## **Tell Your Story How To Write For Your Grandchildren:**

**Tell Your Story** Christopher B. Sanford, 2005-06-01 I became interested in Reminiscence Writing almost twenty years ago when I had never heard of it The dean at a North Carolina community college where I was teaching called me in showed me a brief newspaper clipping about a reminiscence writing class in Oregon and asked Could we do something like this here When I foolishly said yes he asked How about working up a syllabus so we can offer it next semester So I did and heaven only knows what I said in that syllabus we offered it and about a dozen people showed up And we were off and running Over the years I have taught Reminiscence Writing at least a dozen times as a course that ran anywhere from six weeks to a semester I have taught the course at that same community college in Duke University s Institute for Learning in Retirement four times a record in a program where classes are normally offered only once in a similar program at North Carolina State University and even at a local retirement community I taught my students a lot And they responded by teaching me even more Everything in Tell Your Story has come out of the group experiences in these many reminiscence writing classes The message for you You have a story to tell even if you don t think you have ever done anything interesting The interest comes from how you tell your story not from what you may have done or seen It is important for you and your children and grandchildren and nieces and nephews to preserve your story and stories in an interesting and readable form if you don t something valuable has been lost So you re not a writer No matter If you can write a postcard or today an e mail message you can tell your stories This book will show you how One step at a time you can write down the interesting stories of your life and they will be interesting because of the way you will tell them you can accumulate lots of stories more than you would have imagined you can compile them into a slim but growing volume and you can have them printed at modest cost to share with family and even with the wider world In this book I ve included some of my favorite reminiscences Now let s get started on yours *Courageous Conversations in the Classroom* Lauren Aimonette Liang, Karen W. Tao, Michelle K. Hosp, 2025-08-13 A complete classroom toolkit for grades 3-6 this book empowers teachers to leverage high quality children s literature to boost emotional well being positive self identities social awareness and civic engagement Nine thematic instructional units are built around carefully curated book sets Teachers are guided to spark meaningful conversations and foster empathy by exploring challenging themes like friendship bullying racism disability and mental health through read alouds and expert designed activities Step by step lesson plans include ready to use scripts activities and discussion prompts all aligned with current academic and social and emotional learning standards The Appendix features 30 reproducible and downloadable worksheets and handouts the large size format facilitates photocopying *Ten Things To Tell Your Grandkids* Laura Selenka, 2018-01-01 I want my grandkids to know about In this book grandparents give tested advice for grandparents on having meaningful spiritual conversations with their grandchildren As a grandparent you put your heart and soul into your bond with your grandchildren As a Christian this often means you will express care for your grandchildren s spiritual lives

and their eternal well being But sharing the awesome truths about God and his love with a younger and much different generation can be challenging Where do you start the conversation Ten Things to Tell Your Grandkids gives you encouraging scriptural and grandparent tested advice for having meaningful conversations about faith with your grandchildren Based on ten practical pieces of Christian wisdom the ten topics of the book are I Pray for You Thank God Go to School Work Hard Every Time I Look at You I See Jesus Get to Know People God Is in Control If You re Going to Get Married Marry Someone Who God Keeps His Promises I Know I m Going to Heaven Each topic is introduced with an inspirational article Then you ll read about grandparents from different backgrounds and walks of life as they share the real life discussions they have had with their grandkids on those topics Through their wisdom you ll receive support and guidance for beginning having and following through on those important questions that point your grandchildren to Jesus      *The Beast Within* Angela Todd O'Neal,2005-06-01 Growing up in a small town in the 1970 s things honestly couldn t sound much simpler But take that simple existence pair it with a then unheard of chemical imbalance which itself can breed very unnatural and inexplicable behaviors in its afflicttees and then you have the full range of ingredients necessary to cook up a good seedy book Handled with wit and humor in this her third work *The Beast Within* Living With OCD author Angie O Neal describes the trials and tribulations of growing up with Obsessive Compulsive Disorder Had I not actually possessed one of these chemical imbalances myself she says like anyone else I know I d find the actual existence of these conditions a little hard to fathom as well Writing has always been one of her hobbies But in 1993 after earning her English degree from North Carolina State University Angie decided to take her writing to the next level To date she has three books in print *Stalked* and *See No Evil* which are both fictional murder mysteries and her latest *The Beast Within* Living With OCD an autobiographical account of growing up different in such an unforgiving world And are there plans for a new project on the horizon Yes she confirms The groundwork for her fourth book *Cop s Wife* The Silent Partner has already been laid out The second of her autobiographies it is expected to be completed by April of 2006 and available for purchase by July of that same year      *So, You're Raising Your Grandkids!* Harriet Hodgson,2018-05-01 If you are a grandparent raising your grandchildren help has arrived According to the US Census Bureau more than 10% of all grandparents in the nation are raising their grandkids and the number is going up You may be one of the millions of these grandparents and it s a role you never expected Willing as you are to assume this role you have some questions How will I find the energy for this Is my grandchild normal What if I blow it Each day you look for ways to make life easier This book will Help ease your worries and guilt Offer tips for creating a grandfamily Give methods for improving grandparent grandchild communication Suggest ideas for how you can connect with your grandchild s school Provide child development information Recommend approaches to help your grandchild set goals Stress the importance of having fun together Offer ideas of how to foster your grandchild s hopes and dreams So You re Raising Your Grandkids blends Harriet Hodgson s wise and moving grandparenting story with recent research and findings It shares her

21 years of caregiving experience including seven years of raising her twin grandkids Each chapter ends with What Works proven tips for grandparents raising grandkids At the end you ll cheer for all the loving grandparents including you who are putting grandchildren first     **Telling Your Story** Jerry Apps,2016-06-15 From the winner of the 2014 Regional Emmy Award for A Farm Winter with Jerry Apps Jerry Apps renowned author and veteran storyteller believes that storytelling is the key to maintaining our humanity fostering connection and preserving our common history In Telling Your Story he offers tips for people who are interested in telling their own stories Readers will learn how to choose stories from their memories how to journal and find tips for writing and oral storytelling as well as Jerry s seasoned tips on speaking to a live radio or TV audience Telling Your Story reveals how Jerry weaves together his stories and teaches how to transform experiences into cherished tales Along the way readers will learn about the value of storytelling and how this skill ties generations together preserves local history and much more     **Healing a Grandparent's Grieving Heart** Alan D Wolfelt,2014-05-01 This

artfully designed keepsake offers grandfathers their own special vehicle for sharing their lives with the youngest generation. The contemporary styling and irresistible format featuring helpful questions written from the grandchild's perspective make it wonderfully easy to explore family history. There's space to mention favorite relatives, jot down beloved stories, and pass on the important lessons that Grandfather learned from his parents and grandparents. He can recount details of his childhood and teen years, reminisce about how he met Grandma, and reflect on his own experiences with fatherhood. Because the grandchild is also the star, there are questions to inspire Grandfather to remember when he first saw his grandchild, reveal what he likes best about being a grandparent, and relate how being a grandparent has changed who he is as a person. And of course, this essential volume has plenty of room to paste in precious photos and mementos.
