Teenagers From Mars:

Teenagers from Mars Frank White, Ken Caiafa, 2018-11-15 Starting in 1977 Glenn Danzig and Jerry Only spawned a punk rock B movie invasion from mythical Lodi New Jersey During the formative years Ken Caiafa brother of Jerry and Misfits guitarist Doyle grew into the crucial role of frequent band photographer When the Misfits mutated into a new form during the 1990s music photo legend Frank White picked up the trail of the band s sequel Between them the bro and the pro White and Caiafa present the authoritative visual history of three decades of violent seduction by punk s inspired teenagers from Mars

The Complete Misfits Discography Robert Michael "Bobb" Cotter, 2019-09-06 A pioneering horror punk band the Misfits are legends in their own time This discography tells the story of the band in all of its incarnations through all of their recorded output both official and unauthorized releases Discographies are provided for both present and former members solo projects and bands along with a wealth of rare record sleeves photos and vintage posters documenting the evolution of the band and the brand

Superheroes and Identities Mel Gibson, David Huxley, Joan Ormrod, 2016-03-22 Superheroes have been the major genre to emerge from comics and graphic novels saturating popular culture with images of muscular men and sexy women A major aspect of this genre is identity in the roles played by individuals the development of identities through extended stories and in the ways the characters inspire audiences This collection analyses stories from popular comics franchises such as Batman Captain America Ms Marvel and X Men alongside less well known comics such as Kabuki and Flex Mentallo It explores what superhero narratives can reveal about our attitudes towards femininity race maternity masculinity and queer culture Using this approach the volume asks questions such as why there are no black supervillains in mainstream comics how second wave feminism and feminist film theory may help us to understand female comic book characters the ways in which Flex Mentallo transcends the boundaries of straightness and gayness and how both fans and industry appropriate the sexual identity of superheroes The book was originally published in a special issue of the Journal of Graphic Novels and Comics

The House of Tomorrow Peter Bognanni, 2018-07-03 Funny and unique An honest noisy and raucous look at friendship and how loud music can make almost everything better Publishers Weekly starred review Sebastian Prendergast lives with his eccentric grandmother in a geodesic dome His homeschooling has taught him much but he s learned little about girls junk food or loud angry music Then fate casts Sebastian out of the dome and he finds a different kind of tutor in Jared Whitcomb a chain smoking sixteen year old heart transplant recipient who teaches him the ways of rebellion Together they form a punk band and plan to take the local church talent show by storm But when his grandmother calls him back to the futurist life she has planned for him he must decide whether to answer the call or start a future of his own

This Music Leaves Stains James Greene Jr., 2013-02-14 Few bands in the past three decades have proven as affecting or exciting as the Misfits the ferocious horror punk outfit that lurked in the shadows of suburban New Jersey and released a handful of pivotal underground recordings during their brief tumultuous time together Led by Glenn

Danzig a singer possessed of vision and blessed with an incredible baritone the Misfits pioneered a death rock sound that would reverberate through the various musical subgenres that sprung up in their wake This Music Leaves Stains now presents the full story behind the Misfits and their ubiquitous haunting skull logo a story of unique talent strange timing clashing personalities and incredible music that helped shape rock as we know it today James Greene Jr maps this narrative from the band s birth at the tail end of the original punk movement through their messy dissolve at the dawn of the 1980s right on through the legal warring and inexplicable reunions that helped carry the band into the 21st century Music junkies of any stripe will surely find themselves engrossed in this saga that finally pieces together the full story of the greatest horror punk band that ever existed though Misfits fans will truly marvel at the thorough and detailed approach James Greene Jr has taken in outlining the rise fall resurrection and influence of New Jersey s most frightening musical assembly Perspectives on HCI Research with Teenagers Linda Little, Daniel Fitton, Beth T. Bell, Nicola Toth, 2016-08-03 Teen Computer Interaction is concerned with the design evaluation and implementation of technologies for teenagers and with the study of major phenomena surrounding them It aims to give special consideration to the unique development issues and diversity of this particular user group Teenagers are possibly the most diverse dynamic and technologically aware user group Working with teenagers can enable researchers to gather valuable insights and opportunities to inform the design and implementation of new technologies Researchers have now begun to acknowledge that Teen Computer Interaction is a specialised area of HCI and this book brings together some of the best work in this field to date The book provides relevant HCI communities with an inclusive account of methods and examples of best practice to inform those working with teenagers in research and design projects The chapters recount research with teenagers in many different domains and provide many different contributions to the field of Teen Computer Interaction including design methods models case studies and ethical considerations The aim of this book is to provide a solid foundation from which the discipline of Teen Computer Interaction can grow by providing a valuable resource for those wishing to conduct HCI research with teenagers Perspectives on HCI Research with Teenagers is aimed at academics practitioners designers researchers and students who are interested in the new and emergent field of Teen Computer Interaction *Teenagers from Mars* Rick Spears, 2005 Max is a grave robbing 13 year old who gathers relics to pawn for comic book money Macon works at the local Mallmart by day and publishes his comic book manifestos by night Madison is a punk beauty who just might be able to fly When Macon gets badly beaten in a fight with his boss over comic books Macon and Madison take revenge by smashing the front of the store They leave their calling card graffitied across the wreckage Comic Book Liberation Army The next day Max joins in the mayhem and soon the town has declared all out war on comic books Thus begins Teenagers From Mars a chaotic comics extravaganza in which three teens strive against censorship and adults to protect the comics they love Originally published as a series of comics Teenagers from Mars shows what happens when people who love comics enough to fight for them are forced to *A Distant Star* Raymond
