Strandberg,1992 **Building a Youth Ministry that Builds Disciples** Duffy Robbins,2012-01-24 While most youth pastors are being regularly evaluated or even scrutinized for what they re doing right now in the youth group the reality is that the most important thing they are doing won t actually be evident until much later That s because the biggest challenge for any youth ministry is helping teens embrace a whole hearted devotion to God that lasts far beyond their years in the youth room Unfortunately much of youth ministry seems to be designed on the model of setting teenagers up for a date with God a delightful evening that involves music laughter food and light conversation But what scripture calls us to is not a one night stand with God but a lifelong love of God that endures Youth ministry educator and veteran Duffy Robbins offers youth workers a blueprint for building that kind of faith in teenagers In this concise book ideal for busy youth workers they ll be equipped to build a youth ministry that instills that lasting faith in its students *Youth Spirit 2* Cheryl Perry,2002 Need a few bright ideas for your next youth group meeting No need to panic Youth Spirit 2 is filled with great suggestions you can use to create meaningful programs and build community Just like the first volume Youth Spirit 1551452472 this book was created with you in mind Start with the themes you will find here then tailor make your program to suit your group New leaders will find helpful information to get started experienced leaders will find the flexible program ideas inspiring Youth Spirit 2 will quickly become an indispensable part of your youth ministry resource library *Teenagers Matter* Mark Cannister,2018-08-23 Why Teenagers Matter in the Life of the Church **Click2Save Reboot** Elizabeth Drescher,Keith Anderson,2018-03-17 A reboot of a popular and practical how to guide for leaders bridging digital social media and parish ministry Revised and updated Click2Save REBOOT covers the increasing sophistication and importance of mobile computing and leads readers through the changes and additions to social media platforms that are currently shaping how we communicate with connect with and can offer Christ centered care to one another Facebook and Twitter at the center of the first edition have changed dramatically Instagram Pinterest Snapchat etc have made images and video much more central Innovative often sophisticated voices are overtaking the blog form Podcasting has become elegant and accessible to the masses through SoundCloud and similar hosting platforms while Pok mon Go popularized augmented reality even sometimes leading players into churchyards in their hunt From their research and personal experience the authors offer guidance on coping with and getting the most out of this evolving revolution *The Youth Worker Book of Hope* Tim Baker,2009-09-13 You know we re an interesting breed We pour our whole life into ministry giving physically emotionally spiritually relationally even financially And we do all of this to encourage students to live like Christ beyond youth group Even when we struggle fail or find ourselves at the end of a long month feeling drained and discouraged we re still called to show our students the love of Jesus The Youth Worker Book of Hope offers you encouragement and hope in those moments of darkness by using

experiences and advice from people who have been through the valley and learned from it Youth workers from around the country have contributed personal stories of their own desire to quit confrontations with parents struggles with running the ministry getting fired and many more You ll read about how other youth workers messed up and how they found hope at the end of a seemingly hopeless road In tough times it s easy to get lost The Youth Worker Book of Hope meets you while you re still struggling and draws you in to the hope of God

Organizing Your Youth Ministry Paul Borthwick,2004-03-01 We need to get organized around here That is the common cry of youth workers who feel burdened by so much to do in so little time so many responsibilities and so few results so much criticism it seems so little support Paul Borthwick agrees that getting organized is essential for effective your ministry and he has written an essential book to help those of you in youth ministry organize three different areas of your lives Personal How do your personal goals and your need for personal growth fit with your youth ministry If you re married are your spouse and children helped or hurt by your involvement with kids Are your other responsibilities suffering As Borthwick says Good ministry is the result of a balanced personal life Professional Do you see yourself as a youth professional Is your interaction with pastor and church board characterized by mutual respect It s the youth worker who will help other people see youth ministry as a profession and not just a fun and games operation Practical Is your budget balanced Do you frequently begin activities feeling only half prepared Do your volunteers and coworkers know what is expected of them Better planning and time management can create programs lessons and activities that help people grow learn and love each other Part I of Organizing Your Youth Ministry examines the need to the youth minister to organize his or her personal life as well as ministry setting priorities and the special challenges of church youth ministry Part II addresses the philosophical foundations of youth ministry organization Why do we do what we do What is it young people really need How do you work with a team Where do parents fit in Part III discusses how to organize the daily weekly monthly and yearly administrative demands of the youth ministry from budgets to retreats from activities to Sunday school lessons from choir to missions projects from discipleship programs to the special needs of junior high students Part IV helps us to evaluate our goals and to measure the effectiveness of our youth ministry always keeping in mind that as Borthwick says the ultimate purpose isn t just to produce better programs or a more efficient discipleship system but to present each person complete in Christ Col 1:28 NASB So if you like every other youth worker have too much to do too little time to do it in and sometimes don t know where to begin Organizing Your Youth Ministry can help Give it a try and you ll find out why Paul Borthwick says that organization can be a ministry in itself
