Tecumseh Claude Dunster, 1965 **Tecumseh** James Hurt, 1966 **From Daniel Boone to Captain America** Chad A. Barbour, 2016-06-27 From nineteenth century American art and literature to comic books of the twentieth century and afterwards Chad A. Barbour examines in *From Daniel Boone to Captain America* the transmission of the ideals and myths of the frontier and playing Indian in American culture In the nineteenth century American art and literature developed images of the Indian and the frontiersman that exemplified ideals of heroism bravery and manhood as well as embodying fears of betrayal loss of civilization and weakness In the twentieth century comic books among other popular forms of media would inherit these images The Western genre of comic books participated fully in the common conventions replicating and perpetuating the myths and ideals long associated with the frontier in the United States A fascination with Native Americans also emerged in comic books devoted to depicting the Indian past of the US In such stories the Indian remains a figure of the past romanticized as a lost segment of US history ignoring contemporary and actual Native peoples Playing Indian occupies a definite subgenre of Western comics especially during the postwar period when a host of comics featuring a white Indian as the hero were being published Playing Indian migrates into superhero comics a phenomenon that heightens and amplifies the notions of heroism bravery and manhood already attached to the white Indian trope Instances of superheroes like Batman and Superman playing Indian correspond with depictions found in the strictly Western comics The superhero as Indian returned in the twenty first century via Captain America attesting to the continuing power of this ideal and image

Mother Earth Sam D. Gill, 1991-09-24 Attributed to Tecumseh in the early 1800s this statement is frequently cited to

uphold the view long and widely proclaimed in scholarly and popular literature that Mother Earth is an ancient and central Native American Figure In this radical and comprehensive rethinking Sam D Gill traces the evolution of female earth imagery in North America from the sixteenth century to the present and reveals how the evolution of the current Mother Earth figure was influenced by prevailing European American imagery of America and the Indians as well as by the rapidly changing Indian identity *Staging Indigeneity* Katrina Phillips, 2021-01-29 As tourists increasingly moved across the United States in the late nineteenth and early twentieth centuries a surprising number of communities looked to capitalize on the histories of Native American people to create tourist attractions From the Happy Canyon Indian Pageant and Wild West Show in Pendleton Oregon to outdoor dramas like Tecumseh in Chillicothe Ohio and Unto These Hills in Cherokee North Carolina locals staged performances that claimed to honor an Indigenous past while depicting that past on white settlers terms Linking the origins of these performances to their present day incarnations this incisive book reveals how they constituted what Katrina Phillips calls salvage tourism a set of practices paralleling so called salvage ethnography which documented the histories languages and cultures of Indigenous people while reinforcing a belief that Native American societies were inevitably disappearing Across time Phillips argues tourism nostalgia and authenticity converge in the creation of salvage tourism which blends tourism and history contestations over citizenship identity belonging and the continued use of Indians and Indianness as a means of escape entertainment and economic development *The Dead President's Club: Tecumseh's Curse* Peter C. Jacobson, 2009-02-13 The The Dead Presidents Club story continues with the ghosts of Andrew Jackson Theodore Roosevelt and Calvin Coolidge trying to end a 160 year old curse before an assassin kills the president and his family by blowing up the White House The ghosts have little time to discover the assassin and to stop him Meanwhile their living friend Brian Stone the presidents son has problems of his own he must climb the dreaded rope to the ceiling of the school gymnasium or receive a failing grade Tecumseh'S Curse W.
