Texas Justice Bought And Paid For:

Texas Justice, Bought and Paid For Mona D. Sizer, 2000-08 Crimes examined are the King Ranch murders the Walker Railey story the John Hill case and the Cullen Davis mansion murders **Outrageous Texans** Mona D. Sizer, 2008-06-27 Outrageous Texans profiles ten larger than life eccentric extravagant and interesting personalities to ever come out of the Lone Star State Mona Sizer who is the queen of quirky Texas historical writing details the remarkable lives of notable figures such as Janis Joplin Miss Texas Guinan s burlesque show that was too hot for Paris Kinky Friedman Racehorse Haynes Stanley Marsh 3 s Cadillac Ranch and more **Lawmen of the Old West** Del Cain, 2001 The lawmen in this book were serious offenders against the laws they had at one time sworn to uphold Their skills were honed in range wars and family feuds and polished along the cattle trails in the saloons and banks and on the trains of the West More than one kicked out their lives at the end of ropes strung up by citizens who were outraged by their abuse of the trust that went along with the badge they wore These are their stories Singin' a Lonesome Song Gary Brown, 2001-01-25 These prison tales include chain bus drivers wild bull riders and a prison baseball team that took on the Texas semi pro champions in Houston s old Buff Stadium They include inmates and prisoners of war supplying materials to the Confederate army and convict laborers building a state railroad and quarrying granite for the beautiful state capitol in Austin **Texas Ranger Captain William L. Wright** Richard McCaslin, 2021-10-15 William L Wright 1868 1942 was born to be a Texas Ranger and hard work made him a great one Wright tried working as a cowboy and farmer but it did not suit him Instead he became a deputy sheriff and then a Ranger in 1899 battling a mob in the Laredo Smallpox Riot policing both sides in the Reese Townsend Feud and winning a gunfight at Cotulla His need for a better salary led him to leave the Rangers and become a sheriff He stayed in that office longer than any of his predecessors in Wilson County keeping the peace during the so called Bandit Wars investigating numerous violent crimes and surviving being stabbed on the gallows by the man he was hanging When demands for Ranger reform peaked he was appointed as a captain and served for most of the next twenty years retiring in 1939 after commanding dozens of Rangers Wright emerged unscathed from the Canales investigation enforced Prohibition in South Texas and policed oil towns in West Texas as well as tackling many other legal problems When he retired he was the only Ranger in service who had worked under seven governors Wright has also been honored as an inductee into the Texas Ranger Hall of Fame at Waco Sold to the Highest Bidder Daniel M. Friedenber, 2010-09-09 This is a glorious America for the alert and resourceful notes Daniel Friedenber in this critical review of the American presidency during the last half of the 20th century But he cautions This is an unhappy America for the disadvantaged the weak in body or mind and those born without close family ties The disparity between rich and poor in our immensely wealthy nation and the corrupting influence of money on politics to the advantage of the few over the many form the heart of his critique Friedenber emphasizes that the New Deal concern for the underdog the major social achievement of the first half of the 20th century has been gradually

abandoned by presidents in the latter half of the century along with tax policies that shifted wealth from the well to do to the less privileged Though paying lip service to democracy in fact recent presidents have upheld a system designed to maximize the influence of a powerful elite a flexible plutocracy as Friedenbergr describes it This has good and bad aspects On the one hand the innovations launched by powerful business leaders such as Henry Ford Thomas J Watson IBM and Bill Gates Microsoft have resulted in millions of new jobs and advanced the overall prosperity of the nation On the other hand the system does little to help the poor rise to a higher level and it has kept the middle class stagnating for the last thirty years The effect of presidential policies is a divide between the haves and have nots that today is every bit as stark as it was before the Great Depression Friedenbergr pleads for a new focus on improved education for all to narrow the widening gap between rich and poor instead of the current folly of building gated communities for the wealthy and ever more prisons for the law breaking underprivileged The vast technological resources unleashed by the computer revolution can and should be used to create a more equitable American future
