**Break the Alabaster Box** Pedro F. Patrick, 2014-07-25 Every church ministry is driven by something In this lively and refreshing book Pedro Patrick unfurls the profound beauty of unction and shows that the Bible brightens everything Anointing is the driving force behind all successful ministries The pages of this book discuss this subject and boldly explain why the Christian world is not enjoying the anointing Break the Alabaster Box stresses the missing nectar of life the Holy Spirit in our personal lives The author teaches of unction with all force and clarity Pedro Patrick offers to the hearts of readers an explanation of what unction is all about The unction that he receives provides the framework for the action of this book He points out that anointing is a part of our Christian spiritual character without it no one can be equipped to take action against demons in the same way that Jesus himself did Deliverance from evil spirits is the one evidence that shows the world that the kingdom of God has come and anointing seals that evidence The Anointing Exposes the Deeds of the Flesh Merits Henry, 2011-02-23 The Time Has Come To Receive As a people birthed with purpose God has reserved the best for the last to display his tangible anointing power to a dying world The anointing is that divine inducement from above and not a desire of emotional feelings It comes not with years of experience status and articulates But rather it is given by laying aside every weight and sin that easily besets us He has placed a now power Ephesians 3 20 on the inside of you to defeat your adversary This power is actually on the inside of you right now This is the beginning of miracles concerning you just believe Discovering the anointing on your life you will realize that it an inheritance given to serve and not to be served I believe we are at a prophetic crossroad in history to witness a people with a new birth destined to walk in a double portion of his spirit just as Elisha received a double portion of Elijahs spirit God has saved us the best for the last Therefore we must desire nothing less than the anointing that destroys yokes of bondage opens blind eyes straightens crippled limbs mends broken homes and deliver every captive Gods Word promises that there will be an overflow or a double portion of wine and oil or anointing coming your way in one month Thats a double blessing This double portion is waiting for you it is part of your inheritance through Christ Jesus It will show you how to walk in the anointing of the Holy Spirit and do greater works than that of the risen Messiah This is your hour of power This is your day to receive your double portion After reading this book your life should never be the same again It is my desire that readers obtain spiritual experiences and insights that will enlarge their spiritual vision for tomorrow The Power of a True Intercessor Patricia J. Williams, 2013 Prayer is the most potent force known to humanity Because we have been made partakers in Jesus victory over sin and death 1 John 4 4 we have the authority as sons and daughters of God to pray for others pushing back the darkness of sin and oppression In prayer we have a weapon that has divine power to destroy strongholds 2 Corinthians 10 4 That kind of weaponry the power of prayer is something God invites us to use as we seek not only personal transformation but transformation of the world as well An intercessor is one who takes up a burden that goes far beyond his or her own needs and intentions Those who take up the

call to intercession come to learn in a deeper way that the sufferings of the present time cannot compare to the joy that will come as God's purposes unfold. Intercessors participate in God's magnificent plan to raise humanity to share in divine life. This insight moves them to engage in a spiritual battle against the forces that seek to destroy God's plans, proving the Power of a True Intercessor.

**The Use of Scripture in the Markan Passion Narrative** Kelli S. O'Brien, 2010-05-27

The Library of New Testament Studies (LNTS) is a premier book series that offers cutting edge work for a readership of scholars, teachers in the field of New Testament studies, postgraduate students, and advanced undergraduates. All the many and diverse aspects of New Testament study are represented and promoted, including innovative work from historical perspectives, studies using social scientific and literary theory, and developing theological, cultural, and contextual approaches. Kelli S. O'Brien examines the use of scripture in the Markan passion narrative. O'Brien begins by laying firm methodological foundations, providing an incisive definition of the term allusion and the criteria by which the presence of allusions may be established. She then tests the plethora of allusions that previous scholars have discerned within Mark 14-15, arguing that only sixteen references have sufficient support to be considered as allusions. Out of approximately 270 references suggested, O'Brien then moves to assess the interpretive impact of the most likely allusions on the Markan passion narrative. Some allusions make bold statements with regard to Christology, including Jesus' ultimate vindication and exaltation. Many, however, have little Christological content and function as literary devices to interpret the narrative. Allusions illuminate the significance of events from the flight of the disciples to the offer of vinegary wine. The presence of allusions provides a window to the evangelist's understanding of Jesus' death in eschatological and redemptive terms. As such, this study is of immense importance in furthering comprehension of the Second Gospel's interpretation of the passion.

Colossians David J. Landegent, 2017-06-06

Some people can't see the forest for the trees; they get so bogged down in details that they lose sight of what it's all about. Others can't see the trees for the forest; they miss the wondrous details all around them. So why not look instead at both the forest and the trees? This commentary on Paul's letter to the Colossians guides you in doing just that. Even though we will be exploring ancient biblical cultures and learning plenty about the Greek language, no prior academic training is needed. Technical terms have been set aside. Instead, with everyday language, we will discover the big picture and revel in the fine details of this stunning letter, amazed by how God is still

speaking these same words today to contemporary personal and social challenges We will not then be tourists rapidly zipping through Colossians as if on a monotonous interstate highway Instead we will be hiking our way through this letter step by step phrase by phrase finding joy in Gods truth and growing in our faith Come and join the journey     *The Book of Affinitive Life* Lee Arnold Green,2024-09-11 The Book of Affinitive Life Part 1 in Conjunction The Book of Life is mainly about life on Earth concerning the invited signals of love that create addictions and eventually transcend into affinitive life It is commonly characterized in the world as a passion hobby or bond to someone or something and it is practiced or lived by means of a habitual lifestyle or habit by virtue of signal responsiveness in response to behavior in interaction with whom or what affinitive life centers on The surprisingly interesting spiritual fact about the love signal is that it lies beyond ordinary experiences and supernaturally transcends into an acquired spirit that is grafted into your natural spirit as an integral part which is then potentially lived as affinitive life and in turn a passion hobby or bond to someone or something Affinitive life as a passion hobby or bond is actually unknown to the world as such That is because it is spirit based and all spiritual lives are physically based First Corinthians 2 14 15 says The natural man receiveth not the things of the Spirit of God for they are foolishness unto him neither can he know them because they are spiritually discerned But he that is spiritual judgeth all things yet he himself is judged of no man That means scientists could never use genetic engineering to find the true meaning of passions hobbies or bonding to someone or something as an affinitive life because it is foolishness to them Genetic engineering is the direct manipulation of an organism s genome which means its genes are used by biotechnology also called genetic modification which is genetic manipulation of the genes of an organism s genome This book is the book of affinitive life part 1 to the natural side of life and the book of life to the spirit side of life of invited signals of love For that reason the name of this book is The Book of Affinitive Life Part 1 in Conjunction The Book of Life It is called The Book of Affinitive Life as it refers to and relates to the natural side of life first and then to the same degree it relates to the spirit side of life Additionally it characterizes the Book of Life which no natural or ordinary man could write there had to be a spiritual component All affinitive lives are lived optionally as a habitual lifestyle or habit in natural life in conjunction with natural life as an integral part     *The Sunday School Journal* ,1899     **The Anointed, The Elect, and The Damned!** The Akurians,2009-04-07 The Most High Lord God of All Creation The Most High Supreme Lord of Spirits the God of Ish Adam and Isha Eve the God of Enoch the God of Noe Noah the God of Shem the God of Melchizedek the God of Audreah the God of Abraham the God of Ishmael the God of Isaac the God of Jacob Israel will personally communicate with YOU personally Be prepared to understand YOU have been lied to all your life about everything and to possess True Spiritual Knowledge you have been deliberately denied The Most High Himself will testify to you that each and every word statement and claim in this book is absolute irrevocable consistently verifiable indispensable and indisputable TRUTH     **The Anointing** Dr. Stuart Pattico,2011     **The Cultivation of Monarchy and the Rise of Berlin** Karin Friedrich,2017-03-02 The start of the

eighteenth century witnessed the elevation of Prussia to monarchic status a reflection of the rising importance of the Hohenzollern dynasty within the Empire as well as in Central Europe In tandem with this Berlin came to the fore as the capital city of Brandenburg with the establishment there of the royal court This volume makes available for the first time a selection of the diverse printed and visual materials relating to these developments In their introduction to the documents the editors explore the historical political and cultural context of the rise of the Hohenzollerns and the significance of the 1701 coronation of Friedrich III as King in Prussia The materials provided in the original as well as in English translation are wide ranging Points of focus include the dynasty s cultivation of the arts and learning its festive culture the structure of the court and the nature of Friedrich s reign Particular attention is given to the ceremonial procedure and festivities surrounding his coronation recorded by the court poet Johann von Besser This collection of materials acts as a commentary on Baroque kingship revealing the manner in which the early eighteenth century monarch wished to present himself to the outside world and enhance his legitimacy among European rulers It also offers valuable insights into a key stage in the political and cultural history of Brandenburg Prussia the consequences of which exercised a crucial impact on the development of Germany and the history of Europe
