Texas Under a Cloud Ben Procter, Sam Kinch, Jr., 1979-01-01 **Texas Confidential** Michael Varhola, 2011-06-15 The latest installment in the Confidential series Texas Confidential pokes at the seamy underbelly of the Lone Star State where folks do everything including sex scandal murder and mayhem in a big way Author Michael J Varhola rounds up more than 40 Texas tales from the rogues who defended the Alamo to the rogues who brought down Enron Along the way readers learn the sordid details of sex from Miss Hattie s Bordello in West Texas now a museum to Charlie Wilson s Whore scandal from corrupt governors Ma and Pa Ferguson to corrupt politicians Lyndon Johnson and Tom DeLay murder from Bonnie and Clyde to the Kennedy Assassination to the over zealous cheerleader mom and mayhem from the crash of a UFO in 1897 in the little town of Aurora to Nazi war criminals hiding in El Paso while working for the local government Packed with pictures and loaded with sidebars Texas Confidential is informative irreverent and enormously entertaining *The House Will Come To Order* Patrick L. Cox, Michael Phillips, 2010-03-01 In a state assumed to have a constitutionally weak governor the Speaker of the Texas House wields enormous power with the ability to almost single handedly dictate the legislative agenda The House Will Come to Order charts the evolution of the Speaker s role from a relatively obscure office to one of the most powerful in the state This fascinating account drawn from the Briscoe Center s oral history project on the former Speakers is the story of transition modernization and power struggles Weaving a compelling story of scandal service and opportunity Patrick Cox and Michael Phillips describe the divisions within the traditional Democratic Party the ascendance of Republicans and how Texas business agriculture and media shaped perceptions of officeholders While the governor and lieutenant governor wielded their power the authors show how the modern Texas House Speaker built an office of equal power as the state became more complex and diverse The authors also explore how race class and gender affected this transition as they explain the importance of the office in Texas and the impact the state s Speakers have had on national politics At the apex of its power the Texas House Speaker s role at last receives the critical consideration it deserves *Time of the Rangers* Mike Cox, 2009-08-18 A history of the famed law enforcement agency the Texas Rangers in the twentieth and early twenty first century *Barbara Jordan* Mary Beth Rogers, 2011-04-20 Barbara Jordan was the first African American to serve in the Texas Senate since Reconstruction the first black woman elected to Congress from the South and the first to deliver the keynote address at a national party convention Yet Jordan herself remained a mystery a woman so private that even her close friends did not know the name of the illness that debilitated her for two decades until it struck her down at the age of fifty nine In *Barbara Jordan* Mary Beth Rogers deftly explores the forces that shaped the moral character and quiet dignity of this extraordinary woman She reveals the seeds of Jordan s trademark stoicism while recapturing the essence of a black woman entering politics just as the civil rights movement exploded across the nation Celebrating Jordan s elegance passion and patriotism this illuminating portrayal gives new depth to our understanding of one of the most influential women of our time

activism population growth among Mexican American citizens of voting age increased participation among women and minorities at state and national levels in the Democratic Party beginning in the 1960s the emergence of the Republican Party as a viable alternative for Southern conservatives civil rights legislation and the transition to a more representative two party system thanks to liberal coalitions Culling extensive archival research including party records and those of both Latino activists and Anglo elected officials as well as numerous interviews with leading figures and collected letters of some of Texas s most prominent voices Benjamin M rquez traces the slow and difficult departure from a racially uniform political class to a diverse one As Texas transitioned to a more representative two party system the threat of racial tension and political exclusion spurred Mexican Americans to launch remarkably successful movements to ensure their incorporation The resulting success and dilemmas of racially based electoral mobilization embodied in pivotal leaders such as Henry B Gonzalez and Tony Sanchez is vividly explored in *Democratizing Texas Politics* The Alcalde ,1972-05 As the magazine of the Texas Exes The Alcalde has united alumni and friends of The University of Texas at Austin for nearly 100 years The Alcalde serves as an intellectual crossroads where UT s luminaries artists engineers executives musicians attorneys journalists lawmakers and professors among them meet bimonthly to exchange ideas Its pages also offer a place for Texas Exes to swap stories and share memories of Austin and their alma mater The magazine s unique name is Spanish for mayor or chief magistrate the nickname of the governor who signed UT into existence was The Old Alcalde *Texas Politics Today* William Earl Maxwell,Ernest Crain,1990 **Practicing Texas Politics** Eugene W.
