Telecommunication In Latin America:

Telecommunications in Latin America Eli M. Noam, 1998 Bringing together experts on Latin American countries and providing a comprehensive view of what individual countries are doing to build a telecommunications capability Telecommunications in Latin America addresses the complicated economic and policy issues of each country s telecommunications The editor and his staff have skillfully integrated the chapters into a coherent volume keeping the information accessible to non specialists Particular attention is paid to telecommunications as a link in the chain of the regional development process and to the privatization process that has swept across the subcontinent This study will be of interest to students and professionals in the areas of communication international telecommunications companies and country governments in Latin America **Telecommunications in Latin America** Francis MacDermot, 1998-01-01

Latin American Telecommunications Gabriela Martinez, 1955-01-01 Latin American Telecommunications Telef nica s Conquest offers an excellent overview of the political economic and social factors in Spain and Latin America that have aided the miraculous transformation of the semi public Spanish telecommunications company Telef nica What was once a national telephone company lagging behind its Western European counterparts has evolved into a global telecommunications giant conquering most of the Latin American telecom market By examining the beginnings of Telef nica as an ITT subsidiary as well as its nationalization under Franco s regime and its later privatization in recent years this book provides insight into the institutional growth as well as geographical expansion of this company especially in Latin America where all state run telecommunications enterprises became privatized throughout the 1990s and many were bought by Telef nica This book is unique because it brings Telef nica s media integration to the fore tracing and analyzing its many assets and partnerships which range from television and film studios to multiplatform media content production and distribution companies Telef nica s close ties with Endemol Disney and Bertelsmann among others are examined in detail *Telecommunications in Latin America* , 2007 A Guide to Telecommunications Markets in Latin America , 1989 *Telecommunications Laws in Latin America* Osvaldo R.
