## **Tesla Speaks Countdown To Space Landing:**

**The Gods Have Landed** James R. Lewis,1995-03-09 This is a comprehensive account of the religious dimensions of the UFO flying saucer experience     *When Prophecy Never Fails* Diana G. Tumminia,2005-08-11 Of the approximately fifty percent of Americans who believe in UFOs a fraction are devotees of one of the numerous UFO based new religious movements The Unarius Academy of Science is one of the oldest of these groups Founded in 1954 by Cosmic Visionaries Ruth and Ernest Norman also known respectively as Archangels Uriel and Raphael Unarius is devoted to teaching the all encompassing Uranian Science Combining elements of pop psychology new age thought and science fiction the Science asks its students to channel messages from the infinitely intelligent Space Brothers and to heal themselves through the practice of past life therapy Unarians await the arrival of spaceships manned by the Space Brothers that will bring to earth advanced intergalactic technology that will benefit all humankind Tumminia has been conducting research on Unarius for over a decade attending meetings interviewing members and studying official Unarian literature and videos Here she offers an inside look at this fascinating movement She pays particular attention to the ways Unarians adapt when their prophecies and particularly their prediction that the Space Brothers would land in 2001 don t materialize This is the first in depth study of any UFO religion     **Handbook of UFO Religions** ,2021-03-08 The Handbook of UFO Religions edited by esteemed scholar of new religions Benjamin E Zeller offers the most expansive and detailed study of the persistent popular and global phenomenon of religious engagements with ideas about extraterrestrial life The present work considers not only new religions founded on ideas about extraterrestrials and UFOs but how those within more mainstream religions have responded to the science scientific speculation and popular culture involving extraterrestrials UFOs and related concepts Global in reach it includes chapters considering South and East Asia Europe and North and South America and draws on several interdisciplinary methods In addition the handbook traces connections between UFO religiosity and cultural patterns such as science and scientism esoterism and occultism millennialism and popular culture     **Channeling** Joel Bjorling,2019-06-19 Originally published in 1992 Channeling is a comprehensive bibliography on the subject of channeling The book defines channeling as any message received or conveyed from transcendent entities and covers material on the history of channeling those that have claimed to transcend death contact with UFOs and contemporary channeling groups The book acts as a research guide and seeks to outline the historical roots of channeling explaining its major teachings and considers its significance as a spiritual movement It provides sources from books booklets articles and ephemeral material and offers a comprehensive list of both primary and secondary materials related to channeling the bibliography takes the most diverse and useful sources of the time This volume although published almost 30 years ago still provides a unique and insightful collection for academics of religion in particular those researching spiritualism and the occult     *Routledge Library Editions: Spiritualism* Various,2022-07-30 The volumes in this set originally published between 1974 and 1992 draw together

research by leading academics in spiritualism and provide a rigorous examination of related key issues The collection examines spirituality from a broad range of disciplines from the spirituality in the Christian church spirituality in Africa and Afro American religions as well as examining the areas of channeling mediumship and spirit possession In this 3 volume set there are two incredibly unique and insightful bibliographic source collections examining both primary and secondary source listings across the subject of spiritualism and one volume providing field research into spirituality in the Christian church and in the occult This collection is an incredibly useful tool for researchers examining the broad area of spiritualism and will be of interest to researchers academics and students of anthropology religion and sociology **End of Days** Carolyn

Kinane, Michael A. Ryan, 2014-01-10 The idea of the complete annihilation of all life is a powerful and culturally universal concept As human societies around the globe have produced creation myths so too have they created narratives concerning the apocalyptic destruction of their worlds This book explores the idea of the apocalypse and its reception within culture and society bringing together 17 essays that explore both the influence and innovation of apocalyptic ideas from classical Greek and Roman writings to the foreign policies of today's United States **UFOs and the Extraterrestrial Contact**

Mimmis, 2014-07-08 A cosmic storm reunites a father with his late son but another kind of disturbance awaits them in this paranormal science fiction trilogy debut A fast read with some entertaining ideas and a real emotional core in the relationship between father and son Publishers Weekly Thomas Pendleton loves his wife Ann and six year old son Seth more than anything but his job often makes him an absent husband and father One day after Thomas leaves on a business trip his wife and son are killed in a car accident Thomas shuts himself off from the world and is at home grieving when a cosmic storm enters Earth's atmosphere Scientists are baffled by its composition and origins but not nearly as much as they are by the storm's side effect Anyone who has died and chosen not to cross over is suddenly visible and can interact with the living Ann does not return but Seth does and Thomas sees it as a

miraculous second chance to spend time with his son and keep the promises he had previously broken They set out on a trip to the Air and Space Museum in Washington DC but little do they know that they are traveling headlong into a social and political maelstrom that will test Thomas in ways he could never imagine Along the way the father and son come face to face with armed kidnappers who want Seth for his supernatural abilities meet up with a medium the ghost of a slave boy and encounter none other than Abraham Lincoln Citing an overpopulation problem caused by the Impalpables the government begins to take drastic measures Military scientists have a device called the Tesla Gate that is said to return Impals to where they were before the storm Many have nicknamed the controversial machine the shredder because no one knows if it will do what it is reputed to or if it will instead shred the Impals effectively destroying the soul Thomas is determined to do everything possible to save Seth or at the very least ensure that Seth doesn't have to endure his sentence alone *Small Press Record of Books in Print* Len Fulton,1994 Encyclopedic Sourcebook of Ufo Religions James R. Lewis,2003-11 The macabre mass suicide by adherents of the Heaven's Gate Cult in 1997 was shocking and difficult to comprehend for most outsiders Their bizarre mindset which mixed New Age religion with belief in extraterrestrial visitation struck many as unique In fact as the contributors to this intriguing study show the belief in alien contact has had religious overtones since the first purported sighting of an unidentified flying object UFO in 1947 Moreover the religious dimensions of the UFO phenomenon may be the key to understanding the widespread appeal of this modern craze An expert in new religions Professor James Lewis has here brought together twenty insightful articles that cover the many variations of UFO based religions What the contributors demonstrate is that there are persistent and salient themes underlying the diversity of beliefs centered on the UFO phenomenon Harkening back to theosophy many groups have interpreted UFO sightings and alleged contacts as attempts by alien ambassadors from a more advanced civilization to bring spiritual enlightenment to Earth where humanity is seen to be floundering in ignorance The extraterrestrial message is usually channeled through a charismatic human leader who then mobilizes a group around this New Age revelation The Encyclopedic Sourcebook of UFO Religions discusses the histories and beliefs of prominent UFO based sects looks at group dynamics and other sociological factors and presents selections from the unusual literature of the various groups This revealing and disturbing study shows that there is much more to the UFO phenomenon than simple curiosity about the possibility of life on other planets *Books in Print* ,1981

**Books in Print Supplement** ,1985 The Wall of Light Arthur H. Matthews,1996-09 **Landing a Smooth Retirement** Glenn Ullmann CDFA®,2020-12-14 Landing a Smooth Retirement turns conventional wisdom upside down by challenging currently accepted perceptions of how people attain financial independence This book proves that the path to financial success is bound by four basic principles Whether you are a sophisticated investor a highly paid executive or an employee at a retail store this ground breaking work will reduce your financial stress by steering you towards traveled paths of success Creating wealth and maintaining affluence requires changing some basic thinking about investing taxes the cost of
