Zwicker,2023-11-15 Refiguring Revolutions presents an original and interdisciplinary reassessment of the cultural and political history of England from 1649 to 1789 Bypassing conventional chronologies and traditional notions of disciplinary divides editors Kevin Sharpe and Steven Zwicker frame a set of new agendas for and suggest new approaches to the study of seventeenth and eighteenth century England Customary periodization by dynasty and century obscures the aesthetic and cultural histories that were enacted between and even by the English Civil Wars and the French Revolution The authors of the essays in this volume set about returning aesthetics to the center of the master narrative of politics They focus on topics and moments that illuminate the connection between aesthetic issues of a private or public nature and political culture Politics between the Puritan Revolution and the Romantic

treason in British law to imagine the king s death But after the execution of Louis XVI in 1793 everyone in Britain must have found themselves imagining that the same fate might befall George III How easy was it to distinguish between fantasising about the death of George and imagining it in the legal sense of intending or designing John Barrell examines this question in the context of the political trials of the mid 1790s and the controversies they generated He shows how the law of treason was adapted in the years following Louis s death to punish what was acknowledged to be a modern form of treason unheard of when the law had been framed The result he argues was the invention of a new an imaginary a figurative treason by which the question of who was imagining the king s death the supposed traitors or those who charged them with treason became inescapable **Dance in the Shadow of the Guillotine** Judith Chazin-Bennahum,1988 Ballet changed dramatically during the

French Revolution Judith Chazin Bennahum reveals how the cold stylized dance movements and weighted ornamental costumes of the 18th century court ballets developed into the ballet of the Romantic movement where dancers wore lightweight costumes that allowed them to flow freely across the stage and take to the air Chazin Bennahum studies the livrets printed scenarios of ballets performed in Paris from 1787 to 1801 to illustrate how dance reflected the social and political upheaval of the French Revolution Ballet s main characters changed from mythological heroes and heroines to the

heroes of the Revolution She examines three major types of ballets and their sources to document these changes ballets based on classical mythology ballets inspired by the revolutionary spirit and ballets rooted in middle class themes from pastoral drama traditional comedy and exotic settings The History of Nations: Burdick Jennie E. General index to the history of nations world chronology and bibliography of historical novels Jennie Ellis Burdick,1928 Revolutionary Ideas Jonathan Israel,2014-03-23 How the Radical Enlightenment inspired and shaped the French Revolution Historians of the French Revolution used to take for granted what was also obvious to its contemporary observers that the Revolution was shaped by the radical ideas of the Enlightenment Yet in recent decades scholars have argued that the Revolution was brought about by social forces politics economics or culture almost anything but abstract notions like liberty or equality In Revolutionary Ideas one of the world s leading historians of the Enlightenment restores the Revolution s intellectual history to its rightful central role Drawing widely on primary sources Jonathan Israel shows how the Revolution was set in motion by radical eighteenth century doctrines how these ideas divided revolutionary leaders into vehemently opposed ideological blocs and how these clashes drove the turning points of the Revolution In this compelling account the French Revolution stands once again as a culmination of the emancipatory and democratic ideals of the Enlightenment That it ended in the Terror represented a betrayal of those ideas not their fulfillment
