HAROLD BLOOM

# The Anxiety Of Influence A Theory Of Poetry

**Kathryn Bailey Puffett**

## **The Anxiety Of Influence A Theory Of Poetry:**

**The Anxiety of Influence** Harold Bloom, 1997 The book remains a central work of criticism for all students of literature

**The Anxiety of Influence** Harold Bloom, 1973 The Anxiety of Influence Harold Bloom, 1975-01 Harold Bloom's *The Anxiety of Influence* has cast its own long shadow of influence since it was first published in 1973 Through an insightful study of Romantic poets Bloom puts forth his central vision of the relations between tradition and the individual artist Although Bloom was never the leader of any critical camp his argument that all literary texts are a response to those that precede them had an enormous impact on the practice of deconstruction and poststructuralist literary theory in this country The book remains a central work of criticism for all students of literature and has sold over 17 000 copies in paperback since 1984 Written in a moving personal style anchored by concrete examples and memorably quotable Bloom's book maintains that the anxiety of influence cannot be evaded neither by poets nor by responsible readers and critics This second edition contains a new Introduction which explains the genesis of Bloom's thinking and the subsequent influence of the book on literary criticism of the past twenty years Given the enormous attention generated by Bloom's controversial *The Western Canon* this new edition is certain to find a readymade audience among the new generation of scholars students and layreaders interested in the Bloom canon

**The Anxiety of Influence** Harold Bloom, 1978 **Literature, Literary History, and Cultural Memory** Herbert Grabes, 2005 Sourcebook on Rhetoric James Jasinski, 2001-07-19 Please update SAGE UK and SAGE INDIA addresses on imprint page Law and Literature: A Still-thriving Relationship Pedro Talavera, 2025-04-17

What kind of relationship exists between law and literature Why have so many great jurists and philosophers used literature to explore their own disciplines What were they looking for and what did they find What can law learn from literature and how does literature reflect legal praxis This book takes us on a fascinating journey through those questions and their answers The first part offers a diachronic and thematic overview of the law and literature movement showing how literature has influenced new ways of thinking about law from a narrative hermeneutic humanistic ethical and critical perspective The second part analyzes the value of literature in the education of students lawyers and judges And the third section presents a captivating analysis of the literary notion of justice and the relationship between literature and the economic analysis of law

**The Rebellion of Forms in Modern Persian Poetry** Farshad Sonboldel, 2024-02-08 An analysis of the aesthetic cultural and political aspects of alternative poetic movements and individual poets in three periods the Constitutional Revolution 1900 1920 the post constitutional era 1920 1940 and the ascendancy of modernism 1940 1960 Farshad Sonboldel shines new light on the history of modern Persian poetry by re imagining the roles that the aesthetic experimentations of alternative poets played in different phases of the literary revolution in modern Persian poetry Dominant narratives portray modern Persian poetry as a gradual rational and moderate change in the classical regime of aesthetics as well as a response to and reflection of cultural and socio political changes within Iranian society They also disregard the significance of radical

experiments by alternative poets and undervalue the part they played in the initiation and progress of the so called literary revolution These mainstream narratives minimize the socio political engagement of literary works with the direct reflection of the social reality and thus neglect the way many alternative poems struggle with socio political issues through deconstructing the old and constructing new aesthetic systems Each chapter of *The Rebellion of Forms in Modern Persian Poetry* is centred around poems chosen for their potential to showcase notable experiments of pioneer movements and individuals in each given period Examining the formal and thematic aspects of these poems this book reformulates the story of modern Persian poetry and unravels the relationship between radical aesthetic changes in the practice of poetry and resistance against political and cultural domination in society      Artistic Outlaws Sonja Samberger, 2005 The creator of the new composition in the arts is an outlaw until he is a classic Gertrude Stein wrote in 1926 Unlike male modernists such as T S Eliot or Ezra Pound the modernist women poets Edith Sitwell Amy Lowell Stein and H D never became high modernist models but remained artistic outlaws The present study shows how these women were present on the modernist scene but followed their own concepts and struggled to establish their position as modernist women poets Defying definition the four poets not only richly contributed to modernism but were indeed its developers      **The Routledge Companion to Critical and Cultural Theory** Paul Wake, Simon Malpas, 2013-06-19 Now in a fully updated second edition The Routledge Companion to Critical and Cultural Theory is an indispensable guide for anyone approaching the field for the first time Exploring ideas from a diverse range of disciplines through a series of 11 critical essays and a dictionary of key names and terms this book examines some of the most complex and fundamental theories in modern scholarship including Marxism Trauma Theory Ecocriticism Psychoanalysis Feminism Posthumanism Gender and Queer Theory Structuralism Narrative Postcolonialism Deconstruction Postmodernism With three new essays an updated introduction further reading and a wealth of new dictionary entries this text is an indispensable guide for all students of the theoretically informed arts humanities and social sciences      *Thornton Wilder, Classical Reception, and American Literature* Stephen J. Rojcewicz, Jr., 2021-11-25 This book delineates how Thornton Wilder 1897 1975 a learned playwright and novelist embeds himself within the classical tradition integrating Greek and Roman motifs with a wide range of sources to produce heart breaking masterpieces such as *Our Town* and comedy sensations such as *Dolly Levi* Through this study of archival sources and close reading readers will understand Wilder s avant garde staging and innovative time sequences not as a break with the past but as a response to the classics The author traces the genesis of unforgettable characters like Dolly Levi in *The Matchmaker* Emily Webb in *Our Town* and George Antrabus in *The Skin of Our Teeth* Vergil s expression Here are the tears of the world and human matters touch the heart haunts Wilder s oeuvre Understanding Vergil s phrase as tears for the beauty of the world Wilder utilizes scenes depicting the beauty of the world and the sorrow when individuals recognize this too late Wilder exhorts us to observe lovingly alert to the wonder of the everyday This work will appeal to actors and directors professors and students in classics

and in American literature those fascinated by modern drama and performance studies and non specialists theatre goers and readers in the general public      **Sourcebook on Rhetoric** ,      But the Wise Shall Understand Felipe A. Masotti ,2025-02-17 Using Bakhtin s theory Felipe A Masotti examines how ancient prophecies are reused to shape ideas of divine intervention and the passing of time It reveals a blend of traditional and innovative elements in Daniel s eschatological narrative reflecting a deep theological engagement with prophetic traditions      *Derrick Puffett on Music* Kathryn Bailey Puffett,2017-07-05 I listen to a piece and ask myself what has made the greatest impression on me What has moved me the most about it what has excited me the most what it is I want to write about what sets my mind working what sets off my imagination Derrick Puffett s description to a group of Cambridge graduate students of his approach to listening and writing about music is clearly evident in the articles reprinted in this collection For the first time the book makes available in one place writings previously widely dispersed amongst many journals and symposia Resonances emerge that cross from essay to essay with the result that a larger coherent project is revealed Insistent on the need of music analysis to be accompanied by a wider historical knowledge Puffett believed strongly that the methods to be adopted on each occasion must be dictated by the music at hand His work on Bruckner Strauss Webern Zemlinsky Delius and Debussy is of enduring importance to the study of music With a prose style distinguished for its elegance and clarity Puffett s writings will enhance the understanding and enjoyment of the music that he discusses amongst students and teachers alike      *The Architecture of Influence* Amanda Reeser Lawrence,2023-11-21 How do we create the new from the old The Architecture of Influence explores this fundamental question by analyzing a broad swath of twentieth century architectural works including some of the best known examples of the architectural canon modern and postmodern through the lens of influence The book serves as both a critique of the discipline s long standing focus on genius and a celebration of the creative act of revisioning and reimagining the past It argues that all works of architecture not only depend on the past but necessarily alter rewrite and reposition the traditions and ideas to which they refer Organized into seven chapters Replicas Copies Compilations Generalizations Revivals Emulations and Self Repetitions the book redefines influence as an active process through which the past is defined recalled and subsequently redefined within twentieth century architecture      **Encyclopedia of Romanticism (Routledge Revivals)** Laura Dabundo,2009-10-15 First Published in 1992 this encyclopedia is designed to survey the social cultural and intellectual climate of English Romanticism from approximately the 1780s and the French Revolution to the 1830s and the Reform Bill Focussing on the spirit of the age the book deals with the aesthetic scientific socioeconomic indeed the human environment in which the Romantics flourished The books considers poets playwrights and novelists critics editors and booksellers painters patrons and architects as well as ideas trends fads and conventions the familiar and the newly discovered The book will be of use for everyone from undergraduate English students through to thesis driven graduate students to teaching faculty and scholars      Keats and Hellenism Martin Aske,2005-01-27 This book proposes a fresh and

original interpretation of Keats use of classical mythology in his verse Dr Aske argues that classical antiquity appears to Keats as a supreme fiction authoritative yet disconcerting and his poems represent hard endeavours to come to terms with the influence of that fiction The major poems most notably Endymion Hyperion the Ode on a Grecian Urn and Lamia form a stage as it were upon which is played out a psychic drama between the modern poet and his classical muse The study is especially bold in its assimilation of historical scholarship and literary theory to a close reading of the texts Individual poems are discussed in the context of late Enlightenment and Romantic attitudes towards antiquity and in the light of recent critical theory in particular the theory of literary history and influence formulated by Harold Bloom and Geoffrey Hartman Keats emerges as a significant example of the way in which a poet tries to establish a distinct identity under the burden of history and of literary tradition

The Open Book M. Jensen, 2016-04-30 The Open Book is a provocative study of literary influence at work in English writing from Hardy to Woolf Jensen reimagines the links between text and context as she endeavors to historicize literary influence by taking Bloomian anxiety and Kristevan intertextuality into fields of actual history and biography Jensen both borrows from and deconstructs the ideas of these theorists as she reads the texts of Hardy Stephen Woolf Mansfield and Middleton Murry By doing so The Open Book offers a fresh and pragmatic opening onto the relation between personal cultural and institutional history on the one hand and literary history on the other

**Text to Text Pours Forth Speech** Robert L. Brawley, 1995-12-22 An excellent contribution to the developing study of intertextuality in biblical studies Religious Studies Review a must read for Luke Acts scholars Theology Today Makes important contributions to the study of Luke and Acts biblical studies generally and the growing body of literature on theory and method in biblical criticism A fine and provocative piece of work R Alan Culpepper Baylor University This book makes a valuable contribution to the study of intertextuality Themelios

Freudians and Schadenfreudians Jeffrey Berman, 2024-08-22 Sigmund Freud can be a polarizing figure beloved by many and despised by some Focusing on eight key writers and scholars who either passionately loved or gleefully loathed Freud this book represents Freud's wide legacy the reach of his ideas their controversies and their ability still to provoke inspire confound outrage and compel The book begins by focusing on four highly prolific authors whose admiration for Freud is boundless Lionel Trilling Harold Bloom Kurt R Eissler and Peter Gay Berman then explores four more writers whose aim was not simply to debunk Freud and destroy his monstrous creation but to cast both into hell D H Lawrence Vladimir Nabokov Thomas Szasz and Frederick Crews Each chapter discusses the author's involvement with Freud exploring the continuities and discontinuities of his or her writings as well as offering snapshots of the writers suggesting how their personal and professional lives were inextricably related Berman draws out some surprising commonalities between the Freudolaters and Schadenfreudians going on to discuss the current state of psychoanalysis and the psychoanalytic credos by which contemporary analysts live

The Anxiety Of Influence A Theory Of Poetry: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have captivated audiences this year. The Anxiety Of Influence A Theory Of Poetry : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
