift a new beginning to the history a move towards new alternatives to the status quo This book is about difference and dialogue it embraces The Dignity of Difference and promotes dialogue However it also demonstrates the limits of dialogue as a useful and universal approach for resolving conflicts particularly in cases involving asymmetric and unequal power relations The distinguished group of authors suggests in this volume that there is a third way of addressing global tensions one that rejects the extremes of both universalism and particularism This third way is a radical call for an epistemic shift in our understanding of us other and good evil a radical approach toward accommodating difference as well as embracing the plural concept of the good The authors strengthen their alternative approach with a practical policy guide by challenging existing policies that either exclude or assimilate other cultures that wage the constructed global war on terror and that impose a western neo liberal discourse on non western societies This important book will be essential reading for all those studying civilizations globalization foreign policy peace and security studies multiculturalism and ethnicity regionalism global governance and international political economy

Death, Dying, and Bereavement in a Changing World Alan Kemp, 2018-11-02 In this introductory text on thanatology Alan Kemp continues to take on the central question of mortality the centrality of death coupled with the denial of death in the human experience Drawing from the work of Ernest Becker Death Dying and Bereavement in a Changing World provides a multidisciplinary and multidimensional approach to the study of death putting extra emphasis on the how death takes place in a rapidly changing world This new second edition includes the most up to date research data and figures related to death and dying New research on the alternative death movement natural disaster related deaths and cannabis as a form of treatment for life threatening illnesses and updated research on physician assisted suicide as well as on grief as it relates to the DSM 5 have been added
