The Politics of Arab Integration Giacomo Luciani, Ghassan Salamé, 2015-07-16 This volume first published in 1988 is the result of a major research project the most important inquiry into the fundamental political structure of the Arab world It is often argued that Arab states are arbitrary political creations that lack historical or present legitimacy and are unable to relate to each other in a productive way It is further suggested that the demise of pan Arabism merely underlines the inability of individual Arab states to integrate either domestically or internationally This book Volume Four in the Nation State and Integration in the Arab World research project carried out by the Istituto Affari Internazionali sets out to answer the questions of Arab integration with articles from a wide range of contributors from around the world **Technology and**

Economic Interdependence Harry G. Johnson, 1975-12-01 **The Arab State** Giacomo Luciani, 2015-07-24 It has often been argued that Arab states are arbitrary political creations lacking historical or present legitimacy This book first published in 1990 provides a different picture of the Arab state drawing on historical economic philosophical and sociological perspectives to give a balanced and convincing view of the complex reality of contemporary Arab politics The contributors from the Arab countries from Europe and the United States investigate the roots of the nation state in the Arab world evaluating in particular the economic bases of individual states They discuss the evolution of Arab societies and the way this is reflected in different states and examine the problems of domestic and international integration in the Arab context Original and comprehensive in its findings this is an essential text on the fundamental political structure of the Arab world Its interdisciplinary breadth makes possible an entirely new reading of the political reality of the Middle East **Economics**
