Sanders,2005-01 Interested without a doubt in history and concerned for the place of her beginnings especially concerned for the heart of man and the things that makes life rich which is not currency but those things that builds character and a happy heart Pondering deep in her format for this story I must say that it is an unforgettable format The search led to the story that follows Trying to share the love of the people on Bailey Station Road during a time when people enjoyed each other She tells of some dark memories and how the Lord will bring you through Bailey Station is about the Orions trying to have peace after incident after incident tragedy and through it all they held it together Living in a small frame house but much love was shared In a novel that combines historical events romance and Praises to God who created the heavens and the earth She presents a unique style in format within these paves *My Testimony* Della Magnet,2000-12-20 Our God is extraordinary enough to make His way into the very center of our ordinary lives if we let him My Testimony is an easy read that somehow challenges you to go to a new place with God This very personal perspective will free you to realize God s majesty in the simplicity of your own life The Power of God in a Testimony Barbara Jeanette Shephard,2021-09-09 This book is written to encourage and inspire those that are facing challenges in life Barbara is a woman that grew up in a large family in which she is the seventh child of nine children From the time she was born she was faced with many different health challenges Through all the problems she endured she believed in her heart that it was only a test She always believed God could do the impossible The Power of God in a Testimony is a memoir compiled of short stories and various testimonies that consist of miraculous healings that God

performed in her life and her family In one of her lowest moments you will see how God strengthened her to go through one of the greatest obstacles of her life She will tell her testimony of how God healed her of stage 4 cancer three times and stage 2 cancer twice All was done within ten years She will also tell the miraculous healing that God performed in her parents and sibling s life You will see how God healed her father of a massive stroke her mother of a compressed vertebrae her brothers of a cardiac arrest and colon cancer and her sisters of heart problems and cancer You will also witness the healing of others She will also tell of how God miraculously blessed her with jobs and opened doors financially for her When it seems like doors were shut God always provided After all she has gone through she is determined to hold on to God and not let her faith waiver She has dedicated her life to God and continues to share her testimony **My Testimony** Lelia Ann

Ohlund,2015-07-30 My awesome stories of testimony are about God saving me from drowning in the Mediterranean Sea saving my life when I hydroplaned up the road in the wrong lane going backward toward oncoming traffic sending me angels with messages of peace and hope healing my body after a chiropractic accident blessing me with wise advice for taking care of a new mother giving me peace after my mastectomy prompting me when members of my family needed me protecting me when I fell off the bathtub and helping me when I lost my cell phone was targeted by purse thieves tithed and bought a car The purpose of my book is to lovingly publicly and lavishly thank God for what he has done for me and to leave my Christian testimony as my legacy to our children grandchildren and you While reading MY TESTIMONY you will learn more about God s blessings and you will think about the legacy that you are leaving for your family **From Misery to Ministry** Judith

Walker-Franklin,2006-06-29 From Misery to Ministry is my personal testimony of the miraculous power of God demonstrated in my life This book shows and reveals clearly the nature of God as Savior Deliverer and Protector Most of all it shows God s mercy grace and love and how complete it is and how far it reaches This is a love story A story of God the Father pursuing and chasing after His children and showing acceptance to them no matter what they have done and how far away from Him they have gone If you have ever felt that you had no hope this testimony will restore hope to you If you have ever searched for acceptance and significance you must read this book If you have been in bondage to your emotions people drugs or thoughts of suicide then God brought this book to life just for you I promise you this testimony has been mandated by God and will change your very life **How I Know God Answers Prayer** Rosalind Goforth,1921 IT seems fitting that this little

book of personal testimonies to answered prayer should have a brief introductory word as to how they came to be written The question has been asked by some who read many of these testimonies as they appeared in the pages of The Sunday School Times How could you write such personal and sacred incidents in your life I could not have written them but for a very clear God given leading The story is as follows When in Canada on our first furloughs I was frequently amazed at the incredulity expressed when definite testimony was given to an answer to prayer Sometimes this was shown by an expressive shrug of the shoulders sometimes by a sudden silence or turning of the topic of conversation and sometimes more openly by

the query How do you know that it might not have happened so anyway Gradually the impression deepened If they will not believe one two or a dozen testimonies will they believe the combined testimonies of one whole life The more I thought of what it would mean to record the sacred incidents connected with answers to prayer the more I shrank from the publicity and from undertaking the task There were dozens of answers far too sacred for the public eye which were known only to a few others known only to God But if the record were to carry weight with those who did not believe in the supernatural element in prayer many personal and scarcely less sacred incidents must of necessity be made public **God Saves** Osazuwa Inneh,2017-06-06 This book is a chronological blow by blow account of countless encounters and compelling testimonies of the Almighty Gods interactions with the author for over four decades It is another proof that gives credence to the claim made by Jesus Christ concerning himself and who he is **Experiencing God's Voice** Cindy Vo,2013-04 Life Experience of a woman who learns to hear God s voice in a miserable circumstance *Witness of God's Power* Juan Felix Aldave-Pita,2020-06-19 I am Juan F lix Aldave Pita I am 69 years old and work for 38 years as a medical doctor I wrote this book because I believe that the most trascendental goal in life above physical health is the salvation of each soul through the Lord Jesus Christ who died on Calvary s cross to save the humanity from the eternal damnation deserved for our sins Soul salvation is more transcendent than physical healing because it has eternal implications Two thousand years ago four friends brought a paralytic to the Lord Jesus Everyone expected the Lord to cure him of his paralysis that was the reason for which the sick man was brought However to everyone s surprise the Lord Jesus said to the paralytic Take heart son your sins are forgiven Immediately the religious of that time attentive to the scene murmured Who is this fellow who speaks blasphemy Who can forgive sins but God alone What the religious did not know is that the Lord Jesus Christ was in fact God in human form Jesus knowing their thoughts said Why are you thinking these things in your hearts Which is easier to say Your sins are forgiven or to say Get up and walk But I want you to know that the Son of Man has authority on earth to forgive sins So he said to the paralyzed man I tell you get up take your mat and go home Instantly the paralytic rose healed In this book I will share with you ten of the many experiences that impacted my life and showed me the immense power of the Lord Jesus Christ in the midst of dire circumstances of illness social problems and pain *It's a Miracle* Marie A Andre,2016-09-13 It all started with a random 2 00 am phone call on October 1 2001 The caller was anonymous and the message they gave was intelligible This is the story of a young boy who once died in a pool but was raised to life by the grace of God The story of his mother continues from that day to include her many encounters with the Lord through dreams heavenly signs and life events The many stories in this book are meant to provide encouragement inspiration strength faith and hope to all who read its words **Floored and Delivered** Elizabeth Soldahl,2018-03 Elizabeth Soldahl shares her compelling life story of hardship interwoven with God s love healing and forgiveness Behind the idyllic All American childhood looms an ominous secret affecting her life for years to come She escapes to a world filled with parties cheerleading then marries at a young age two

daughters and a country club lifestyle follow The journey changes forever when she suffers the loss of a stillborn baby and a seventeen year marriage At mid life she returns to Holy Names University for a Master s degree and begins teaching children Another health crisis ensues and loneliness consumes her One day God answers her prayer by sending a loving soul mate Then at the pinnacle of happiness with her new husband performing Christian concerts and remodeling Flip or flop homes Elizabeth comes face to face with some of life s most dreaded diseases She will seek heavenly help to endure Her Tell All testimony is infused with humor and pearls of hard earned wisdom Discover the ultimate Truth along with Elizabeth as she bears witness to God s miracles through the love and forgiveness of Jesus Christ Be strong and of good courage Do not be afraid or be dismayed **He Touched Me** Jackie Lott Green,2009-09-21 There is no available information at this time

Tell It Like It Is Lillian Daniel,2005-12-30 Lillian Daniel shares how her congregation re appropriated the practice of testimony one Lenten season a practice that would eventually revitalize their worship and transform their congregational culture The experience strengthened lay leadership fostered more intimate community and drew the congregation closer to God The book features the testimonies worshipers heard and reflections from both those who spoke and those who listened to these stories about God at work in the world **The Power of Testimony** Larry David,2025-08-08 The Power of Testimony A Journey of Faith and God s Unfailing Love invites readers to witness real life stories of redemption mercy and grace Each chapter brings hope and encouragement through heartfelt testimonies that showcase God s incredible work in everyday life **A Testimony to the Free Grace of God** James Monteith,1841
