Adolescence and Education Tim Urdan, Frank Pajares,2002-01-01 In this inaugural volume we solicited chapters from leading scholars in a variety of fields related to education Our aim was to provide a broad overview of several of the most pressing concerns regarding the education of adolescent students The volume begins with an historical perspective from Barbara Finklestein who provides background regarding America s changing perceptions of adolescence as a developmental period and how American society has approached the task of educating this age group over time This is followed by chapters from Carol Midgley and from Sanford Dornbusch and Jeanne Kaufman regarding the organization purpose and function of schools designed to serve early and late adolescents Midgley uses an achievement goal theory lens to analyze middle level schools Dornbusch and Kaufman consider senior high schools adopting a more sociological perspective *The Rise and Fall of the American Teenager* Thomas Hine,2000-09-19 In the groundbreaking work Thomas Hine examines the American

teenager as a social invention shaped by the needs of the twentieth century With intelligence insight imagination and humor he traces the culture of youth in America from the spiritual trials of young Puritans and the vision quests of Native Americans to the media blitzed consumerism of contemporary thirteen to nineteen year olds The resulting study is a glorious appreciation of youth that challenges us to confront our stereotypes rethink our expectations and consider anew the lives of those individuals who are blessing our bane and our future *Healthy Teens, Healthy Schools* Vanessa Domine,2015-05-21 Widespread obesity poor nutrition sleep deprivation and highly digital and sedentary lifestyles are just a few of the many challenges facing young people Although public schools in the United States have the potential for meeting these challenges on a mass scale they are slow to respond The emphasis on discrete subject areas and standardized test performance offers little in the way of authentic learning and may in reality impede health Healthy Teens Healthy Schools How Media Literacy Education can Renew Education in the United States reframes health education as a complex terrain that resides within a larger ecosystem of historical social political and global economic forces It calls for a media literate pedagogy that empowers students to be critical consumers creative producers and responsible citizens This book illustrates holistic health education through school community initiatives and innovative partnerships that are successful in magnifying all curriculum subjects and their associated teaching practices Vanessa Domine offers teachers teacher educators school administrators community organizers public health professionals and policy makers with a transmedia and transdisciplinary educational approach to adolescent health to demonstrate how our collective focus on cultivating healthy teens will ultimately yield healthy schools

Ebook: Adolescence Steinberg,2016-04-16 Ebook Adolescence **Catholic Origins of Quebec's Quiet Revolution, 1931-1970** Michael Gauvreau,2005-11-14 The Catholic Origins of Quebec s Quiet Revolution challenges a version of history central to modern Quebec s understanding of itself that the Quiet Revolution began in the 1960s as a secular vision of state and society which rapidly displaced an obsolete clericalized Catholicism Michael Gauvreau argues that organizations such as Catholic youth movements played a central role in formulating the Catholic ideology underlying the Quiet Revolution and that ordinary Quebecers experienced the Quiet Revolution primarily through a series of transformations in the expression of their Catholic identity Providing a new understanding of Catholicism s place in twentieth century Quebec Gauvreau reveals that Catholicism was not only increasingly dominated by the priorities of laypeople but was also the central force in Quebec s cultural transformation He makes it clear that from the 1930s to the 1960s the Church espoused a particularly radical understanding of modernity especially in the areas of youth gender identities marriage and family
