Treasury of Texas Trivia Bill Cannon,1998-08-31 Aauthor Bill Cannon as he reveals facts that depict the colorul bravado unique to the Lone Star State **Army Directory** United States. Adjutant-General's Office,1941 **Lone Star Unionism, Dissent, and Resistance** Jesús F. de la Teja,2016-03-09 Most histories of Civil War Texas some starring the fabled Hood s Brigade Terry s Texas Rangers or one or another military figure depict the Lone Star State as having joined the Confederacy as a matter of course and as having later emerged from the war relatively unscathed Yet as the contributors to this volume amply demonstrate the often neglected stories of Texas Unionists and dissenters paint a far more complicated picture Ranging in time from the late 1850s to the end of Reconstruction Lone Star Unionism Dissent and Resistance restores

a missing layer of complexity to the history of Civil War Texas The authors all noted scholars of Texas and Civil War history show that slaves freedmen and freedwomen Tejanos German immigrants and white women all took part in the struggle even though some never found themselves on a battlefield Their stories depict the Civil War as a conflict not only between North and South but also between neighbors friends and family members By framing their stories in the analytical context of the long Civil War Lone Star Unionism Dissent and Resistance reveals how friends and neighbors became enemies and how the resulting violence often at the hands of secessionists crossed racial and ethnic lines The chapters also show how ex Confederates and their descendants as well as former slaves sought to give historical meaning to their experiences and find their place as citizens of the newly re formed nation Concluding with an account of the origins of Juneteenth the nationally celebrated holiday marking June 19 1865 when emancipation was announced in Texas Lone Star Unionism Dissent and Resistance challenges the collective historical memory of Civil War Texas and its place in both the Confederacy and the United States It provides material for a fresh narrative one including people on the margins of history and dispelling the myth of a monolithically Confederate Texas

The Texas Rangers Mike Cox, 2024-05-01 A lively enlightening history of one of the oldest most esteemed law enforcement agencies in America Booklist Starting in 1821 with just a handful of men the Rangers first purpose was to keep settlers safe from the feared and gruesome Karankawa Indians a cannibalistic tribe that wandered the Texas territory As the influx of settlers grew the attacks increased and it became clear that a much larger better trained force was necessary From their tumultuous beginning to their decades of fighting outlaws Comanche Mexican soldados and banditos as well as Union soldiers the Texas Rangers became one of the fiercest law enforcement groups in America In a land as spread out and sparsely populated as the west itself the Rangers had unique law enforcement responsibilities and challenges The story of the Texas Rangers is as controversial as it is heroic Often accused of vigilante style racism and murder they enforced the law with a heavy hand But above all they were perhaps the defining force for the stabilization and the creation of Texas From Stephen Austin in the early days through the Civil War the first eighty years of the Texas Rangers is nothing less than phenomenal setting the foundation for the Texas Rangers that keep Texas safe today Richly detailed This modern masterpiece does full justice to both the reality and the myth of the Texas Rangers a great organization of which I was honored to be a part for 27 years Joaquin Jackson Texas Ranger Ret author of One Ranger A Memoir
