

# Developing A Cultural Policy

- cultural industries are often transnational  
→ there are limited to the power of a nation state to legislate effectively
- subsidy of culture is a matter of public relations because one has to convince people to spend public money for something new

Hill, 2007 Media Culture and Politics in Indonesia is about the institutions and policies that determine what Indonesians write read watch and hear It covers the print media broadcast radio and television computers and the internet videos films and music This book argues that the texts of the media can be understood in two broad ways 1 as records of a national culture and political hegemony constructed by Suharto's New Order and 2 as contradictory dissident political and cultural aspirations that reflect the anxieties and preoccupations of Indonesian citizens Media Culture and Politics now brought back to life as a member of Equinox Publishing's Classic Indonesia series explains what has escaped state control not only by self-conscious resistance but also because of the ownership patterns technologies and modes of consumption of media texts and institutions The role of the media in the downfall of Suharto is examined and the legacy of his New Order is analyzed This dynamic and innovative text is suitable for all students of Indonesian languages and culture Asian studies Southeast Asian studies cultural studies media studies and contemporary politics Krishna Sen is Professor of Asian Media and Dean of the Humanities Research Centre at Curtin University of Technology Perth Western Australia David T Hill is Professor of Southeast Asian Studies and Fellow of the Asia Research Centre Murdoch University Perth Western Australia

**Race and the Cultural Industries** Anamik Saha, 2018-01-08 Studies of race and media are dominated by textual approaches that explore the politics of representation But there is little understanding of how and why representations of race in the media take the shape that they do How one might ask is race created by cultural industries In this important new book Anamik Saha encourages readers to focus on the production of representations of racial and ethnic minorities in film television music and the arts His interdisciplinary approach combines critical media studies and media industries research with postcolonial studies and critical race perspectives to reveal how political economic forces and legacies of empire shape industrial cultural production and in turn media discourses around race Race and the Cultural Industries is required reading for students and scholars of media and cultural studies as well as anyone interested in why historical representations of the Other persist in the media and how they are to be challenged

**The Oxford Handbook of Cultural Sociology** Jeffrey C. Alexander, Ronald Jacobs, Philip Smith, 2012-01-26 Since sociologists returned to the study of culture in the past several decades a pursuit all but anathema for a generation cultural sociology has emerged as a vibrant field Edited by three leading cultural sociologists The Oxford Handbook of Cultural Sociology presents the full theoretical and methodological vitality of this critically significant new area The Handbook gathers together works by authors confronting the crucial choices all cultural sociologists face today about analytic priorities methods topics epistemologies ideologies and even modes of writing It is a vital collection of preeminent thinkers studying the ways in which culture society politics and economy interact in the world Organized by empirical areas

of study rather than particular theories or competing intellectual strands the Handbook addresses power politics and states economics and organization mass media social movements religion aesthetics knowledge and health Allowing the reader to observe tensions as well as convergences the collection displays the value of cultural sociology not as a niche discipline but as a way to view and understand the many facets of contemporary society The first of its kind The Oxford Handbook of Cultural Sociology offers comprehensive and immediate access to the real developments and disagreements taking place in the field and deftly exemplifies how cultural sociology provides a new way of seeing and modeling social facts Cultural Specificity in Transnational Television Drama Elke Weissmann, 2025-08-08 Cultural Specificity in Transnational Television Drama examines two European television industries those of Germany and Wales This book analyses how near global shifts towards the fragmentation of audiences the convergence of media and the transnationalisation of the television industries impact in culturally specific ways It shows that these larger developments in the industries intersect with specific local histories and cultures which influence how the changes are experienced and what kind of stories they lead to Offering a comparative cultural analysis of these two industries and their output and drawing on a variety of methods which include interviews analysis of published interviews in the trade and other press some archival research and textual analysis this book shows that the global shifts in television impact in locally specific ways which implies a continuation and indeed exaggeration of existing cultural differences at the same time as we see increasing collaboration internationalisation and as a result also homogenisation between nations This book presents a unique emphasis on both transnationalising and localising tendencies highlighting the need to maintain analytical focus on the nation in this supposedly post national world It will be of particular interest to scholars and researchers in contemporary television landscape literary and film studies modern languages philosophy and economics **International Companion Encyclopedia of Children's Literature** Peter Hunt, 2004-08-02 Children's publishing is a huge international industry and there is ever growing interest from researchers and students in the genre as cultural object of study and tool for education and socialization
