Laura K. Egendorf, Jennifer A. Hurley

Teenage Pregnancy Opposing Viewpoints:

Teenage Pregnancy Stephen P. Thompson,1997 Teenage Pregnancy Auriana Ojeda,2003 In this anthology authors discuss the causes of teenage pregnancy and possible solutions Chapters include Is Teenage Pregnancy a Serious Problem What Factors Contribute to Teenage Pregnancy What Options Are Available to Pregnant Teenagers How Can Teenage Pregnancy Be Reduced *What Factors Contribute to Teenage Pregnancy* ,1997-01-01 Teenage Pregnancy Stephen P. Thompson,1997 A collection of articles representing varying opinions about teenage pregnancy including whether or not it is a serious problem its causes and prevention and possible new solutions **Teenage Sexuality** Neal Bernards,1988 Presents opposing viewpoints about teenage attitudes toward sex their sexual and reproductive rights teenage pregnancy sex education and school based clinics *Teen Pregnancy* Jennifer A. Hurley,2000 Examines the differing viewpoints on issues related to teen pregnancy including factors that contribute to this problem its effects on teenagers lives and possible ways to prevent teen pregnancy *Teen Pregnancy* Emma Carlson Berne,2007 Examines multiple perspectives on teen pregnancy and related issues Sex without Consent Merril D. Smith,2002-02-01 A group of men rape an intoxicated fifteen year old girl to make a woman of her An immigrant woman is raped after accepting a ride from a stranger A young mother is accosted after a neighbor escorts her home In another case a college frat party is the scene of the crime Although these incidents appear similar to accounts one can read in the newspapers almost any day in the United States only the last one occurred in this century Each however involved a woman or girl compelled to have sex against her will Sex without Consent explores the experience prosecution and meaning of rape in American history from the time of the early contact between Europeans and Native Americans to the present By exploring what rape meant in particular times and places in American history from interracial encounters due to colonization and slavery to rape on contemporary college campuses the contributors add to our understanding of crime and punishment as well as to gender relations gender roles and sexual politics **Is Teenage Pregnancy a Serious Problem?** Thomson Gale,1997-03-01 Teens at Risk Laura K. Egendorf,Jennifer A. Hurley,1999 This collection of articles presents differing viewpoints about the causes possible prevention and remedies for such problems as teenage crime pregnancy and drug use **Resources in Education** ,1998 **Welfare Transformed** Robert Cherry,2007-08-22 The first book to portray women who went off welfare as a result of the Clinton welfare reform process not as victims of an oppressive system but as success stories who managed with low wage employment and income supplements and subsidies to pull their families into a substantially improved standard of living Without whitewashing the results indeed Cherry examines teen pregnancies domestic abuse social isolation and the widening income gapthis riveting inside look at on the ground welfare reform success also sets forth concrete policy recommendations that build on what already works **Frequently Asked Questions About Teen Fatherhood** Richard Worth,2009-08-15 Guidance counselors note that there are plenty of books for young mothers but very few resources for teen fathers This book fills that gap talking

directly to teen boys who are facing the prospect of teen fatherhood It strikes the perfect balance between authoritative and empathetic giving sound advice on all of the difficult issues that a teen father must make keeping in mind all the time that the welfare of the baby is most important

Standard Catalog for High School Libraries H.W. Wilson Company,2002 Each vol is divided into 2 parts 1st 7th ed Dictionary catalog and Classified catalog 8th 9th ed have 3rd part Directory of publishers

Pregnant! What Can I Do? Tania Heller, M.D.,2015-10-02 Each year in the United States just under a million teenage girls become pregnant Approximately three quarters of these pregnancies are unintended and more than a quarter of them end in abortion A small percentage of teen parents choose adoption This work serves as a guide for the pregnant teenager in getting help making the right choices and building a better future It provides in depth discussion of the three choices adoption parenting and abortion available to pregnant teenagers and presents interviews with teens who chose each of these options This work also provides information for teenage girls about discovering that they are pregnant the thought processes and reactions they may have what they can do where they can go for help what they can do to take control of their situation the role of their child s father and the prevention of unwanted pregnancies A listing of numerous resources for pregnant teens is also included

Teen Parents Rae Simons,2015-02-03 When a teenager becomes pregnant what are her options If she decides to keep the baby what kind of life will the baby have What will the mother s life be like And what about teenage fathers This book talks about many of these issues and tells the story of some teen parent families The people in this book are very aware of the difficulties involved in being a teen parent family They know how hard it can be But they can also tell you the ways their situation have made them stronger what they have learned and what you can learn from them

Innocence, Heterosexuality, and the Queerness of Children's Literature Tison Pugh,2010-12-14 Innocence Heterosexuality and the Queerness of Children s Literature examines distinguished classics of children s literature both old and new including L Frank Baum s Oz books Laura Ingalls Wilder s Little House series J K Rowling s Harry Potter novels Lemony Snicket s A Series of Unfortunate Events and Stephenie Meyer s Twilight series to explore the queer tensions between innocence and heterosexuality within their pages Pugh argues that children cannot retain their innocence of sexuality while learning about normative heterosexuality yet this inherent paradox runs throughout many classic narratives of literature for young readers Children s literature typically endorses heterosexuality through its invisible presence as the de facto sexual identity of countless protagonists and their families yet heterosexuality s ubiquity is counterbalanced by its occlusion when authors shield their readers from forthright considerations of one of humanity s most basic and primal instincts The book demonstrates that tensions between innocence and sexuality render much of children s literature queer especially when these texts disavow sexuality through celebrations of innocence In this original study Pugh develops interpretations of sexuality that few critics have yet ventured paving the way for future scholarly engagement with larger questions about the ideological role of children s literature and representations of children s sexuality Tison Pugh is

Associate Professor in the Department of English at the University of Central Florida He is the author of *Queering Medieval Genres and Sexuality* and *Its Queer Discontents in Middle English Literature* and has published on children s literature in such journals as *Children s Literature* *The Lion and the Unicorn* and *Marvels and Tales* **Teenage Sexuality** Karin Swisher, Terry O'Neill, Bruno Leone, 1994-01-01 Presents opposing viewpoints about teenage attitudes toward sex their sexual and reproductive rights teenage pregnancy abortion AIDS sex education and homosexuality **Teenage Pregnancy** Dionne J. Jones, Stanley F. Battle, 1990-01-01 Pregnancy childbearing among teenagers in the United States is an increasing concern For minority communities the consequences are particularly adverse for although minority teenagers do not account for the majority of births to teenagers they are disproportionately likely to give birth Developed as a special issue of *The Urban League Review* this collection of essays presents current thinking of an interdisciplinary group of professionals *AIDS in America* Susan Hunter, 2025-09-23 With more than one million people currently infected and half a million already dead the U S ranks among the top ten most severe AIDS epidemics in the world Americans should know more about the current state of the epidemic so they can protect themselves and demand that the government act responsibly to reduce the danger of HIV in this country Hunter exposes the ways in which the U S shamefully resembles a developing country and the many fronts on which the government has failed to control the spread of the disease In this startling book she also shows what we must do to change the future of AIDS

Uncover the mysteries within Explore with is enigmatic creation, Discover the Intrigue in **Teenage Pregnancy Opposing Viewpoints** . This downloadable ebook, shrouded in suspense, is available in a PDF format (Download in PDF: *). Dive into a world of uncertainty and anticipation.
