

Petran Kockelkoren

From the camera obscura via the introduction of rail travel to IT:

Technology: art, fairground and theatre

these countless innovations make it patently obvious that the introduction of new technologies disturbs the equilibrium of our senses. Artists incorporate these new techniques in their work,

thus preparing the way for their more widespread application.

In doing this, artists are accessories to the cultural re-education of our senses. What does this mean for the autonomy of art?
