

My telephone technique never fails.

I can give you dozen of stories of the results I have received through its use. Here is another. A friend, in her 50's desired to change her job for financial reasons. She wanted to return to the electronic plant where she formerly worked but felt that because of her age she would not be accepted.

Ignoring all of the negative thoughts, I simply heard her excited voice tell me she had the job!

One week later she called, saying: "They not only gave me the job with a large salary increase, but I am receiving credit for the ten years I worked there before, which will be added to my retirement.
