Setting Limits with your Strong-Willed Teen Robert J. Mackenzie, 2015-02-10 From the bestselling *Setting Limits* series comes an invaluable guide for parents of strong-willed teenagers that explains how to effectively enforce discipline encourage healthy growth and create rewarding relationships with teens Parenting modern teenagers is an enormous challenge Teens have always been prone to rebellion and limit testing But in today's world of Twitter and Facebook enormous academic and extracurricular pressure and corrosive media influence raising a teen to be well-adjusted respectful and mature enough to make good decisions is tougher than ever Fortunately *Setting Limits with Your Strong Willed Teen* offers powerful time-tested tools for moving beyond traditional methods that wear parents down while getting nowhere and zeroing in on what really works so parents can use their energy in more efficient and productive ways By understanding how to draw clear limits without lapsing into punishment or permissiveness parents will be able to foster good judgment build stronger bridges of communication and mutual respect and end destructive power struggles This is an invaluable resource for anyone wondering how to effectively build a positive respectful and rewarding relationship with their teen In *Setting Limits With Your Strong Willed Teen* you will learn how to Understand your Strong Willed Teen Set firm and meaningful limits that your teen will respect Motivate your teen to cooperate and communicate respectfully Develop your own patience and a better tolerance for natural changes Hold your teen accountable with instructive natural and logical consequences Determine your teen's readiness for new freedoms and privileges Teach your teen valuable lessons about character and trust And much more

A Smoother Transition Johnson, Ph. D. Dianne E. Barber, 2009 Parents do you want to help your child through the peaks and valleys of adolescence By understanding what your teen is experiencing you can better communicate and help them make wise choices as they attempt to establish their independence As teens progress into adulthood there seems to be a shift in where the brain routes judgment calls Mixed with the abuse of alcohol or illegal drugs or risky behavior

in general it becomes more difficult for the young adult mind to fully understand the consequences of some choices they make This book helps teenagers refocus their energy and make a smoother transition throughout adolescence into early adulthood

Teen 2.0 Robert Epstein, 2010-02-24 National Indie Excellence Awards first prize in the Parenting and Family category Arguing that adolescence is an unnecessary period of life that people are better off without this groundbreaking study shows that teen confusion and hardships are caused by outmoded systems that were designed to destroy the continuum between childhood and adulthood Documenting how teens are isolated from adults and are forced to look to their media dominated peers for knowledge this discussion contends that by infantilizing young people society does irrevocable harm to their development and well being Instead parents teachers employers and others must rediscover the adults in young people by giving them authority and responsibility as soon as they exhibit readiness Teens are highly capable in some ways more than adults and this landmark discussion offers paths for reaching and enhancing the competence in America s youth

Surviving Adolescence Michael B. Gilbert, 2021-04-15 The most trying times in a child s life are during their pre teen and teen years Even the most well meaning and engaged parents and teachers are often ill equipped to deal effectively with adolescents and their remarkable yet confounding social and emotional changes *Surviving Adolescence* follows the roller coaster ride parents with teenagers experience stages that author Michael Gilbert calls Ratcheting Up the First Drop Loop de Loop Climbing the Steep Drop In the Tunnel Into the Daylight and Leveling Off These stages cover issues such as preparing for adolescence the reality of confronting puberty the family unit and how to help teens confront a new social environment including cyberspace Additional areas covered are recognizing the need for productive activities discussing burgeoning sexual issues bullying and substance abuse Suggestions for communicating effectively and taking care of yourself are included too making this a well rounded and valuable resource for parents and educators alike

Sex, Youth, and Sex Education David Campos, 2002-04-23 An authoritative reference that discusses the history of sex education and its ramifications in the United States Community and school officials parents and educators often stay to the wee hours of the night at PTA meetings arguing about sex education and sexual behavior among young people While some groups preach abstinence and attempt to sign as many youngsters as possible to their rosters it remains a fact that 50 percent of U S teenagers beginning at age 15 are sexually active *Sex Youth and Sex Education* is a wonderfully crafted resource that gives not only a statistical overview of sexual activity in schools but also examines sex education the scourge of sexual violence in schools and sexuality among selected groups of youngsters What emerges is a groundbreaking work for educators and students of sociology psychology and education This work brings to light the fascinating not to mention ubiquitous world of sexuality among today s youth and its impact on parents school personnel policymakers and society
