Survey of twentieth-century English language writers and writing from around the world, celebrating all major genres with entries on literary movements, periodicals, more than 400 individual works and articles on approximately 2,400 authors. The Presence of Pessoa George Monteiro, 2014-10-17 Fernando Pessoa 1888-1935 is perhaps the most engaging of the great Western modernists of this century. Born in Portugal but raised and educated in southern Africa, Pessoa wrote poetry, fiction and nonfiction. George Monteiro provides refreshingly new interpretations of Pessoa's *Mensagem* (Message) and the modernist novella *O Banqueiro Anarquista* (The Anarchist Banker). But he is primarily interested in tracing Pessoa's influence on a wide range of contemporary writers. Among those Monteiro finds putting Pessoa's work to their own surprising and sometimes comic uses are Joyce, Carol Oates, Allen Ginsberg, John Wain, Lawrence Ferlinghetti and earlier poets including Thomas Merton, Edouard Roditi and Roy Campbell. In addition, the complete text of Campbell's pioneering biocritical study of Pessoa is published here for the first time. *South Atlantic Review*, 1989

*Book Review Index Cumulation, 1989* Neil E. Walker, Beverly Baer, 1990-04 The Index provides a broad coverage and access to book reviews in the general social sciences, humanities, sciences and fine arts, as well as general interest magazines and includes journals from Great Britain, Canada, Switzerland, Israel and Australia. In addition, it indexes several journals that while published in the US, concentrate on reviewing foreign published or foreign language books. These include *Hispania*, *French Review*, *German Quarterly* and *World Literature Today*. Family Business Allen Ginsberg, Louis Ginsberg, 2002-09-07 A touching look into the heart and family of one of America's greatest poets. As a literary portrait of a father and son, little can match the eloquence and honesty of this collection of letters written between Allen Ginsberg and his father Louis, spanning the years 1944 to 1976. Their correspondence is filled with affection, respect and a healthy dose of argumentative zeal; they debate every major political and artistic issue that faced America in over three decades of extraordinary change. But the

letters also tell of a strong bond of intimacy and affection between the two revealing just how crucial that closeness was to the development of Allen Ginsberg's art [Choice](#), 1989 *The New York Times Guide to Essential Knowledge* The New York Times, 2004-11-05 From the New York Times comes a thorough authoritative easy to use guide to a broad range of essential subjects **The World Almanac and Book of Facts 2016** Sarah Janssen, 2015-12-08 Get thousands of facts right at your fingertips with this essential resource The World Almanac and Book of Facts is America's top selling reference book of all time with more than 82 million copies sold Since 1868 this compendium of information has been the authoritative source for all your entertainment reference and learning needs The 2016 edition of The World Almanac reviews the events of 2015 and will be your go to source for any questions on any topic in the upcoming year Praised as a treasure trove of political economic scientific and educational statistics and information by The Wall Street Journal The World Almanac and Book of Facts will answer all of your trivia needs from history and sports to geography pop culture and much more Features include The Year in Review The World Almanac takes a look back at 2015 while providing all the information you'll need in 2016 2015 Top 10 News Topics The editors of The World Almanac list the top stories that held their attention in 2015 2015 Year in Sports Hundreds of pages of trivia and statistics that are essential for any sports fan featuring complete coverage of the first College Football Playoff the Women's World Cup 2015 World Series and much more 2015 Year in Pictures Striking full color images from around the world in 2015 covering news entertainment science and sports 2015 Offbeat News Stories The World Almanac editors found some of the strangest news stories of the year World Almanac Editors Picks Time Capsule The World Almanac lists the items that most came to symbolize the year 2015 from news and sports to pop culture U S Immigration A Statistical Feature The World Almanac covers the historical background statistics and legal issues surrounding immigration giving factual context to one of the hot button topics of the upcoming election cycle World Almanac Editors Picks Most Memorable Super Bowls On the eve of Super Bowl 50 the editors of The World Almanac choose the most memorable big games New Employment Statistics Five years after the peak of the great recession The World Almanac takes a look at current and historic data on employment and unemployment industries generating job growth and the training and educational paths that lead to careers 2016 Election Guide With a historic number of contenders for the presidential nominations The World Almanac provides information that every primary and general election voter will need to make an informed decision in 2016 including information on state primaries campaign fundraising and the issues voters care about most in 2016 The World at a Glance This annual feature of The World Almanac provides a quick look at the surprising stats and curious facts that define the changing world and much more
