Techniques of Christian Writing Benjamin P. Browne, 1985-03-01 **Techniques of Christian Writing** Benjamin P. Browne, 1960 *Techniques of Christian Writing. [By Various Authors.] Compiled and Edited by B.P. Browne* Benjamin Patterson BROWNE, 1960 Christian Writing Techniques, 1975 **The Ways That Never Parted** Adam H. Becker, Annette Yoshiko Reed, The first paperback edition of the hardcover published by Mohr Siebeck in 2003 Startling state of the art essays on Jewish Christian relations in antiquity Includes a new preface by the editors discussing scholarships since 2003 Small Scale Deformation using Advanced Nanoindentation Techniques Ting Tsui, Alex A. Volinsky, 2019-06-11 Small scale mechanical deformations have gained a significant interest over the past few decades driven by the advances in integrated circuits and microelectromechanical systems One of the most powerful and versatile characterization methods is the nanoindentation technique The capabilities of these depth sensing instruments have been improved considerably They can perform experiments in vacuum and at high temperatures such as in situ SEM and TEM nanoindenters This allows researchers to visualize mechanical deformations and dislocations motion in real time Time dependent behavior of soft materials has also been studied in recent research works This Special Issue on Small Scale Deformation using Advanced Nanoindentation Techniques will provide a forum for researchers from the academic and industrial communities to present advances in the field of small scale contact mechanics Materials of interest include metals glass and ceramics Manuscripts related to deformations of biomaterials and biological related specimens are also welcome Topics of interest include but are not limited to Small scale fracture Nanoscale plasticity and creep Size dependent deformation phenomena Deformation of biological cells Mechanical properties of cellular and sub cellular components Novel mechanical properties characterization techniques New modeling methods Environmentally controlled nanoindentation In situ SEM and TEM indentation Fan Fiction and Early Christian Writings Tom de Bruin, 2024-05-16 What can contemporary media fandoms like Anne Rice Star Wars Batman or Sherlock Holmes tell us about ancient Christianity Tom de Bruin demonstrates how fandom and fan fiction are both analogous and incongruous with Christian derivative works The often disparaging terms applied to Christian apocrypha and pseudepigrapha such as fakes forgeries or corruptions are not sufficient to capture the production consumption and value of these writings De Bruin reimagines a range of early Christian works as fan practices Exploring these ancient texts in new ways he takes the reader on a journey from the fix it fic endings of the Gospel of Mark to the subversive fan fictions of the Testaments of the Twelve Patriarchs and from the densely populated storyworld of early Christian art to the gatekeeping of Christian orthodoxy Using theory developed in fan studies De Bruin revisits fundamental questions about ancient derivative texts Why where they written How do they interact with more established texts In what ways does the consumption of derivative works influence the reception of existing traditions And how does the community react to these works This book sheds exciting and new light on ancient Christian literary production consumption and

transmission *Christian Communication* ,1989-09-26 The rise of the fundamental religious broadcasters in the United States has triggered an intense popular interest in mediated Christianity and prompted the traditional churches to reexamine their own policies toward mass communication The ensuing dramatic increase in the number of studies on the subject has prompted a corresponding need for a comprehensive index of valuable materials *Christian Communication* is the first wide ranging annotated bibliography of available books articles theses and dissertations in English French German Spanish and Italian that deals with all forms and aspects of Christian communication even comic books and the computer The bibliographies for this collection were drawn from several sources including the Library of Congress several important computerized databases manual searches of such institutions as the Billy Graham Center and the Graduate Theological Union among others and references in dissertations Most importantly only accessible items which could be checked and reviewed by Soukup and his research staff have been included here The volume is arranged to maximize ease of access and use and is based on the general academic division of communication studies The first chapter contains an introduction cross referenced to the bibliographies that reviews the history of church communication the major issues that characterize it and suggests possibilities for future study Next a resource chapter lists periodicals which address specific areas of religious communication or frequently published articles of interest cites bibliographic guides to the material and surveys directories of both personnel working in the field of Christian communication and of catalogs of relevant materials The following seven chapters contain the major bibliographical sections that review communication theory history rhetoric interpersonal communication mass communication intercultural communication and other media The volume closes with helpful name title and subject indexes that make this guide thoroughly user friendly and an important research tool for church communicators theological students and communications scholars working in philosophical or qualitative areas **Reading, Writing, and Bookish Circles in the Ancient Mediterranean** Jonathan D.H. Norton,Garrick Allen,Lindsey A. Askin,2022-06-30 By integrating conversations across disciplines especially focusing on classical studies and Jewish and Christian studies this volume addresses several imbalances in scholarship on reading and textual activity in the ancient Mediterranean Contributors intentionally place Jewish Christian Roman Greek and other reading circles back into their encompassing historical context avoiding subdivisions along modern subject lines divisions still bearing marks of cultural and ideological interests In their examination contributors avoid dwelling upon traditional methodological debates over orality vs literacy and social classifications of literacy instead turning their attention to the social historical groups of people circles and networks strata and class scribal culture material culture epigraphic and papyrological evidence functions and types of literacy and the social relationships that all of these entail Overall the volume contributes to an emerging and important interdisciplinary collaboration between specialists in ancient literacy encouraging future discussion between two currently divided fields **Christian Writers' Market Guide** Sally E.
