Tell It All A Woman's Life In Polygamy:

Tell It All, Woman's Life in Polygamy Fanny Stenhouse, 2019-01-22 Fanny Stenhouse's famous work *Tell it All* is a withering attack on the practice of polygamy that developed as a prominent tenet of Mormon faith in the nineteenth century. She begins her story with an account of how as a young woman her family had converted to the Church of Jesus Christ of Latter Day Saints and how she had attracted the attention and subsequently married T B H Stenhouse. Living in Europe they were unaware of how their religion was developing in the Midwest and how the practice of plural marriage was beginning to become ever more prevalent among the members of their faith. Responding to encouragement and counselling they eventually emigrated to the promised land of Utah and to their horror they began to learn that the rumors of Joseph Smith's polygamic revelation were true and that some of the church leadership such as Brigham Young had over fifty wives. *Tell it All* provides fascinating insight into how the Mormon faith was developing in the mid nineteenth century and how women such as Fanny were struggling to come to terms with doctrines such as polygamy. The Church of Jesus Christ of Latter Day Saints largely distanced itself from polygamy in the later nineteenth century much due to the work of women such as Fanny Stenhouse and others including a former wife of Brigham Young Ann Eliza Young. This book also uncovers some of the other darker moments of Mormon history such as the Mountain Meadows Massacre in which the men and women of an emigrant wagon train were indiscriminately slaughtered by Mormons of the Nauvoo Legion. It added more details on polygamy on Brigham Young's life in polygamy and on the Mountain Meadows Massacre. The John Whitmer Historical Association Journal.

Fanny Stenhouse was an early Mormon pioneer who along with her husband T B H Stenhouse defected from The Church of Jesus Christ of Latter day Saints largely due to their disagreements with the church about polygamy. *Tell it All A Woman's Life in Polygamy* was first published in 1872 and Fanny passed away in 1904. Including a full account of the Mountain Meadows Massacre and of the life, confession and execution of Bishop John D Lee.

Tell It All a Woman's Life in Polygamy Fanny Stenhouse, 2018-11-14 In these pages a woman a wife and mother speaks the sorrows and oppressions of which she has been the witness and the victim. Harriet Beecher Stowe.

Marriage and Civilization William Tucker,2014-02-03 In his stunning new book Marriage and Civilization author

William Tucker looks at the evidence from biology evolution anthropology history and culture to come to a remarkable conclusion it was the monogamous pairing of male and female unusual among mammals that led to human evolution Moreover it is monogamous marriage that has shaped Western Civilization giving us our sense of justice undergirded Western democracy and is the greatest institution we have for perpetuating human freedom and happiness Yet marriage is now under threat and perhaps not in ways that people suspect We could actually see the de facto abolition of marriage with the state taking many of the responsibilities formerly assumed by the nuclear family Among Tucker s many eye opening observations How primitive polygamy was a retrogression from the original monogamous structure of the human family Why monogamy was essential to the development of ancient Greek democracy Why it was the Catholic Church not the Bible or Christianity in general that was the great defender of monogamous marriage in Western Civilization Why polygamous societies from primitive farming communities to the Mongols to the Muslim world to the early Mormons are internally violent and have bloody borders Why same sex marriage utterly irrelevant in evolutionary terms is a distraction from the real marriage debate we should be having The prospects for monogamous marriage and the dangers if it collapses Marriage and Civilization might be the most important provocative and talked about book of the year **Tell it All** Mrs. T.
