Serving At-Risk Teens Angela Craig, Chantell L. McDowell, 2013 Working with at risk teens including those who are homeless incarcerated or in foster care is a rewarding but often challenging endeavor especially with a growing number of at risk teens in both urban and rural areas of the country Based on best practices and personal experiences from many leaders in the field today including authors Angela Craig and Chantell L. McDowell this book shows how libraries and communities can work together to find new ways to serve this population Packed with accessible and affordable programming ideas ready to use templates and techniques this addition to

the Teens the Library series Demonstrates why serving at risk teens is important and offers advice for gaining institutional support for outreach services Shows how to understand the needs of at risk teens including a discussion of the factors that place teens at risk Examines diversity within the at risk population Suggests ways to partner with youth facilities with real world examples of working with non library personnel and caregivers Provides guidance for collection and resource development Gives examples of technology based programs to promote literacy and connectedness *Short-Term Staff, Long-Term Benefits* Nora J. Bird, Michael A. Crumpton, 2018-09-11 This book offers a novel more efficient and mutually beneficial approach to attracting training and working with short term staff in ways that benefit all involved the organization the short term staff and library personnel in general After recent cutbacks in funding many libraries now suffer permanent gaps in their staffing gaps that have necessarily been filled by temporary staff and volunteers in order to complete essential work Unfortunately short term staffing presents its own issues But having temporary staff doesn't have to be problematic or frustrating this book shows how short term workers can offer libraries much more than just a solution to being shorthanded This book will help readers better plan and more efficiently manage short term staffing arrangements covering how to best work with community volunteers students earning service or academic credit library school internships grant contract staff librarian post graduate residencies and work study student employees The authors present models of temporary staff human resource development and demonstrate how to apply them effectively in libraries of any size describing how to train and enculturate short term staff into your organization to maximize productivity When temporary and long term staff are set up to work together properly having temporary staff benefits the organization with more than just their labor the situation can refresh and update the skills of incumbent employees too *Totally Tweens and Teens* Diane P. Tuccillo, 2020-04-30 The library programs featured in this unique collection are those that have been suggested created and led by youth with the help and guidance of the supportive adults at their library Many times librarians bring ideas to teens in hopes of getting them to buy in and perhaps help them to run programs In this book you'll primarily find a role reversal Tweens and teens lead the way with whatever adult information support and supervision they need to see their proposals through To accomplish this the youth are encouraged to create new ideas are empowered to make decisions and are given control Plus the ideas they bring to life are not just peer focused The programs activities and events they create and lead can be for children adults or even for all ages or mixed audiences as well as for fellow tweens and teens In addition to finding a wide array of proven ideas recommendations and testimonials from real tweens and teenagers you will discover helpful advice on using the philosophies behind allowing youth to not only have a say but to take action testimonials from adults who have worked directly with youth having this level of empowerment suggestions on getting approval and providing funding and other support for youth ideas ways to evaluate such youth led programs and sample forms flyers and other materials that can be adapted *Library Youth Outreach* Kerol Harrod, 2014-01-21 With tightened library budgets the norm librarians run the risk of cutting back so much

that they isolate themselves from their patrons and their communities This doesn't have to happen The outreach methods detailed in this book range from simple actions to detailed processes Each of the 26 chapters provides helpful information for both those new to library outreach and those with years of experience **Successful Summer Reading Programs for All Ages** Katie Fitzgerald, 2018-03-01
