Historical Dictionary of Ukraine Ivan Katchanovski,Zenon E. Kohut,Bohdan Y. Nebesio,Myroslav Yurkevich,2013-07-11 Although present day Ukraine has only been in existence for something over two decades its recorded history reaches much further back for more than a thousand years to Kyivan Rus Over that time it has usually been under control of invaders like the Turks and Tatars or neighbors like Russia and Poland and indeed it was part of the Soviet Union until it gained its independence in 1991 Today it is drawn between its huge neighbor to the east and the European Union and is still struggling to choose its own path although it remains uncertain of which way to turn Nonetheless as one of the largest European states with considerable economic potential it is not a place that can be readily overlooked The problem is or at least was where to find information on this huge modern Ukraine and since 2005 the answer has been the Historical Dictionary of Ukraine in its first edition and now even more so with this second edition It now boasts a dictionary section of about 725 entries these covering the thousand years of history but particularly the recent past and focusing on significant persons places and events political parties and institutions as well as more broadly international relations the economy society and culture The chronology permits readers to follow this history and the introduction is there to make sense of it It also features the most extensive and up to date bibliography of English language writing on Ukraine

Mental Health, Spirituality, and Religion in the Middle Ages and Early Modern Age Albrecht Classen,2014-07-28

This volume continues the critical exploration of fundamental issues in the medieval and early modern world here concerning mental health spirituality melancholy mystical visions medicine and well being The contributors who originally had presented their research at a symposium at The University of Arizona in May 2013 explore a wide range of approaches and materials pertinent to these issues taking us from the early Middle Ages to the eighteenth century capping the volume with some reflections on the relevance of religion today Lapidary sciences matter here as much as medical psychological research combined with literary and art historical approaches The premodern understanding of mental health is not taken as a miraculous panacea for modern problems but the contributors suggest that medieval and early modern writers scientists and artists commanded a considerable amount of arcane sometimes curious and speculative knowledge that promises to be of value and relevance even for us today once again Modern palliative medicine finds for instance intriguing parallels in medieval word magic and the mystical perspectives encapsulated highly productive alternative perceptions of the macrocosm and microcosm that promise to be insightful and important also for the post modern world

Russian Architecture and the West Dmitrii Olegovich Shvidkovskii, Shvidkovsky, 2007-01-01 This is the first book to show the development of Russian architecture over the past thousand years as a part of the history of Western architecture Dmitry Shvidkovsky Russia's leading architectural historian departs from the accepted notion that Russian architecture developed independent of outside cultural influences and demonstrates that to the contrary the influence of the West extends back to the tenth century and continues into the present He offers compelling assessments of all the main masterpieces of Russian architecture and frames a radically new architectural history for Russia The book systematically analyzes Russian buildings in relation to developments in European art pointing out where familiar European features are expressed in Russian projects Special attention is directed toward decorations based on Byzantine models the heritage of Italian master builders and carvers the impact of architects and others sent by Elizabeth I the formation of the Russian Imperial Baroque the Enlightenment in Russian art and 19th and 20th century European influences With over 300 specially commissioned photographs of sites throughout Russia and western Europe this magnificent book is both beautiful and groundbreaking

The Orthodox Church and Civil Society in Russia Wallace L. Daniel, 2006-08-09 In the void left by the fall of Communism in Russia during the late twentieth century can that country establish a true civil society Many scholars have analyzed the political landscape to answer this question but in The Orthodox Church and Civil Society in Russia Wallace L Daniel offers a unique perspective within the church are individuals who hold the values and institutional models that can be vital in determining the direction of Russia in the twenty first century Daniel tells the stories of a teacher and controversial parish priest the leader of Russia's most famous women's monastery a newspaper editor and a parish priest at Moscow University to explore thoroughly and with a human voice the transformation from Communist country to a new social order Daniel explores specific religious communities and the way they operate their efforts to rebuild parish life and the individuals who have devoted themselves to

such goals This is the level Daniel shows at which the reconstruction of Russia and the revitalization of Russian society is taking place This book is written for general readers interested in the intersection between politics religion and society as well as for scholars

Cross and Kremlin Thomas Bremer,2013-10-17 Russian political history and Russian church history are tied together very tightly One cannot properly understand the overall history of Russia without considering the role of the Orthodox Church in Russia Cross and Kremlin uniquely surveys both the history and the contemporary situation of the Russian Orthodox Church The first chapter gives a concise chronology from the tenth century through the present day The following chapters highlight several important issues and aspects of Russian Orthodoxy church state relations theology ecclesiastical structure monasticism spirituality the relation of Russian Orthodoxy to the West dissidence as a frequent phenomenon in Russian church history and more

Russia's Path toward Enlightenment Gary M. Hamburg,2016-06-28 This book focusing on the history of religious and political thinking in early modern Russia demonstrates that Russia s path toward enlightenment began long before Peter the Great s opening to the West Examining a broad range of writings G M Hamburg shows why Russia s enlightenment constituted a precondition

for the explosive emergence of nineteenth century writers such as Fedor Dostoyevsky and Vladimir Soloviev

The Top Books of the Year The Ancient Monasteries Of Kiev Rus The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have captivated audiences this year. The Ancient Monasteries Of Kiev Rus : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
