Miller, Mary Ellen Snodgrass, 1998 The latter part of the twentieth century has seen a renaissance of the enduring spoken art of storytelling. Stories told by real people in person counterbalance the impersonal computer communication so much a part of present society. This work profiles 120 English speaking performers worldwide and describes how they make their words come alive, what their styles of presentation are. Each entry provides pertinent information on the storyteller: address, phone and fax numbers, e-mail address and Web site information, categorizes their work (e.g. original tales, imaginative stories, historical notes, the audience level) and lists the instruments or props used. Style comments such as witty, dramatic, gesturing, musical, and so on are also given. Detailed biographies reveal how the storyteller got started and their career achievements and other pertinent details. The entries conclude with an audiography, videography, bibliography, listing of awards and sources for further information for each teller.

Fairy-Tale TV Jill Terry Rudy, Pauline Greenhill, 2020-07-02 This concise and accessible critical introduction examines the world of popular fairy tale television, tracing how fairy tales and their social and cultural implications manifest within series, television events, anthologies, and episodes, and as freestanding motifs. Providing a model of televisual analysis, Rudy and Greenhill emphasize that fairy tale longevity in general and particularly on TV results from malleability, morphing from extremely complex narratives to the simple quotation of a name like Cinderella or phrase like happily ever after, as well as its perennial value as a form that is good to think with. The global reach and popularity of fairy tales is reflected in the book's selection of diverse examples from genres such as political, lifestyle, reality, and science fiction TV. With a select mediagraphy, discussion questions, and detailed bibliography for further study, this book is an ideal guide for students and scholars of television studies, popular culture, and media studies, as well as dedicated fairy tale fans.

**Called! Step by Step** June Hall McNeely, 2015-04-22 What can God do with one believer who is willing to follow His call? When June Hall McNeely says an unqualified Yes to that call, she cannot imagine what God has in store for her. She and her pastor husband, Gerald, will serve three Kentucky churches and then spend thirty-three years as Southern Baptist missionaries in Spain. In *Called! Step by Step*, June traces how God leads through her growing-up years in rural Kentucky, her college years, the Kentucky pastorates, and the years in Spain. With loving care, she pays tribute to her parents and her mentors. With humor and grace, she introduces readers to her husband and describes life as a young pastor's wife and mother. With insight, she describes how she and Gerald answer God's call to serve in Spain. June writes about ministering in a Spain still reeling from the devastating effects of a civil war and ruled by a military dictator. She tells story after story about Spanish believers and churches that are persecuted by the government and yet, through God's grace, they endure and grow. Wife, mother of two daughters, seminary librarian, teacher of wives of seminary students, Woman's Missionary Union leader.
