The Girl with the torn Teddy Bear Ankur Kumar,2014-11-28 This is the story of a troubled man who is not ready to leave his memories of past love Already abandoned by others he is just performing his duties as a Professor in a college However his life takes an unpredictable turn and completely changes his life reminding him what it felt like to laugh to live and how much he have missed all these years He struggles as he is finding it hard to leave his sad life behind him

My Mother and I Ingrid Seward,2024-02-15 The story of the real relationship between King Charles III and his mother by the esteemed royal biographer Ingrid Seward The relationship between the late Monarch and her son the King has long been a subject of fascination The upbringing of an heir is especially important and places an extra burden on top of all the cares of motherhood The demands placed on the monarch are unique and there was no one better placed to know this than the late Queen She knew that not only must they be figureheads but they must be seen to care for others less fortunate than themselves They are also expected to uphold family values Princess Elizabeth made it a point of maternal honour to try and build her routine around her young son while doing her duty When she became Queen it was a more delicate balance but one

which she eventually learnt to sustain Unlike his self contained mother who always put duty above personal happiness King Charles needed love and support to function properly This is the story of how Charles was shaped and moulded by his heritage His mother was the woman he always loved but could never be close to As Queen she held the Pandora s box of the crown and all he could do was wait and learn In his mother s old age he finally received the affection and respect from her he had craved for so long This book documents his life through many personal anecdotes from his family and his friends from the moment the guns saluted his birth to the day he was officially declared as the King at his Coronation *The A to Z Guide for Lightweight Travellers* Clive Tully,1993 *Teddy Bear's Love and Hugs* Jill Wolf,1985-12 My Teddy Bear Loves . . .
