Clifford Lane

The American Rifle For Hunting And Target Shooting:

The American Rifle for Hunting and Target Shooting Clarence Edwin Hagie, 1944 **The American Rifle and Target Shooting** C. E. Hagie, 2013-10 This is a new release of the original 1944 edition **The American Rifle** Townsend Whelen, 1918 **American Shooter** Gerry Souter, 2012-02-01 Gun ownership has long been a hot button topic in the United States and the National Rifle Association has the reputation of being an organization of primarily politically conservative members American Shooter provides a unique look at gun ownership handgun bans shooting sports and the controversy over how to interpret the Second Amendment from the point of view of a liberal gun owner and enthusiast Gerry Souter examines the history of firearms in the United States from the settlers who carried matchlock muskets ashore at Jamestown to the citizens who purchase guns in record numbers today Recent Supreme Court decisions that uphold the right to bear arms have galvanized citizens on both sides of the debate making the gun issue hotter than ever To provide a personal view Souter weaves in tales of his own experiences with guns including sport shooting as a young man hunting and bonding with his father and facing the smoking end of a muzzle as an international photojournalist American Shooter is both a history and a personal journey that traces the path of American gun ownership culture from the Revolution to today It recounts how the country has lived with guns from the flintlock hung over the fireplace to the concealed carry laser sighted Glock semiautomatic pistol tucked away in the hidden pocket of a mom's purse **Shooter's Bible Guide to Tactical Firearms** Robert A. Sadowski, 2015-07-21 Long range shooting in the United States is as old as this country is young Shooters have always had a fascination with shooting at distance whether they are plinkers competitive shooters or hunters The ability to place rifle bullets in the same hole of a target or kill an animal quickly is a goal to which we all aspire In recent years the interest in tactical precision rifles has increased with many factory and custom rifle makers plying their art producing rifles that can easily outperform the ability of many shooters Expert Robert A Sadowski proves to be a masterful instructor on all aspects related to precision shooting in the Shooter's Bible Guide to Tactical Firearms This Shooter's Bible guide will help new and experienced shooters in making smart equipment purchases that range from rifles and optics to ammunition and gear The shooting school section provides instructions for those of us who have had no formal training For experienced shooters having current information on hand in one place can be an invaluable resource And no Shooter's Bible guidebook is complete without a detailed products section showcasing rifles from all across the market Other topics covered include Top 10 long range rifles Precision rifle maintenance Anatomy of a riflescope Shooting technique positions and drills And much more Pick up a copy of the Shooter's Bible Guide to Tactical Firearms to learn everything you need to know about precision long range shooting Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts We publish books about shotguns rifles handguns target shooting gun collecting self defense archery ammunition knives gunsmithing gun repair and wilderness survival We publish books on deer hunting big game hunting small game
