

An illustration on a light blue background with abstract shapes. A large, stylized head of a person is shown in profile, facing left. The head is orange and has a dark blue outline. Inside the head, there are several interlocking gears, with one gear being red. A black cable is plugged into the back of the head. To the left of the head, a small figure of a person in a dark suit is standing on a grey base, holding the cable and plugging it into a large, circular, grey electrical outlet. Three glowing light bulbs are floating in the air: one above the head, one to the left of the head, and one below the head. The background has soft, wavy shapes in shades of blue and white.
