Rodенberger**

Texas Women A Pictorial History:

Texas Women Ruthe Winegarten,1986-01-01 **Texas women** Ruthe Winegarten,1993 *Black Texas Women: 150 Years of Trial and Triumph* Ruthe Winegarten,2010-07-22 Enriches and complicates African American and women s history by connecting threads of race gender class and region Darlene Clark Hine John A Hannah Professor of History Michigan State University Winner of the Liz Carpenter Award from the Texas State Historical Association Women of all colors have shaped families communities institutions and societies throughout history but only in recent decades have their contributions been widely recognized described and celebrated This book presents the first comprehensive history of Black Texas women a previously neglected group whose 150 years of continued struggle and some successes against the oppression of racism and sexism deserve to be better known and understood Beginning with slave and free women of color during the Texas colonial period and concluding with contemporary women who serve in the Texas legislature and the United States Congress Ruthe Winegarten organizes her history both chronologically and topically Her narrative sparkles with the life stories of individual women and their contributions to the work force education religion the club movement community building politics civil rights and culture The product of extensive archival and oral research and illustrated with over 200 photographs this groundbreaking work will be equally appealing to general readers and to scholars of women s history black history American studies and Texas history Occasionally a book comes along that is monumental in scope overwhelming in amount of research and so powerful in its impact as to be categorized at once as a lasting contribution to our knowledge of humankind Black Texas Women is one of those rare books The Journal of American History *Texas Women Writers* Sylvia Ann Grider,Lou Halsell Rodenberger,1997 A critical survey of over 150 years of Texas women writers including fiction and nonfiction authors poets and dramatists *A Pictorial History of Texas* Homer S. Thrall,1879 **Texas Women on the Cattle Trails** Sara R. Massey,2006 Tells the stories of sixteen women who drove cattle up the trail from Texas during the last half of the nineteenth century *A Pictorial History of Texas, from the Earliest Visits of European Adventurers, to A.D. 1885* Homer S. Thrall,1885

Women Pioneers in Texas Medicine Elizabeth Silverthorne,Geneva Fulgham,1997 The pioneering figures presented here have forged new paths for women in fields ranging from nursing pharmacy public health and dentistry to general and hospital practice hospice care virology surgery and psychiatry Their stories reveal the special obstacles they faced and overcame as women practicing in a demanding traditionally all male field They also chronicle the history of medicine in the state generally since although there was discrimination and resistance to accepting them their accomplishments paralleled and in some instances led the development of medical practice and specialization Using vignettes and biographical details garnered from sparse available literature newspaper archives typescripts found in various libraries around the state and interviews Elizabeth Silverthorne and Geneva Fulgham have created profiles of women ranging from traditional roles such as native herbalists and midwives through contemporary pioneers in fields like genetics and nuclear medicine Drawing on

subjects across the centuries throughout Texas geographical regions and from diverse ethnic groups they have painted rounded portraits of the women showing their educational achievements personalities commitments family lives and hobbies The stories of these pioneering women told in clear and compelling prose are fascinating and even inspiring The accomplishments of the women heighten our understanding of the ways in which women have defied stereotype Through personal persistence and dedication to their chosen fields often against great odds the women profiled here contributed to an elevated status for all women in the state

The History of Texas, 2014-01-28 The History of Texas is fully revised and updated in this fifth edition to reflect the latest scholarship in its coverage of Texas history from the pre Columbian era to the present Fully revised to reflect the most recent scholarly findings Offers extensive coverage of twentieth century Texas history Includes an overview of Texas history up to the Election of 2012 Provides online resources for students and instructors including a test bank maps presentation slides and more

Capitol Women Nancy Baker Jones, Ruthe Winegarten, 2010-07-22 Along with bar rooms and bordellos there has hardly been a more male focused institution in Texas history than the Texas Legislature Yet the eighty six women who have served there have made a mark on the institution through the legislation they have passed much of which addresses their concerns as citizens who have been inadequately represented by male lawmakers This first complete record of the women of the Texas Legislature places such well known figures as Kay Bailey Hutchison Sissy Farenthold Barbara Jordan Irma Rangel Eddie Bernice Johnson Susan Combs and Judith Zaffirini in the context of their times and among the women and men with whom they served Drawing on years of primary research and interviews Nancy Baker Jones and Ruthe Winegarten offer concise biographies and profiles of all eighty six women who have served or currently hold office in the Texas Legislature The biographies describe the women lawmakers lives campaign strategies and legislative successes and defeats Four introductory essays provide historical and cultural context for the biographies which are arranged chronologically to give a sense of the passage of time of relationships among and between women and of the issues of their eras

Writing the Story of Texas Patrick L. Cox, Kenneth E. Hendrickson, Jr., 2013-03-01 The history of the Lone Star state is a narrative dominated by larger than life personalities and often contentious legends presenting interesting challenges for historians Perhaps for this reason Texas has produced a cadre of revered historians who have had a significant impact on the preservation some would argue creation of our state s past An anthology of biographical essays Writing the Story of Texas pays tribute to the scholars who shaped our understanding of Texas s past and ultimately the Texan identity Edited by esteemed historians Patrick Cox and Kenneth Hendrickson this collection includes insightful cross generational examinations of pivotal individuals who interpreted our history On these pages the contributors chart the progression from Eugene C Barker s groundbreaking research to his public confrontations with Texas political leaders and his fellow historians They look at Walter Prescott Webb s fundamental innovative vision as a promoter of the past and Ruthe Winegarten s efforts to shine the spotlight on minorities and women

who made history across the state Other essayists explore Llerena Friend delving into an ambitious study of Sam Houston Charles Ramsdell courageously addressing delicate issues such as racism and launching his controversial examination of Reconstruction in Texas Robert Cotner an Ohio born product of the Ivy League bringing a fresh perspective to the field and Robert Maxwell engaged in early work in environmental history *Texas Women* Elizabeth Hayes Turner, Stephanie Cole, Rebecca Sharpless, 2015 This is a collection of biographies and composite essays of Texas women contextualized over the course of history to include subjects that reflect the enormous racial class and religious diversity of the state Offering insights into the complex ways that Texas position on the margins of the United States has shaped a particular kind of gendered experience there the volume also demonstrates how the larger questions in United States women s history are answered or reconceived in the state Beginning with Juliana Barr s essay which asserts that women marked the lines of dominion among Spanish and Indian nations in Texas and explodes the myth of Spanish domination in colonial Texas the essays examine the ways that women were able to use their borderland status to stretch the boundaries of their own lives Eric Walther demonstrates that the constant changing of governments in Texas Spanish Mexican Texan and U S gave slaves the opportunities to resist their oppression because of the differences in the laws of slavery under Spanish or English or American law Gabriela Gonzalez examines the activism of Jovita Idar on behalf of civil rights for Mexicans and Mexican Americans on both sides of the border Renee Laegreid argues that female rodeo contestants employed a unique regional interplay of masculine and feminine behaviors to shape their identities as cowgirls **American Studies** Jack Salzman, 1990-05-25 This volume supplements the acclaimed three volume set published in 1986 and consists of an annotated listing of American Studies monographs published between 1984 and 1988 There are more than 6 000 descriptive entries in a wide range of categories anthropology and folklore art and architecture history literature music political science popular culture psychology religion science and technology and sociology *A Man Absolutely Sure of Himself* David B. Gracy, 2019-11-07 This is the first full biography of George Washington Littlefield the Texas and New Mexico rancher Austin banker and businessman University of Texas regent and philanthropist In just two decades Littlefield s business acumen vaulted him from debt to inclusion in 1892 on the first list of American millionaires *A Man Absolutely Sure of Himself* is a grand retelling of the life of a highly successful entrepreneur and Austin civic leader whose work affected spheres from ranching and banking to civic development and academia Littlefield s cattle operations during the open range and early ranching periods spanned a domain in New Mexico and Texas larger than the states of Delaware and Connecticut combined In a unique contribution to ranching art Littlefield commissioned murals and bronze doors depicting scenes from his ranches to decorate Austin s American National Bank which he led for its first twenty eight years Gracy provides new information about Littlefield s term as University of Texas regent and the necessity of choosing between friendship and duty during the university s confrontation with Gov James E Ferguson Proud of his Civil War service in Terry s Texas Rangers Littlefield

funded one of the nation's first centers for Southern history. He also underwrote the school's purchase of its first rare book library and its training programs preparing troops for World War I's new combat roles. Littlefield played a central role in advancing Austin from a cattleman's town into the business center it wanted to become. His Littlefield Building, the tallest office building between New Orleans and San Francisco when it was built, served for a generation as the prime location of the town's business community. Author David B. Gracy II, a relative of Littlefield, grounds his vivid prose in a lifetime of research into archival and family sources. His comprehensive biography illuminates an exceptional figure whose life singularly illustrates the evolution of Texas from Southern to Western to American. *Lone Stars of David* Hollace Ava Weiner, Kenneth Roseman, 2007. An essay collection of lively written, lavishly illustrated and well documented narratives on the history and culture of Texas Jews. African American Women Confront the West, 1600-2000 Quintard Taylor, Shirley Ann Wilson Moore, 2008-08-01. Reconstructs the history of black women's participation in western settlement. A stellar collection of essays by talented authors who explore fascinating topics. *Journal of American Ethnic History*. African American Women Confront the West 1600-2000 is the first major historical anthology on the topic. The editors argue that African American women in the West played active though sometimes unacknowledged roles in shaping the political, ideological and social currents that have influenced the United States over the past three centuries. Contributors to this volume explore African American women's life experiences in the West, their influences on the experiences of the region's diverse peoples and their legacy in rural and urban communities from Montana to Texas and from California to Kansas. The essayists explore what it has meant to be an African American woman from the era of Spanish colonial rule in eighteenth century New Mexico to the black power era of the 1960s and 1970s. Texas Through Time Walter L. Buenger, Robert A. Calvert, 1991. Historical interpretations shape a culture's understanding of itself, its challenges, its options. New conditions within society along with new information and methods available to historians should call forth new interpretations of the past. Thus history changes as time passes. Yet Texas historians have had trouble discarding old understandings. The contributors to this volume of Texas historiography explore this key question: Why have historians not subjected the myths of the state to rigorous ongoing examination? Why does the macho myth of Anglo Texas still reign? This book is the first scholarly attempt to place the intellectual development of Texas history within the framework of current trends in the study of U.S. history. Twelve eminent scholars have contributed evaluations of the historical literature in their respective fields of expertise: from Texas Mexican culture and African American roles to agrarianism, progressivism and the New Deal, from perspectives on women to the urban experience of Sunbelt boom and near bust. The cumulative effort describes and analyzes what Texas history is and how it got that way. These stimulating critiques challenge the field to produce a new synthesis that moves away from the provincialism that has so often limited the intellectual directions of the state's historians and the actions of its political leaders. **Texas** Rupert N. Richardson, Cary D. Wintz, Adrian Anderson, Ernest Wallace, 2016-05-23. Written in a narrative style, this

comprehensive yet accessible survey of Texas history offers a balanced scholarly presentation of all time periods and topics From the beginning sections on geography and prehistoric people to the concluding discussions on the start of the twenty first century this text successfully considers each era equally in terms of space and emphasis *Women in Early Texas* Evelyn M. Carrington,1994 The Austin chapter of the American Association of University Women in celebration of International Women syear and the American Revolution Bicentennial has complied biographies of fifty *The Great Pictorial History of World Crime* Jay Robert Nash,2004-04-29 The vast and mysterious world of criminals from ancient times through the 21st century is vividly captured in The Great Pictorial History of World Crime This unique and staggering reference work chronicles every major criminal act from every era A definitive reference source to worldwide crime this unparalleled survey is organized into sixteen chapters AssassinationBigamyBurglaryCannibalismCelebrity SlayingsDrugsFraudGangs Gangsters and Organized CrimeKidnappingMass MurderPiracyRobberySecret Criminal SocietiesSerial KillersTerrorismUnsolved Homicides Each chapter begins with an essay that introduces the topic and provides a concise overview of the historical social and political significance of the crime Subjects are further developed crime by crime through descriptive entries covering the criminal acts modus operandi criminal background information and motives along with insightful anecdotes In addition to being a being a vital and informative historical and sociological reference work The Great Pictorial History of World Crime features more than 2 500 illustrations More than a chronicle of chilling events these two volumes provide gripping reading for anyone interested in true crime law enforcement criminology and criminal justice
