**Know My Teen** Mary Fowler,2001-12-11 From the author of the highly successful *Maybe You Know My Kid* comes a desperately needed follow up the first comprehensive guide for dealing with the unique challenges of raising an adolescent with ADHD Adolescence is a tumultuous turning point for everyone but for teens with attention deficit hyperactivity disorder it can be especially challenging and for some of their parents downright terrifying Predictably stress ensues over inconsistent or poor school performance and over inevitable decisions regarding higher education and life after high school Adolescents with ADHD get more traffic tickets have higher school expulsion and drop out rates and are more likely to experiment with alcohol and drugs *Maybe You Know My Teen* brims with management strategies for parents new to ADHD as well as those

who have coped with it throughout their child's life. Explaining the roots of the disorder clearly and extensively while discussing situations most likely to cause symptoms to manifest themselves. ADHD authority Mary Fowler presents step by step advice along with in depth personal stories and first person advice from leading experts in the field. This is the one of a kind lifesaver thousands have been awaiting.

*Inclusion, a Practical Guide for Parents* Lorraine O. Moore, 1996. This book offers guidance for parents concerning their children with disabilities who are being educated in inclusive settings. It provides background information about how children learn and the specific difficulties experienced by children with learning problems. It suggests strategies for creating better learning environments at home and at school and for helping with reading math and writing skills. The book informs parents on how to measure their child's learning progress through formal ways standardized tests report cards and informal ways teacher observation assessment of daily work and projects. Individual chapters cover the topics of 1 inclusive education as a shared responsibility of home and school 2 principles of collaboration between home and school 3 reasons for learning difficulties including specific difficulties experienced by students with a variety of mental emotional and physical impairments 4 learning about the child as a student 5 charting the child's progress 6 creating a home environment for learning 7 strategies for helping the child with homework and 8 experiences and insights of parents. Appended are 22 forms for parents to use with their child or educators a bibliography a list of resources and a glossary. Contains 37 references. DB

**Managing Attention and Learning Disorders in Late Adolescence and Adulthood** Sam Goldstein, 1997. It is also clear that many of the concepts and strategies used in assessing and treating children with these problems do not apply to adults.
