Encyclopedia of Domestic Violence and Abuse Laura L. Finley,2013-07-16 This comprehensive two volume work examines domestic abuse in the United States and worldwide providing research personal stories and primary documents that reveal the extent of the problem An estimated 1 300 to 1 800 Americans are murdered by intimate partners each year Far from being a problem that only impacts women domestic violence hurts society as a whole both socially as well as financially with an estimated direct and indirect cost of nearly 6 billion annually in the United States This book provides a timely and thorough reference for educators students scholars and activists seeking to better understand the global issue of domestic abuse The entries document the history of the domestic violence prevention movement provide explanations for abuse identify warning signs of hidden abuse describe types of victims and offenders and supply information on interventions and prevention programs Written by an array of experts in the field the book also integrates the personal stories of survivors and addresses abuse as a global issue by covering topics such as acid attacks and female genital mutilation

Better Serving Teens through School Library-Public Library Collaborations Cherie P. Pandora,Stacey Hayman,2013-08-15 In this practical guidebook experienced librarians a public librarian and a school librarian share advice and ideas for extending resources containing costs and leveraging capabilities between school and public libraries offering insights and strategies to overcome today s economic challenges The current

economic crisis has had a drastic impact on both public and school libraries. As budgets shrink, resources become scarcer and the job of the librarian becomes harder. The conundrum of doing more with less challenges even the most seasoned professionals whose institutions face service cutbacks, disappointed patrons, and possible job eliminations or closures. This book asserts that a collaboration between school and public libraries can effectively serve the needs of two populations: teens and the community at large, while minimizing the cost to do so. *Better Serving Teens through School Library Public Library Collaborations* offers thought-provoking advice and ideas for practical use in real-world libraries. The authors provide step-by-step guidance for those who wish to start, strengthen, or extend a partnership with colleagues at a sister library, covering topics ranging from teen advisory boards and collaborative programs to homework help and professional development. Veterans in the field as well as beginners can utilize the wealth of tools within, including worksheets, timelines, and checklists, to leverage the capabilities of other agencies to fortify both their own and their institutions' value.
